SPECIAL CONDITIONS

7. MINIMUM REQUIREMENTS

7.1. The Vendor(s) is required to have a License as a mold remediation contractor under ~~F.S. 489~~ **F.S. 468 Part XVI- Mold Related Services**. Copies of the licenses and certification must be included in the proposal. Failure to provide this requirement may deem Vendor non-responsive and therefore ineligible for award.

2. QUESTIONS/ANSWERS

1.	Section 7.1 of the Solicitation states that the Vendor is required to have a License as mold remediation contractor under F.S. 489. F.S. 489 is the chapter governing Construction Contracting. Chapter 468 of the Florida Statutes governs Mold Related Services and specifically exempts those contractors licensed under F.S. 489 from obtaining a separate license. See F.S. 468.841(1)(d) and (2)(d). Please confirm that a company that is licensed as a General Contractor under Florida Statutes 489 meets the licensing requirements for this bid.
Answer	A General Contractor License is not required for this solicitation. Please see revised Special Conditions, Section 7, Article 7.1 above revising the requirement to reflect a mold remediation license.

2.	I noticed there was no mention of mold assessment or Industrial Hygiene, is that a separate bid? Or will it be added to the referenced one above?
Answer	Mold Assessment and/or Industrial Hygiene will be a separate solicitation independent from the Disaster Remediation Contract.

BIDDER/PROPOSER IS ADVISED, YOU ARE REQUIRED TO ACKNOWLEDGE RECEIPT OF THIS ADDENDUM WHEN SUBMITTING A BID/PROPOSAL. FAILURE TO COMPLY WITH THIS REQUIREMENT MAY RESULT IN THE BIDDER/PROPOSER BEING CONSIDERED NON-RESPONSIVE.

ALL OTHER TERMS AND CONDITIONS OF THE SOLICITATION DOCUMENTS ARE AND SHALL REMAIN THE SAME.
