**Posted Date:** January 27, 2025

**Solicitation No.:** B250035LND

**Solicitation Name:** Midpoint Bridge (NBI 124096) Repairs

**Subject:** Addendum Number 1

The following represents clarification, additions, deletions, and/or modifications to the above referenced bid. This addendum shall hereafter be regarded as part of the solicitation. Items not referenced herein remain unchanged, including the response date. Words, phrases or sentences with a strikethrough represent deletions to the original solicitation. Underlined words and bolded, phrases or sentences represent additions to the original solicitation.

**1. OPEN DATE / BIDS DUE EXTENSION**

**FROM: THURSDAY, FEBRUARY 13, 2025, AT 2:30 PM**

**TO: THURSDAY, FEBRUARY 20, 2025, AT 2:30 PM**

**2. ADDITIONAL PREBID MEETING**

**An additional Prebid Meeting with Site Visit has been scheduled for the following date, time, and location:**

**February 5, 2025, at 1:00 PM**

**Location: Midpoint Bridge**

- This will be a multi-location meeting on the Fort Myers side of the bridge and the Cape Coral side. Attendees are responsible to pay for their own tolls.
- Attendees should meet in the parking lot under the bridge overpass off McGregor Blvd. and San Marcos. Approximate address is 8300 San Marcos, Fort Myers, FL 33919. See Below Map.
- From the meeting spot, attendees will take a guided drive down San Marcos to the river where we will park and walk around the site.
- Once complete, we will drive across the bridge, pay the toll and take the 1<sup>st</sup> exit marked Del Prado Blvd. We will take the 1<sup>st</sup> right for SE 17<sup>th</sup> place, then turn right on SE 23<sup>rd</sup> Terrace. We will drive past the Four Mile Cove Ecological Preserve, through the gate and park at the end, where we will get out for the second part of the visit. Address for Four Mile Cove is 2500 SE 24<sup>th</sup> Street, Cape Coral, FL 33990.
- The site will not be accessible to those requiring special accommodations.
- Due to the nearby activity, roadway operations, and site environment, appropriate PPE (high visibility vest and closed toe footwear) will be required to access the site. The project site is only accessible by walking, stair climbing, and potentially stepping over obstructions. We will be walking near the river where handrails are not onsite. Attendees enter at their own risk and agree they understand the dangers of this visit.
