Hi Brian,

Yes, this project only involves repairing boardwalk damages caused by Ian. We'll let Johnson Engineering know then. Thank you!

Jason,

The LDO was just submitted by Johnson Engineering. The summary description in the application is below:

Removal and replacement of 150 lf of 4' wide boardwalk destroyed by Hurricane Ian and other minor repairs.

If this is repair and replacement **ONLY** from Ian damage, we don't need the LDO. I have attached the plans for your use. Let me know.

Thanks,
