Vendor shall conduct no activity or provide any service that is unlawful or offensive.

XII. CONTRACT TERMINATION

- A. MATERIAL BREACH A Vendor may be Terminated for Cause by the County, at the sole discretion of the Procurement Management Director, for failing to perform a contractual requirement or for a material breach of any term or condition. Vendor failure to perform services or deliver materials, supplies, or equipment by the date required or by an alternate date as mutually agreed in a written amendment to the Agreement; 2. Vendor failure to carry out any warranty or fails to perform or comply with any mandatory provision of the Agreement; 3. Appointment of any receiver, trustee, or similar official for Vendor or any of the Vendor's property and such appointment endangers the Vendor's proper performance hereunder; 6. A determination that the Vendor is in violation of federal, state, or local laws or regulations and that such determination renders the Vendor unable to perform any aspect of the Agreement.

- B. **OPPORTUNITY TO CURE** In the event that Vendor fails to perform a contractual requirement or materially breaches any term or condition, the County may issue a written cure notice. The Vendor may have a period of time in which to cure. The County is not required to allow the Vendor to cure defects if the opportunity for cure is not feasible as, determined solely within the discretion of the County. Time allowed for cure shall not diminish or eliminate Vendor's liability for damages, or otherwise affect any other remedies available against Vendor under the Agreement or by law. If corrective action is deemed acceptable by the County, the Procurement Management Director shall notify the Vendor in writing of the need to take corrective action and the date in which the corrective action must be completed. If corrective action is not completed as specified by the Procurement Management Director, or if such corrective action is deemed by the County to be insufficient, the Agreement may be terminated. The County reserves the right to withhold further payments, or prohibit the Vendor from incurring additional obligations of funds during investigation of the alleged breach and pending corrective action by the Vendor or a decision by the County to terminate the Agreement. In the event of termination, the County shall have the right to procure any replacement materials, supplies, services and/or equipment that are the subject of this Agreement on the open market. In addition, the Vendor shall be liable for damages as authorized by law including, but not limited to, any price difference between the original Agreement and the replacement or cover contract and all administrative costs directly related to the replacement contract, e.g., cost of the competitive bidding, mailing, advertising and staff time. If it is determined that: (1) the Vendor was not in material breach; or (2) failure to perform was outside of Vendor's or its subcontractor's control, fault or negligence, the termination shall be deemed to be a "Termination for Convenience." The rights and remedies of the County provided in this Agreement are not exclusive and are in addition to any other rights and remedies provided by law.

- D. **TERMINATION FOR CONVENIENCE** Except as otherwise provided in this Agreement, the County, at the sole discretion of the Procurement Management Director, may terminate this Agreement, in whole or in part by giving thirty (30) calendar days written notice beginning on the second day after mailing to the Vendor. If this Agreement is so terminated, the County shall be liable only for payment required under this Agreement for properly authorized services rendered, or materials, supplies and/or equipment delivered to and accepted by the County prior to the effective date of Agreement termination. The County shall have no other obligation whatsoever to the Vendor for such termination.
- E. The County's rights under this Agreement shall survive the termination or expiration of this Agreement and are not waived by final payment or acceptance and are in addition to the Vendor's obligations under this Agreement.

- C. Any dispute, action or proceeding arising out of or related to this Agreement will be exclusively commenced in the state courts of Lee County, Florida, or where proper subject matter jurisdiction exists, in the United States District Court for the Middle District of Florida. Each party irrevocably submits and waives any objections to the exclusive personal jurisdiction and venue of such courts, including any objection based on forum non conveniens.
- D. This Agreement and the rights and obligations of the parties shall be governed by the laws of the State of Florida without regard to its conflict of laws principles.

Notwithstanding the foregoing provision, the Vendor may assign its rights if given written authorization by the County and claims for the money due or to become due to the Vendor from the County under this Agreement may be assigned to a financial institution or to a trustee in bankruptcy without such approval from the County. Notice of any such transfer or assignment due to bankruptcy shall be promptly given to the County.
