Award Amount or details: Awards contracts for Miscellaneous Professional Services for FEMA, NFIP and Community Rating System (CRS) Projects, on an as needed basis for an initial period of two years, with the option to renew for three additional one-year periods, to Johnson Engineering, Inc., JR Evans Engineering, P.A., Kimley-Horn and Associates, Inc., and MRD Associates, Inc., to provide coastal/riverine engineering consulting services. The pool of contractors will assist Lee County with routine duties associated with the Federal Emergency Management Agency (FEMA) and the National Flood Insurance Program (NFIP) and with emergency duties resulting from state or federal emergency declarations. In addition, the pool will assist Lee County in the review of FEMA's proposed South West Florida Coastal Risk MAP study covering 450 miles of shoreline along the Gulf of Mexico. Total expenditures for these services during Fiscal Year 2017- 2018 were approximately \$146,441.25. Expenditures are anticipated not to exceed \$350,000.00 annually. Notes: Expenditures will be on an as needed basis, as approved in the departments' adopted budgets, in an amount not to exceed \$350,000 annually.
