Dear Mr. Stoker:

On December 9, 2020, Lee County entered into an Agreement with Cardno, Inc. for Miscellaneous Professional Services, Contract No. 8849. Apologies, there was a typo in the email for Mr. Craig in my original email. Resending to all recipients, to make sure we are all on the same page:

Good morning, Stantec/Cardno team,

Please see the attached termination letters for the above referenced agreements. Originals will be forthcoming via certified U.S. Mail. Per the letters, any projects under the terminated Cardno agreements will now be performed under the existing Stantec agreements:

Cardno contract # 9174 → Stantec Contract # 9180
Cardno contract # 8849 → Stantec Contract # 8891

The copied Resource/Contract Analysts will work with you on preparing Change Orders to accommodate this change.

Additionally, we are working on contract amendments to assign the other following 4 Cardno agreements with Lee County to Stantec, where prior Stantec agreements did not already exist. Please be on the lookout for those this week:

CN200399RJD Design - LeeTran South County Park and Ride Transfer Station	8991
CN180325DLK Environmental Contract Water Quality and Hydrological Impacts, Site Assessments and Site	8233
CN180185DLK Miscellaneous Utility Engineering	9042
CN180028TJM Structural Engineering Services	8073

Thank you!

Subject: RE: Novation Follow up - Cardno acquired by Stantec
Importance: High

Hello, DeeAnna,

I was reviewing our contracts to compile a list of agreements and plans to handle. I show we currently have six active agreements with Cardno:

CN210187BAG Miscellaneous Traffic Engineering Services	9174
CN200399RJD Design - LeeTran South County Park and Ride Transfer Station	8991
CN200224JJB Miscellaneous Professional Service	8849
CN180325DLK Environmental Contract Water Quality and Hydrological Impacts, Site Assessments and Site	8233
CN180185DLK Miscellaneous Utility Engineering	9042
CN180028TJM Structural Engineering Services	8073

Of those, I show that Stantec also has a contract for these two:

CN210187BAG Miscellaneous Traffic Engineering Services	9180
CN200224JJB Miscellaneous Professional Service	8891

Typically, when there is a merger/acquisition resulting in assignments of agreements, but the new entity already has a contract, we would just terminate the old entity (here Cardno) agreements and proceed working under the original contract for the new entity (Stantec).

So just to confirm before I get started on any amendments/terminations, Stantec, operating under FEIN 11-2167170, will be performing and being paid for the following contracts previously performed by Cardno (FEIN 45-2663666):

CN200399RJD Design - LeeTran South County Park and Ride Transfer Station	8991
CN180325DLK Environmental Contract Water Quality and Hydrological Impacts, Site Assessments and Site	8233
CN180185DLK Miscellaneous Utility Engineering	9042
CN180028TJM Structural Engineering Services	8073

Furthermore, Stantec/Cardno agrees that we should terminate the following Cardno agreements, and perform all future work under these agreements under the corresponding Stantec agreements:

CN210187BAG Miscellaneous Traffic Engineering Services	9174
CN200224JJB Miscellaneous Professional Service	8849

Please let us know. Hope you have a great holiday!

****PLEASE NOTE** I will be out of the office from 12/23/2022 through 12/27/2022 and again from 12/30/22 through 1/8/23.**
