Dear Mr. Thomas:

During the recovery of the economically stressful times, Lee County Government is looking at all avenues in which to save tax payer's funds whenever possible. Therefore, we have been asked by the Board of County Commissioners to approach our vendors and inquire as to whether they would be in agreement to forego accepting the Consumer Price Index increase this year. The Consumer Price Index based on July statistics is 1.6%.

Your consideration of our request is appreciated. If you are in agreement or disagreement, please sign the appropriate line below and return this letter to my attention, no later than **Friday, September 22, 2017**. If it is more convenient for you to e-mail your reply to me, you may do so at MNevarez@leegov.com

Thank you again for your consideration in this matter and I look forward to hearing from you.
