1.	Are we quoting the 22 ITS locations listed in Addendum 1, and the 23 locations listed on the Address Spreadsheet and in the RFP?
<b>Answer</b>	<b>Yes, see attached list of all 2023 Utilities Address Network Locations</b>

2.	<p>For clarification, will the awarded vendor be required to contract off the Lee County Agreement template?              If so, is the County open to considering proposed redline modifications?</p> <p>Alternatively, would the County consider Respondent’s standard Agreement, with the inclusion of applicable service schedules, as the baseline for developing any contract between the parties? This would be a new Agreement, not the Agreement that expired on 2/3/2023.</p>
<b>Answer</b>	<b>Yes, Vendor is required to contract off the Lee County Agreement. Negotiations of Terms and Conditions would be handled during the contract phase, which takes place post-award. The County will review any redline requests but will not guarantee that any revisions will be accepted.</b>

3.	Would it be possible to provide an updated fully inclusive list of locations included in this RFP? If so, please provide 1 list of all sites included in the RFP and the bandwidth requested for each location.
