NOTES:

2. PRICING AND INVOICING

2.1 The Vendor shall provide for a discount off all Cummins OEM parts offered by the Vendor.

2.2 All invoices shall include, at minimum, the following information:

- Purchase Order number
- Manufacturer part number
- Unit price
- Discount
- Final extended cost of item

2.3 All charges are subject to the approval of the Project Ordering Department.

2.4 Delivery shall be included for all items at no cost to the County.

2.5 When requested by the ordering department, the Vendor shall provide a pro forma invoice/quote that may be utilized for unit price verification. The pro forma invoice/quote shall include, at minimum, the following:

- Requested date
- Manufacturer part number
- Unit price.

3. PRODUCT CATALOGS/PRICE GUIDES

3.1 The Vendor shall, at no cost to the County, provide the necessary product catalogs (preferably e-catalogs with online access) to identify purchased goods and to verify the MSRP/published retail price of such goods.
