This ranking method is used for each individual committee member’s scores. Thus if A ranks ahead of B and C (which compare equal) which are both ranked ahead of D, then A is ranked number 1(“first”), B is ranked number 2 (“joint second”), C is also ranked number 2 (“joint second”) and D is ranked number 3 (“third”).

  - 19.2.3. Such subsequent evaluations will be accomplished by simply ranking the proposers. Proposers will be ranked in sequential order with one (1) being the highest ranking. Proposers’ rankings will then be totaled with the total lowest scores receiving final rank order starting with one (1) - the highest ranking.
  - 19.2.4. Proposed short-list and final selection meeting dates are posted on the Procurement Management web page: [www.leegov.com/procurement](http://www.leegov.com/procurement) (Projects, Award Pending.)

##### IMPORTANT:

For corporations, ALL documents must be signed by the president of the company or an authorized individual. For any individual other than the president, we will need one of the following to confirm their authority to sign:

1. a corporate resolution by the Board of Directors, or
2. an extract of minutes, or
3. an extract of Vote by the Board of Directors

If the company's articles of incorporation identify additional positions that have the power to bind the corporation, we will accept the articles of incorporation with verification from the president that a certain individual serves in that role (e.g., the president confirms that John Doe is the CEO, and the articles of incorporation provide that the CEO has the power to bind the company).

With respect to an LLC, the authority to bind a limited liability company is controlled by Florida statutes. Managers or managing members have inherent authority to bind an LLC.

If the president of a corporation or a manager/managing member of an LLC delegates their authority, such delegation must be sent to us on company letterhead with the President's or manager's/managing member's original, wet signature.
