WHEREAS, the Vendor has reviewed the products and services to be supplied pursuant to this Agreement and is qualified, willing and able to provide all such products and services in accordance with its terms.

7. BYRD ANTI-LOBBYING AMENDMENT

- 7.1 Contractors who apply or bid for an award of \$100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with nonfederal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

8. RECORDS

- 8.1 Contractor shall provide, when requested, access by the County, Federal granting agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to this contract for the purpose of making audit, examination, excerpts, and transcriptions.
- 8.2 Contractor shall retain all records associated with contract for three (3) years after final payments and all other pending matters are closed.

9. RECOVERED MATERIALS

- 9.1 Contractor must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. [78 FR 78608, Dec. 26, 2013, as amended at 79 FR 75885, Dec. 19, 2014]

10. REMEDIES

- 10.1 In the event the Contractor fails to satisfactorily perform or has failed to adhere to the terms and conditions under this Agreement, the County may, upon fifteen (15) calendar days written notice to the Contractor and upon the Contractor's failure to cure within those fifteen (15) calendar days, exercise any one or more of the following remedies, either concurrently or consecutively:
- 10.1.1 Withhold or suspend payment of all or any part of a request for payment.
 - 10.1.2 Require that the Contractor refund to the County any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.
 - 10.1.3 Exercise any corrective or remedial actions, to include but not be limited to:
 - requesting additional information from the Contractor to determine the reasons for or the extent of non-compliance or lack of performance;
 - issuing a written warning to advise that more serious measures may be taken if the situation is not corrected;
 - advising the Contractor to suspend, discontinue or refrain from incurring costs for any activities in question; or

ATTACHMENT 1 TO EXHIBIT A

- requiring the Contractor to reimburse the County for the amount of costs incurred for any items determined to be ineligible.

10.2 Pursuing any of the above remedies will not keep the County from pursuing any other rights or remedies which may be otherwise available under law or in equity. If the County waives any right or remedy in this Agreement or fails to insist on strict performance by the Contractor, it will not affect, extend or waive any other right or remedy of the County, or affect the later exercise of the same right or remedy by the County for any other default by the Contractor.
