

## **CONTRACT SUMMARY INFORMATION**

**SUMMARY:** For the transporting and processing of electronic equipment (E-Scrap) derived from our E-Scrap collection program. Awarded contractor will make all trucking arrangements to collect and transport E-scrap from the Lee County Solid Waste Annex Facility located at 6441 Topaz Ct., Fort Myers, FL 33966 to the awarded contractors designated facility in a timely manner. Awarded contractor will provide transportation at its sole cost to its facility and provide the materials, personnel and facility to process E-scrap for recycling or reuse in a secondary market. Awarded contractor should accept all types, sizes and quantities of televisions and other approved E-scrap received from Lee County at no additional cost to the County other than the awarded flat rate fee per load awarded. The storage, treatment or disposal of any electronic equipment shall be done in accordance with all applicable local, state and federal regulations. Awarded contractor will provide written certification of recycling or destruction (whichever is appropriate) to Lee County Solid Waste for each load received from Lee County.

Purchases are made in accordance with the terms & conditions of Lee County
