LEE COUNTY CONSTRUCTION CONTRACT

AGREEMENT FORM

Contract No. 7135  
Board Award Date: 5/19/2015

AGREEMENT

made as of the 19<sup>th</sup> day of May in year of 2015  
BETWEEN the COUNTY: Board of County Commissioners, Lee County,  
Florida and the CONTRACTOR:

Simmonds Electrical of Naples Inc.  
8981 Quality Road Unit 1  
Bonita Springs, FL 34135

Check Appropriate Line:  
Individual  
Partnership  
Incorporated in the  
State of   

Name and Address

in consideration of the mutual covenants herein set forth, agree as follows:

ARTICLE 1. WORK

The CONTRACTOR shall perform all the work required by the Contract Documents:

**Scope of Work:** Lee County Board of County Commissioners is requesting Qualification Statements from interested electrical contractors who will perform work on an "as need" basis. The contractors will be performing new electrical installations and repairs at LCU's water, wastewater, distribution, collections, or other designated County systems. This contract will include minor electrical material to complete the electrical repair or installation. One or more contractors may be selected. This contract will have two levels of services and qualifications.

in full accordance with the drawings and as elaborated in the specifications.

PROJECT NAME: RFQ150161 Electrical Contractors Continuing Contract

LOCATION: Lee County, Florida

ARTICLE 2. AMOUNT OF CONTRACT

2.1 The COUNTY shall pay the CONTRACTOR in current funds for the performance of the work, subject to additions and deductions by Change Order as provided in the Contract Documents, the sum specified by each project received under this Contract.

15 MAY 27 AM 9:13

CONSTRUCTION CONTRACT  
ARTICLE 3. PROGRESS PAYMENTS

Based upon Applications for payment submitted to the OWNER'S Representative by the CONTRACTOR, and Certificates for Payment issued by the OWNER'S Representative, the COUNTY shall make progress payments on account of the Contract Price to the CONTRACTOR as provided in the Contract Documents as follows:

3.1 Not later than fifteen (15) calendar days following the approval of an Application for payment, ninety percent (90%) of the portion of the Contract Price properly allocated to labor, materials and equipment incorporated in the work and ninety percent (90%) of the portion of the Contract Price properly allocated to materials and equipment suitably stored at the site or at some other location agreed upon in writing, for the period covered by the application for payment, less the aggregate of previous payments made by the COUNTY.

3.1.1 At the discretion of the project manager, department director and final authorization by the Public Works Director, once the project reaches 50% completion and the County is holding 5% of the total contract amount, no further retainage may be withheld from the subsequent monthly invoices, provided however, that the project is on schedule. At any time the project falls behind schedule, the County retains the exclusive right to revert back to the original contract terms, by withholding the full 10% retainage, until the project is back on schedule or the project is completed.

3.2 Upon final completion of the work and acceptance of the project, a sum sufficient to increase the total payments to one hundred percent (100%) of the Contract Price, less such amounts as the COUNTY shall determine for all incomplete work, unsettled claims or unused units as provided in the Contract Documents.

ARTICLE 4. CONTRACT DOCUMENTS

This Contract entered into this date by the Lee County Board of County Commissioners and the CONTRACTOR. WITNESSETH that the parties hereto do mutually agree as follows:

The CONTRACTOR shall furnish all labor, equipment, and materials and perform the work above described for the amount stated above in strict accordance with the General Conditions, Supplementary Information, Plans and Specifications and other Contract Documents, all of which are made a part hereof as if attached and enumerated as follows:

4.1 Lee County Request for Bids/Project Manual Titled: Electrical Contractors Continuing Contract

DATED: 2/27/15

4.1.1 Contractors Bid Proposal Dated 3/23/15, ATTACHED AS EXHIBIT "A"

4.2 Project Drawings consisting of the following sheets listed by title and date:

CONSTRUCTION CONTRACT

ARTICLE 4. CONTRACT DOCUMENTS (Continued)

4.3 Public Payment and Performance Bond

4.4 Certificate of Insurance

4.5 Notice of Award

4.6 Addenda

4.7 Documentation submitted by the CONTRACTOR prior to the Notice of Award:

4.8 The following which may be delivered or issued after the effective date of the Agreement and are not attached hereto: All written amendments and other documents amending, modifying or supplementing the Contract Documents pursuant to paragraph 5.6 and 5.7 of the General Conditions (Part F of the Bid Documents).

ARTICLE 5. TIME OF COMMENCEMENT AND SUBSTANTIAL COMPLETION

5.1 Work to be started on the date specified in the official Notice to Proceed.

5.2 Substantial completion shall be achieved not later than the number of days specified in the Bid Proposal.

5.3 Final completion shall be achieved not later than the number of days specified in the Bid Proposal.

Liquidated Damages:

5.4 The COUNTY and CONTRACTOR recognize that time is of the essence of this agreement and that the COUNTY will suffer financial loss if the work is not completed within the times specified in 5.2 and 5.3 above, plus any extensions thereof allowed by Change Order. They also recognize the delays, expense, and difficulties involved in proving in a legal proceeding the actual loss suffered by the COUNTY if the work is not completed on time. Accordingly, instead of requiring any such proof, COUNTY and CONTRACTOR agree that as Liquidated Damages for delay (but not as a penalty) the sum of \$ per day shall be deducted from monies due the CONTRACTOR or paid by the CONTRACTOR to the COUNTY for each calendar day that expires after the time specified for Substantial Completion and the project fails to reach Substantial Completion. The CONTRACTOR shall also be liable for any Actual Damages sustained by the COUNTY due to the CONTRACTOR'S failure to fully complete the work by the time agreed upon for Final Completion in the Contract Documents. Actual Damages may include, but not be limited to: costs related to supervision, inspection, rentals, testing, consulting fees, or lost productivity. The COUNTY shall have the right to deduct all damages due from the final payment request as well as retainage. However, prior to deducting liquidated damages, the COUNTY shall give the CONTRACTOR seven (7) calendar days notice prior to submitting the adjusted amount due to the Clerk for payment.

## CONSTRUCTION CONTRACT

### ARTICLE 6. MISCELLANEOUS PROVISIONS

6.1 Final payments, constituting the entire unpaid balance of the Contract Price shall be paid by the COUNTY to the CONTRACTOR when the work has been completed, the Contract fully performed, and a final Certificate for Payment, form No. CMO:013, has been approved by the COUNTY.

6.2 Terms used in the Agreement which are defined in the General Conditions of the Contract (Part F of the Bid Documents) shall have the meaning designated in those conditions.

6.3 The COUNTY and CONTRACTOR each binds himself, his partners, successors, assigns and legal representatives to the other party hereto, his partners, successors, assigns, and legal representatives in respect to all covenants, agreements, and obligations contained in the Contract Documents.

6.4 The CONTRACTOR shall not assign or transfer any of its rights, benefits, or obligations, except for transfer that result from transfer or consolidation with a third party, without the prior written approval of the COUNTY. The CONTRACTOR shall have the right to employ other persons and/or firms to serve as sub-contractors in connection with the requirements of the Contract Documents.

6.5 The CONTRACTOR agrees through the signing of this agreement by an authorized party or agent that he shall hold harmless and defend the County of Lee and its agents and employees from all suits and action, including attorney's fees, and all cost of litigation and judgements of every name and description arising out of and incidental to the performance of this Contract Document or work performed thereunder, whether or not due to or caused by negligence of the COUNTY, excluding only the sole negligence of the COUNTY. This provision shall also pertain to any claims brought against the COUNTY by any employee of the CONTRACTOR, or sub-contractor(s), or anyone directly or indirectly employed by any of them. The CONTRACTOR'S obligation under this provision shall not be limited in any way to the agreed upon Contract Price as shown in this agreement or the CONTRACTOR'S limit of or lack of sufficient insurance protection.

CONSTRUCTION CONTRACT

In witness whereof, COUNTY and CONTRACTOR have signed this agreement in duplicate. One counterpart has been retained by the Clerk of the Board of County Commissioners, one to the Project Sponsoring Department, and one part each has been delivered to the Lee County Procurement Management, and the CONTRACTOR. All portions of the Contract Document have been signed or identified by COUNTY and CONTRACTOR, or by COUNTY'S CONSULTANT on their behalf.

#### Company Overview

Simmonds Electrical of Naples, Inc. specializes in industrial and commercial service. We are a State certified licensed contractor (EC0000735). We have been serving Collier County since 1982, and several surrounding counties in Southwest Florida. More specifically, have worked in Collier and Lee Counties, including the City of Naples, City of Fort Myers, City of Marco and City of Cape Coral, under various term contracts. Our office is centrally located in the City of Bonita Springs in Lee County.

We are currently under active contract with Collier County for On-Call Electrical Repairs and Maintenance for County-wide facilities (13-6166). Similar term contracts with Lee County, the City of Naples, and District School Board of Collier County are also in effect. We regularly perform work for Utilities Engineering, Water and Wastewater Departments, Facilities, Parks and Recreation, and Transportation departments, to name a few. This includes extensive work with 480V and Variable Frequency Drives, Fiber Optic, UPS systems, Lightning Protection, Medium Voltage. We also contract fire alarm work and have FASA/BASA certification, confined space and arc flash protection training and are UL Certified.

We install and service generators, and offer preventative maintenance services, which have included the City of Naples Public Works generator contract for all 42 units. We also maintain our own rental fleet, readily available for standby power, and storm related emergencies. Our equipment includes skid and trailer mounted generators ranging from 20kW, 40kW on up to 250kW. We are factory trained with Generac and Magnetek.

Over the past 33 years the Company has established good communication channels with customers and vendors. This also includes excellent credit with local and out of state vendors which in turns provides us with reliable sources of materials and good response time from suppliers.

Quality workmanship is the heart of our mission. In our efforts to ensure quality standards, we provide regular training and a reference library for all employees.

Contact: Alicia Abbott (239) 252-5344

Scope of work: Furnish and install 450A service to connect to FPL at North SRO Wellfields

13 869

Project: SCWRF Grit System EQ

Owner: Collier County SCWRF

General Contractor: DN Higgins

Engineer: Hole Montes, Inc.

Contract Amount: \$59,750.00

Start Date: 09/05/2013

Contact: Brandy Bartolone (239) 774-3130

Scope of work: SCWRF Grit Systems/EQ Pump Modifications

13 031\_032

Project: Miscellaneous G-4 Installations

Owner: Lee County

Contract Amount: \$23,048.75

Start Date: 08/28/2013

Contact: Efrain Cruz (239) 533-8718

Scope of work: Furnish and install Concrete poles, conduit, wiring for G-4 cameras

13 929

Project: IQ Reuse Water Valve Replacement

Owner: Haskins, Inc.

Contract Amount: \$32,769.00

Start Date: 08/27/2013

Contact: Ryan MacPhee (239) 947-1846 Cell: (239) 253-7500

Scope of work: Electrical installation for the NCWRF IQ / Reuse water valve replacement project.

13 019\_20\_21\_22

Project: Misc G 4 Installations

Owner: Lee County Public Works

Contract Amount: \$21,960.50

Start Date: 08/16/2013

Contact: Efraín Cruz (239) 533-8718

Scope of work: Furnish and install Concrete poles, conduit, wiring for G-4 cameras.

13 971

Project: Rehab Grit Pumps at Headworks

Owner: Collier County Utility Waste Water

Contract Amount: \$14,471.00

Start Date: 07/19/2013

Contact: Oscar Martinez (239) 252-6214

Scope of work: Rehab 15 HP grit pump assemblies at Headworks.

13 929

Project: Pelican Bay VFD #5 Replacements

Owner: Collier County Waste Water Distribution

Contract Amount: \$2,968.00

Start Date: 07/10/2013

Contact: Rob Kaine (239) 252-6251

Scope of work: Replace C-H VFD At Pelican Bay Pump Station

13 918

Project: SCRWTP -- Replace Feeders MCC5

Owner: Collier County -- Planning & Project Management

Contract Amount: \$49,927.00

Start Date: 06/17/2013

Contact: Alicia Abbott (239) 252-5344

Scope of work: Replace feeders from MCC5 from Buss 2 Feeder

12 771

Project: IQ Pond Level

Owner: Collier County -- Planning & Project Management

Contract Amount: \$49,831.19

Start Date: 03/21/2013

Contact: Aaron Cromer (239) 252-5338

### 3. EMERGENCY RESPONSE

One of the strengths of Simmonds Electrical of Naples Inc is precisely its response approach to work orders. Our scheduling system allows us to schedule multiple projects of any size, keeping track of each individual crew member and equipment on a per job basis.

Use of Gantt charts and custom calendar schedule, coupled with a well trained customer oriented staff has allowed us to provide excellent service and gain high marks from our customers, and especially our local Government entities, including Lee, Collier, City of Naples, City of Marco, City of Ft Myers and City of Cape Coral.

#### Regular Hours of Operation

Business hours are Monday thru Friday 7:00 AM to 5:00 PM

After hours and weekends are scheduled on as needed basis.

#### On-Call Repair/Emergency Work

All incoming calls to **(239) 643-2770** are answered by a live person during regular business hours.

**The telephone system will forward all calls after hours; for round the clock availability.**

Although we may use e-mail extensively for communication and to transmit valuable information, we pride ourselves in continuing the added personal touch, and talk to our customers.

All pertinent information is gathered including the urgency of the need, the caller's name and contact information, the location and details of the situation. **Urgent needs are addressed immediately.**

**The office and crew communicate via mobile phones and can be dispatched to handle emergencies throughout the day or evening. The fleet trucks are stocked with most commonly used electrical parts and tools. Our substantial warehouse inventory of materials is organized and maintained for quick access.** Scheduling is established by carefully coordinating customer, field crew, and other utilities and inspection agencies, if necessary. We make every effort to work with our customers to accommodate their needs. Routine maintenance work or non emergency service projects are scheduled promptly.

#### Equipment and Availability

Simmonds Electrical of Naples, Inc. maintains its own fleet of trucks and equipment. (see Schedule of Company Owned Equipment -Attachment). Our maintenance shop employs a full time mechanic to keep our trucks, equipment, and generators in constant operation.

With our fleet we are ready to quickly respond to a full array of service needs. We are prepared for power outages and projects that require high reach equipment and bucket trucks with working height of up to 151 ft.

The generator fleet includes skid and trailer mounted ranging from 20kW, 40kW, 105kW, and up to 250kW. These are available for rental for emergency power or special events.

#### Hurricane Preparedness

Our staff is both trained and experienced in Hurricane Emergency Response. We maintain a formal hurricane plan and update it regularly.

Our Company was actively involved in assisting the City of Naples and Collier County in securing traffic signalization both before and after hurricane "Charlie" and "Wilma" among other storms. In addition, we supplied generators to several agencies during the hurricanes and insured continuity to services such as traffic and utilities.

#### 4. SAFETY REQUIREMENTS

All employees follow NFPA 70E Standard for Electrical Safety in the Workplace.

Safety meetings are held on a regular basis.

Our work complies with the 2010 NEC, NFPA 70. Crew leaders, in addition to the 2010 NEC NFPA 70 also carry the 2014 FDOT Standard Specifications for Road and Bridge Construction and the 2014 FDOT design Standards for traffic related projects. All projects require adherence to Life Safety NFPA 101, local power company requirements and NFPA 70E:2012 Standard for Electrical Safety in the Workplace. All crew members have been with Simmonds Electrical of Naples for at least five years, and many ten years or longer (see resumes attached).

## LEVEL TWO

The company information, personnel and equipment, emergency response and safety requirements are identical to the Level One response, but have been repeated for clarity in our desire to be compliant with Level Two criteria. The references are more representative of Level Two requirements. Simmonds Electrical of Naples Inc. is ready to meet County bond requirements for projects \$200,000.00 or over.

### 1. COMPANY QUALIFICATIONS

#### Company Information

- Firm Name: Simmonds Electrical of Naples, Inc.

#### Company Overview

Simmonds Electrical of Naples, Inc. specializes in industrial and commercial service. We are a State certified licensed contractor (EC0000735). We have been serving Collier County since 1982, and several surrounding counties in Southwest Florida. More specifically, have worked in Collier and Lee Counties, including the City of Naples, City of Fort Myers, City of Marco and City of Cape Coral, under various term contracts. Our office is centrally located in the City of Bonita Springs in Lee County.

We are currently under active contract with Collier County for On-Call Electrical Repairs and Maintenance for County-wide facilities (13-6166). Similar term contracts with Lee County, the City of Naples, and District School Board of Collier County are also in effect. We regularly perform work for Utilities Engineering, Water and Wastewater Departments, Facilities, Parks and Recreation, and Transportation departments, to name a few. This includes extensive work with 480V and Variable Frequency Drives, Fiber Optic, UPS systems, Lightning Protection, Medium Voltage. We also contract fire alarm work and have FASA/BASA certification, confined space and arc flash protection training and are UL Certified.

We install and service generators, and offer preventative maintenance services, which have included the City of Naples Public Works generator contract for all 42 units. We also maintain our own rental fleet, readily available for standby power, and storm related emergencies. Our equipment includes skid and trailer mounted generators ranging from 20kW, 40kW on up to 250kW. We are factory trained with Generac and Magnetek.

Over the past 33 years the Company has established good communication channels with customers and vendors. This also includes excellent credit with local and out of state vendors which in turns provides us with reliable sources of materials and good response time from suppliers.

Quality workmanship is the heart of our mission. In our efforts to ensure quality standards, we provide regular training and a reference library for all employees.

### 3. EMERGENCY RESPONSE

One of the strengths of Simmonds Electrical of Naples Inc is precisely its response approach to work orders. Our scheduling system allows us to schedule multiple projects of any size, keeping track of each individual crew member and equipment on a per job basis.

Use of Gantt charts and custom calendar schedule, coupled with a well trained customer oriented staff has allowed us to provide excellent service and gain high marks from our customers, and especially our local Government entities, including Lee, Collier, City of Naples, City of Marco, City of Ft Myers and City of Cape Coral.

#### Regular Hours of Operation

Business hours are Monday thru Friday 7:00 AM to 5:00 PM

After hours and weekends are scheduled on as needed basis.

#### On-Call Repair/Emergency Work

All incoming calls to **(239) 643-2770** are answered by a live person during regular business hours.

**The telephone system will forward all calls after hours; for round the clock availability.**

Although we may use e-mail extensively for communication and to transmit valuable information, we pride ourselves in continuing the added personal touch, and talk to our customers.

All pertinent information is gathered including the urgency of the need, the caller's name and contact information, the location and details of the situation. **Urgent needs are addressed immediately.**

**The office and crew communicate via mobile phones and can be dispatched to handle emergencies throughout the day or evening. The fleet trucks are stocked with most commonly used electrical parts and tools. Our substantial warehouse inventory of materials is organized and maintained for quick access.** Scheduling is established by carefully coordinating customer, field crew, and other utilities and inspection agencies, if necessary. We make every effort to work with our customers to accommodate their needs. Routine maintenance work or non emergency service projects are scheduled promptly.

#### Equipment and Availability

Simmonds Electrical of Naples, Inc. maintains its own fleet of trucks and equipment. (see Schedule of Company Owned Equipment -Attachment). Our maintenance shop employs a full time mechanic to keep our trucks, equipment, and generators in constant operation.

With our fleet we are ready to quickly respond to a full array of service needs. We are prepared for power outages and projects that require high reach equipment and bucket trucks with working height of up to 151 ft.

The generator fleet includes skid and trailer mounted ranging from 20kW, 40kW, 105kW, and up to 250kW. These are available for rental for emergency power or special events.

#### Hurricane Preparedness

Our staff is both trained and experienced in Hurricane Emergency Response. We maintain a formal hurricane plan and update it regularly.

Our Company was actively involved in assisting the City of Naples and Collier County in securing traffic signalization both before and after hurricane "Charlie" and "Wilma" among other storms. In addition, we supplied generators to several agencies during the hurricanes and insured continuity to services such as traffic and utilities.

#### 4. SAFETY REQUIREMENTS

All employees follow NFPA 70E Standard for Electrical Safety in the Workplace.

Safety meetings are held on a regular basis.

Our work complies with the 2010 NEC, NFPA 70. Crew leaders, in addition to the 2010 NEC NFPA 70 also carry the 2014 FDOT Standard Specifications for Road and Bridge Construction and the 2014 FDOT design Standards for traffic related projects. All projects require adherence to Life Safety NFPA 101, local power company requirements and NFPA 70E:2012 Standard for Electrical Safety in the Workplace. All crew members have been with Simmonds Electrical of Naples for at least five years, and many ten years or longer (see resumes attached).

## Lee County Tax Collector

2480 Thompson Street  
Fort Myers, Florida 33901  
www.leetc.com Tel: 239.533.6000

Local Business Tax Account: 8901048

Dear Business Owner:

Your 2014-2015 Lee County Local Business Tax Receipt is attached below. The receipt is non-regulatory and is issued using the information currently on file with our office. It does not signify compliance with zoning, health or other regulatory requirements nor is it an endorsement of work quality.

Annual account renewal notices are mailed in August to the address of record at that time; to ensure delivery of your annual notice, mailing addresses may be updated online at [www.leetc.com](http://www.leetc.com). If there is a change in the business name, ownership, physical location or if the business is being closed, please follow the instructions on the back of this letter to transfer or to close the account.

I hope you have a successful year.

Agenda Item Report  
Meeting Date: 5/19/2015

Item No. 18

**TITLE:**

Provide the County with qualified contractors for Electrical Contractors Continuing Contract.

**ACTION REQUESTED:**

- A) Concur with the selection by the Qualifications Selection Committee for RFQ150161, ELECTRICAL CONTRACTORS CONTINUING CONTRACT, and authorize staff to negotiate on a project-by-project basis with the following seven (7) Contractors: A+ Electric LLC; Britannia Electric, Inc.; Cheslosky Electric, Inc.; Cogburn Bros, Inc.; Gulf States Electric, Inc.; Technical Management Associates, Inc.; and Simmonds Electrical of Naples Inc.; with a total annual expenditure amount not-to-exceed \$900,000.00, cumulatively for all awarded contractors, for a contract period of one year with an option to renew for four additional one-year periods, upon mutual agreement of both parties.
- B) Delegate authority, solely to the County Manager, to approve project awards in excess of \$100,000 provided the cumulative annual expenditure for all projects does not exceed the annual total \$900,000.00.
- C) Projects will only be awarded under this contract if the estimated construction cost is less than \$300,000; projects of \$300,000 or more must be subject to a separate sealed bid process per statutory requirements.
- D) Grant the Procurement Director with County Administration approval the authority to renew this agreement for four additional one-year periods, at the same terms and conditions, if doing so is in the best interest of Lee County.
- E) Authorize the Chair to execute contracts on behalf of the Board upon receipt.

**FUNDING:**

LCU estimates annual expenditures of approximately \$900,000 for this project. These services are funded from the Enterprise Fund, and they are included in the LCU FY14/15 Operating and Capital Improvements Budgets.

The annual contract may be renewed for up to four additional one-year periods, with an total expenditure limit of \$900,000 each year. Funds will be available each year from the LCU Operating and Capital Improvements Budgets.

Funds: Lee County Utilities Operating and Capital Improvements Funds; Programs – Water Treatment Plants, Wastewater Treatment Plants, Wastewater Collection and Capital Projects; Other Contracted Services, Furniture and Equipment.

Funds are available in account strings: OD5360148700.503490, OD5360448700.503490, OD5360548700.503490, OD5361848700.503490, OD5361948700.503490, OD5362048700.503490, OD5362448700.503490, OD5362748700.503490, OD5362848700.503490, OD5362948700.503490, OD5363148700.503490, OD5365148700.503490, 20713848730.506410, 20714948730.506410, 20726848730.506410, 20744448730.506410, 40731748720.503490, 40743948730.503490, 40760348720.503490.

**WHAT ACTION ACCOMPLISHES:**

This item provides Lee County Utilities with seven (7) contractors to perform work on an "as needed" basis. The contractors will be performing electrical installations and repairs at LCU's water, waste water,

**Background:**

Letters of Qualifications were solicited on behalf of the Board of County Commissioners for RFQ150161, ELECTRICAL CONTRACTORS CONTINUING CONTRACT.

The deadline for receipt of the Qualification Submittals was March 23, 2015. A total of seven (7) submittals were received by the established date. All seven (7) submittals were considered at the Qualification Selection Committee meeting held on April 6, 2015. The Qualification Selection Committee consisted of the following staff members: Pam Keyes, Director of Public Utilities, Non-Voting Chair; Hank Barroso, Utilities Plant Operations; Doug Meyer, Utilities Electrical and Instrumentation Manager; and John Post, Utilities Electrical Superintendent.

After reviewing the seven (7) submittals it was determined by the Selection Committee that all contractors meet the minimum qualification requirements. Therefore on the basis of the information submitted by the Contractors in their Qualification Statements, and after ranking the submittals by compliance with the requirements of the RFQ and the project, it was the consensus of the Committee to recommend award to and authorize staff to negotiate on a project-by-project basis with the following seven (7) Contractors: A+ Electric LLC; Brittania Electric, Inc.; Cheslosky Electric, Inc.; Cogburn Bros, Inc.; Gulf States Electric, Inc.; Technical Management Associates, Inc.; and Simmonds Electrical of Naples, Inc.; with an anticipated annual expenditure amount of \$900,000.00 for a contract period of one year, and with an option to renew for four additional one-year periods, upon mutual agreement of both parties.

A+ Electric LLC and Brittania Electric, Inc. only wish to be considered for projects not exceeding \$200,000.00, as stated in their Qualifications Statements and consistent with the minimum submittal requirements.
