PRICE AND PRODUCT CHANGE REQUEST FORM**

Supplier Name: Cummins Inc.

Sourcewell Contract Number: 092222-CMM (Contract)

**Instructions**

A request for product or service changes, additions, or deletions to the Contract will be considered at any time throughout the Contract term. All modifications must be within the scope of the original RFP and be in the best interests of Sourcewell and Sourcewell Participating Entities. If approved, the request will be incorporated into the above-referenced contract; however, no changes will be binding unless the request is approved by the Manager of Supplier Development and this request is signed by Sourcewell’s Chief Procurement Officer.

*Additions:* New products and related services may be added to the contract if they are within the scope of the original RFP.

*Deletions:* Products and related services may be deleted from the contract if they are no longer available.

*Price increases:* Price increase requests must provide sufficient justification for the change (e.g., recently imposed tariffs or significant petroleum cost increases), not merely generalized statements requesting the increase.

*Price decreases:* Price decreases are accepted at any time.

Submit this request to the assigned Sourcewell Supplier Development Administrator.
