For the past several years the County has piggybacked on the Lee County School Board's bid for Electrical Supplies. With the expiration of that bid, and no intent to rebid by the School Board a new source of supply was required. After researching it was found to be in the best interest of the County to Piggyback the TCPN cooperative bid for these supplies.

Therefore, approval is requested of the award of project PB160130 the ANNUAL PURCHASE OF ELECTRICAL SUPPLIES FOR COUNTY-WIDE USE via a discount price agreement based on the competitively bid pricing of the TCPN (The Cooperative Purchasing Network) RFP # 12-17 - Cabling and Networking Products Services Contract from Anixter Power Solutions and Presidio Networked Solutions. Term of the agreement is through March 31, 2017 with a request for authority to continue to use future TCPN bids awarded to Anixter Power Solutions and Presidio Networked Solutions for the annual purchase of electrical supplies if doing so is in the best interest of Lee County.
