 - 2. A copy of the original bid forms for the Director.

- c. The following must be submitted along with the bid in a separate envelope. This envelope must be marked as described above, but instead of marking the envelope as “Sealed Bid”, please indicate the contents; i.e., literature, drawings, submittals, etc. This information must be submitted in duplicate.
 - 1. Any information (either required or in addition to that asked for by the specifications) necessary to analyze your bid; i.e., required submittals, literature, technical data, financial statements.
 - 2. Warranties and guarantees against defective materials and workmanship.

- d. **BIDS RECEIVED LATE:** It is the bidder’s responsibility to ensure the bid is received by the Division of Procurement Management prior to the opening date and time specified. Any bid received after the opening date and time will be promptly returned to the bidder unopened. Lee County will not be responsible for bids received late because of delays by a third party delivery service; i.e., U.S. Mail, UPS, Federal Express, etc.

- e. **BID CALCULATION ERRORS:** In the event there is a discrepancy between the total quoted amount or the extended amounts and the unit prices quoted, the unit prices will prevail and the corrected sum will be considered the quoted price.

- f. **PAST PERFORMANCE:** All vendors will be evaluated on their past performance and prior dealings with Lee County (i.e., failure to meet specifications, poor workmanship,

late delivery, etc.). Poor or unacceptable past performance may result in bidder disqualification.

- g. **WITHDRAWAL OF BID:** No bid may be withdrawn for a period of 90 days after the scheduled time for receiving bids. A bid may be withdrawn prior to the bid-opening date and time. Such a request to withdraw must be made in writing to the Director, who will approve or disapprove of the request.
- h. **COUNTY RESERVES THE RIGHT:** The County reserves the right to exercise its discretion, to waive minor informalities in any bid; to reject any or all bids with or without cause; and/or to accept the bid that in its judgment will be in the best interest of the County of Lee.
- i. **EXECUTION OF BID:** All bids shall contain the signature of an authorized representative of the bidder in the space provided on the quote proposal form. All bids shall be typed or printed in ink. The bidder may not use erasable ink. All corrections made to the bid shall be initialed.

2. **ACCEPTANCE**

The materials and/or services delivered under the bid **shall** remain the property of the seller until a physical inspection and actual usage of these materials and/or services is accepted by the County and is deemed to be in compliance with the terms herein, fully in accord with the specifications and of the highest quality. In the event the materials and/or services supplied to the County are found to be defective or do not conform to specifications, the County reserves the right to cancel the order upon written notice to the seller and return such product to the seller at the seller's expense.

3. **SUBSTITUTIONS**

Whenever in these specifications a brand name or make is mentioned, it is the intention of the County only to establish a grade or quality of materials and not to rule out other brands or makes of equal quality. However, if a product other than that specified is bid, it is the vendor's responsibility to name such product with his bid and to prove to the County that said product is equal to the product specified. Lee County **shall** be the sole judge as to whether a product being offered by the bidder is actually equivalent to the one being specified by the detailed specifications. (Note: This paragraph does not apply when it is determined that the technical requirements of this solicitation will require a specific product only, as stated in the detailed specifications.)

4. **RULES, REGULATIONS, LAWS, ORDINANCES & LICENSES**

The awarded vendor shall observe and obey all laws, ordinances, rules, and regulations, of the federal, state, and local government, which may be applicable to the supply of this product or service. The awarded vendor has attested to compliance with the applicable immigration laws of the United States in the attached affidavit. Violations of the immigration laws of the United States shall be grounds for unilateral termination of the awarded agreement.

- a. Local Business Tax – Vendor shall submit within 10 calendar days after request.
- b. Specialty License(s) – Vendor shall possess at the time of the opening of the bid all necessary permits and/or licenses required for the sale of this product and/or

service and upon the request of the County will provide copies of licenses and/or permits within 10 calendar days after request.

- c. The geographic preference established in the Local Vendor Preference ordinance is applicable to all Lee County procurement activities unless otherwise specifically noted in the solicitation package. Provided, however, the Local Vendor Preference ordinance is not applicable to procurement activity or solicitations involving Federal Transit Administration grant funds.
- d. Florida Statutes Section 607.1501 (1) states: A foreign corporation may not transact business in this state until it obtains a certificate of authority from the Department of State.

5. **WARRANTY/GUARANTY** (unless otherwise specified)

All materials and/or services furnished under this bid shall be warranted by the vendor to be free from defects and fit for the intended use.

6. **PRE-BID CONFERENCE**

A pre-bid conference will be held at the location, date, and time specified on the cover of this solicitation. Pre-bid conferences are generally non-mandatory, but it is highly recommended that everyone planning to submit a bid attend.

In the event a pre-bid conference is classified as mandatory, it will be so specified on the cover of this solicitation and it will be the responsibility of the bidder to ensure that they are represented at the pre-bid. Only those bidders who attend the pre-bid conference will be allowed to bid on this project.

7. **LEE COUNTY PAYMENT PROCEDURES**

All vendors are requested to mail an original invoice to:

Lee County Finance Department
Post Office Box 2238
Fort Myers, FL 33902-2238

All invoices will be paid as directed by the Lee County payment procedure unless otherwise differently stated in the detailed specification portion of this bid.

Lee County will not be liable for requests for payment deriving from aid, assistance, or help by any individual, vendor, or bidder for the preparation of these specifications.

Lee County is generally a tax-exempt entity subject to the provisions of the 1987 legislation regarding sales tax on services. Lee County will pay those taxes for which it is obligated, or it will provide a Certificate of Exemption furnished by the Department of Revenue. All contractors or bidders should include in their bid all sales or use taxes, which they will pay when making purchases of material or subcontractor's services.

8. **LEE COUNTY BID PROTEST PROCEDURE**

Any contractor/vendor/firm that has submitted a formal bid/quote/proposal to Lee County, and who is adversely affected by an intended decision with respect to the award of the formal bid/quote/proposal, must file a written "Notice of Intent to File a Protest" with the Lee County

Procurement Management Director not later than seventy-two (72) hours (excluding Saturdays, Sundays and Legal Holidays) after receipt of the County's "Notice of Intended Decision" with respect to the proposed award of the formal bid/quote/proposal.

The "Notice of Intent to File a Protest" is one of two documents necessary to perfect Protest. The second document is the "Formal Written Protest", both documents are described below.

The "Notice of Intent to File a Protest" document must state all grounds claimed for the Protest, and clearly indicate it as the "Notice of Intent to File a Protest". Failure to clearly indicate the Intent to file the Protest shall constitute a waiver of all rights to seek any further remedies provided for under this Protest Procedure.

The "Notice of Intent to File a Protest" shall be received ("stamped in") by the Procurement Management Director or Public Works Director not later than Four o'clock (4:00) PM on the third working day following the day of receipt of the County's Notice of Intended Decision.

The affected party shall then file its Formal Written Protest within ten (10) calendar days after the time for the filing of the Notice of Intent to File a Protest has expired. Except as provided for in the paragraph below, upon filing of the Formal Written Protest, the contractor/vendor/firm shall post a bond, payable to the Lee County Board of County Commissioners in an amount equal to five percent (5%) of the total bid/quote/proposal, or Ten Thousand Dollars (\$10,000.00), whichever is less. Said bond shall be designated and held for payment of any costs that may be levied against the protesting contractor/vendor/firm by the Board of County Commissioners, as the result of a frivolous Protest.

A clean, Irrevocable Letter of Credit or other form of approved security, payable to the County, may be accepted. Failure to submit a bond, letter of credit, or other approved security simultaneously with the Formal Written Protest shall invalidate the protest, at which time the County may continue its procurement process as if the original "Notice of Intent to File a Protest" had never been filed.

Any contractor/vendor/firm submitting the County's standard bond form (CMO: 514), along with the bid/quote/proposal, shall not be required to submit an additional bond with the filing of the Formal Written Protest.

The Formal Written Protest shall contain the following:

- County bid/quote/proposal identification number and title.
- Name and address of the affected party, and the title or position of the person submitting the Protest.
- A statement of disputed issues of material fact. If there are no disputed material facts, the Formal Protest must so indicate.
- A concise statement of the facts alleged, and of the rules, regulations, statutes, or constitutional provisions, which entitle the affected party to relief.
- All information, documents, other materials, calculations, and any statutory or case law authority in support of the grounds for the Protest.

- A statement indicating the relief sought by the affected (protesting) party.
- Any other relevant information that the affected party deems to be material to Protest.

Upon receipt of a timely filed “Notice of Intent to File a Protest”, the Procurement Management Director or Public Works Director (as appropriate) may abate the award of the formal bid/quote/proposal as appropriate, until the Protest is heard pursuant to the informal hearing process as further outlined below, except and unless the County Manager shall find and set forth in writing, particular facts and circumstances that would require an immediate award of the formal bid/quote/proposal for the purpose of avoiding a danger to the public health, safety, or welfare. Upon such written finding by the County Manager, the County Manager may authorize an expedited Protest hearing procedure. The expedited Protest hearing shall be held within ninety-six (96) hours of the action giving rise to the contractor/vendor/firm’s Protest, or as soon as may be practicable for all parties. The “Notice of Intent to File a Protest” shall serve as the grounds for the affected party’s presentation and the requirements for the submittal of a formal, written Protest under these procedures, to include the requirement for a bond, shall not apply.

The Dispute Committee shall conduct an informal hearing with the protesting contractor/vendor/firm to attempt to resolve the Protest, within seven working days (excluding Saturdays, Sundays and legal holidays) from receipt of the Formal Written Protest. The Chairman of the Dispute Committee shall ensure that all affected parties may make presentations and rebuttals, subject to reasonable time limitations, as appropriate. The purpose of the informal hearing by the Dispute Committee, the protestor and other affected parties is to provide an opportunity: (1) to review the basis of the Protest; (2) to evaluate the facts and merits of the Protest; and (3) to make a determination whether to accept or reject the Protest.

Once a determination is made by the Dispute Committee with respect to the merits of the Protest, the Dispute Committee shall forward to the Board of County Commissioners its recommendations, which shall include relevant background information related to the procurement.

Upon receiving the recommendation from the Dispute Committee, the Board of County Commissioners shall conduct a hearing on the matter at a regularly scheduled meeting. Following presentations by the affected parties, the Board shall render its decision on the merits of the Protest.

If the Board’s decision upholds the recommendation by the Dispute Committee regarding the award, and further finds that the Protest was either frivolous and/or lacked merit, the Board, at its discretion, may assess costs, charges, or damages associated with any delay of the award, or any costs incurred with regard to the protest. These costs, charges or damages may be deducted from the security (bond or letter of credit) provided by the contractor/vendor/firm. Any costs, charges or damages assessed by the Board in excess of the security shall be paid by the protesting contractor/vendor/firm within thirty (30) calendar days of the Board’s final determination concerning the award.

All formal bid/quote/proposal solicitations shall set forth the following statement:

“FAILURE TO FOLLOW THE BID PROTEST PROCEDURE REQUIREMENTS WITHIN THE TIMEFRAMES AS PRESCRIBED HEREIN AND ESTABLISHED BY

LEE COUNTY BOARD OF COUNTY COMMISSIONERS, FLORIDA, SHALL CONSTITUTE A WAIVER OF YOUR PROTEST AND ANY RESULTING CLAIMS.”

9. **PUBLIC ENTITY CRIME**

Any person or affiliate as defined by statute who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid or a contract to provide any goods or services to the County; may not submit a bid on a contract with the County for the construction or repair of a public building or a public work; may not submit bids or leases of real property to the County; may not be awarded or perform works as a contractor, supplier, subcontractor, or consultant under a contract with the County, and may not transact business with the County in excess of \$25,000.00 for a period of 36 months from the date of being placed on the convicted vendor list.

12. **MISCELLANEOUS**

13. **WAIVER OF CLAIMS**

After that period, the County will consider the Contractor to have waived any right to claims against the County concerning this agreement.

14. **AUTHORITY TO PIGGYBACK**

15. **COUNTY RESERVES THE RIGHT**

a) **State Contract**

If applicable, the County reserves the right to purchase any of the items in this bid from State Contract Vendors if the prices are deemed lower on State Contract than the prices we receive in this quotation.

In the event of breach of any of the above anti-discrimination covenants, the County shall have the right to impose sanctions as it may determine to be appropriate, including withholding payment to the vendor or canceling, terminating, or suspending this contract, in whole or in part.

Additionally, the vendor may be declared ineligible for further County contracts by rule, regulation or order of the Board of County Commissioners of Lee County, or as otherwise provided by law.

The vendor will send to each union, or representative of workers with which the vendor has a collective bargaining agreement or other contract of understanding, a notice informing the labor union of worker's representative of the vendor's commitments under this assurance, and shall post copies of the notice in conspicuous places available to the employees and the applicants for employment.

The vendor will take such actions with respect to any subcontractor, as the contracting agency may direct, as a means of enforcing such provisions, including sanctions for non-compliance.

16. **AUDITABLE RECORDS**

The awarded vendor shall maintain auditable records concerning the procurement adequate to account for all receipts and expenditures, and to document compliance with the specifications. These records shall be kept in accordance with generally accepted accounting methods, and Lee County reserves the right to determine the record-keeping method required in the event of non-conformity. These records shall be maintained for two years after completion of the project and shall be readily available to County personnel with reasonable notice, and to other persons in accordance with the Florida Public Disclosure Statutes.

17. **DRUG FREE WORKPLACE**

The Procurement Management Director may immediately terminate any agreement as a result of this bid for emergency purposes, as defined by the Lee County Purchasing and Payment Procedure Manual.

Any vendor who has voluntarily withdrawn from a formal bid/proposal without the County's mutual consent during the contract period shall be barred from further County procurement for a period of 180 days. LEE COUNTY, FLORIDA
DETAILED SPECIFICATIONS
FOR
EQUIPMENT RENTAL

SCOPE

The intent of this quote is to establish a contract for the rental of power and non-power equipment for various Lee County departments and divisions.

Proposer is required to indicate whether the Firm and/or any proposed sub-consultants are Disadvantaged Business Enterprises (DBE). Lee County encourages the utilization and participation of DBEs in procurements, and evaluation proceedings will be conducted within the established guidelines regarding equal employment opportunity and nondiscriminatory action based upon the grounds of race, color, sex or national origin. Interested certified Disadvantaged Business Enterprise (DBE) firms as well as other minority-owned and women-owned firms are encouraged to respond.

TERM OF AWARD

If awarded, the terms of this solicitation shall be in effect for one year or until new quotes are taken and awarded. The County reserves the right to renew this quote (or any portion thereof) and to negotiate lower pricing as a condition for each renewal, for up to four additional one-year periods, upon mutual agreement of both parties and, except as to lower pricing, under the same terms and conditions.

QUALIFICATIONS

The awarded vendor(s) shall have up-to-date, professional quality equipment.

BASIS OF AWARD/QUOTED RATES

All vendors meeting the requirements of these specifications will receive an award. It is the County's intent to award to a pool of vendors; this will allow individual departments and divisions to use the vendor that has the needed equipment within the closest proximity to their location and the most reasonable price.

Vendors shall submit pricing offering an internet address or on cd-rom at the same time as their quote. This shall include daily, weekly, and monthly rates for all equipment. Delivery of the equipment may or may not be required; therefore, a separate column/category covering delivery charges either by piece of equipment or by the mile – whichever is appropriate should be provided.

We realize that some delivery charges may vary depending on the type and size of the equipment. Delivery charges may be negotiated when necessary.

NOTE: If your rates will vary throughout the calendar year – i.e., seasonal rates – this should be addressed via a separate column or price schedule.

NOTE: If your rates will change in the event of a disaster – i.e., hurricane – this should be addressed via a separate column or price schedule.

Also, if you have locations in other areas of the State please list the locations and contacts so that in the event of a disaster we would be able to get the equipment we need from locations outside our area.

All rates shall be quoted based on an 8 hour work shift. For the purposes of this quote, a day shall consist of 8 hours, a week shall consist of 5 work days (40 hours), and a month shall consist of 20 work days (160 hours).

One day rentals will be returned 24 hours after pick up.

All miscellaneous charges (i.e., "Environmental Charge, battery disposal fees, etc.") shall be clearly stated on all invoices.

When feasible, county personnel will go to the lowest cost vendor; however they are not obligated to do so.

*****NOTE: Lee County is covered by a blanket insurance policy; therefore, "collision", "physical", "LDW", etc. insurance coverages supplied by the vendor will not be necessary and should not be factored into your quoted rates. The only exception is for vehicles registered for the road, physical damage insurance quotes should be provided. (In the event that Lee County supplies physical damage insurance, quotes will no longer be necessary). Proof of the County's insurance coverage will be supplied when requested on a case-by-case basis.**

NOTE: All rates quoted shall be for equipment only, operators are not required. All equipment rented by the County shall be in good operating condition and ready to function; including a full tank of fuel. Units will be returned with a full fuel tank. Lee County will not be responsible for cleaning the equipment before it is returned to the vendor.

Pricing shall include overtime rates which shall be calculated as follows:

Daily rentals: The rate for overtime shall be one-eighth of the daily rate for each hour in excess of eight, or weekly.

Weekly rentals: The rate for overtime shall be 1/40 of the weekly rate for each hour in excess of 40; or monthly.

Monthly rentals: The rate for overtime shall be 1/160 of the monthly rate for each hour in excess of 160 hours.

Pricing shall also state the number of "free" miles included under the quoted rental charge; and your charge per mile for each piece of equipment as applicable.

The quoted rates shall include all standard accessories necessary to make the equipment operable. Lee County will purchase all needed consumables, i.e., drill bits, blades, etc. Pricing shall include a list of the costs of consumables for the equipment listed.

PRODUCT PRICE GUIDES

As a requirement of the quote the awarded vendor (s) shall at no cost to Lee County provide an Internet Link or CD-Rom to identify rented goods and to verify the cost of such goods. The department prefers an internet link to be able to confirm pricing.

Please indicate the format in which this information will be provided to all the participating departments.

PRICE ESCALATION/DE-ESCALATION

Offers are submitted with the understanding that no price increases will be authorized for 365 calendar days after the effective date of the contract. Upward price adjustments may be permitted only at the end of this period and only where verified to the satisfaction of the Division of Procurement as provided herein. **However, "across the board" price decreases are subject to implementation at any time and shall be immediately conveyed to the County.**

The awarded vendor(s) shall not give less than 30 days advance written notice of a price increase to the Division of Procurement. Any approved price change will be effective only at the beginning of the calendar month following the end of the full 30-day notification period. The vendor shall document the amount and proposed effective date of the change in price. The price change must affect all accounts serviced by the vendor. Documentation shall be supplied with vendor's request for increase which will: (1) verify that the requested price increase is general in scope and not applicable just to the County; and (2) verify the amount or percentage of increase which is being passed on to the vendor by others not under the control of the vendor. Failure by the vendor to supply the aforementioned verification with the request for price increase will result in delay of the effective date of such increase. The Division of Procurement may make such verification as deemed adequate. However, an increase, which the Division of Procurement determines is excessive, regardless of any documentation supplied by the vendor, may be cause for cancellation of the contract by the Division of Procurement. The Division of Procurement will notify using agencies and vendor in writing of the effective date of any increase, which is approved. However, the Vendor shall fill all purchase orders received prior to the effective date of the price adjustment at the old contract prices. The Vendor is further advised that price decreases that affect the cost of materials, labor, and transportation are required to be passed on to the County immediately. Failure to do so will result in action to recoup such amounts.

SAFETY

All equipment rented to Lee County shall be maintained in safe operating condition at all times, free from defects or wear which may in any way constitute a hazard to any person or persons on County property. All electrical equipment will be properly grounded.

As applicable, the equipment shall meet all commercial and OSHA safety standards, and include the following safety features:

- a. Protection from pinch and crush points;
- b. Labeling of all controls;
- c. Non-skid surface(s) for operator areas;
- d. Protective guards over all moving parts;

- e. Handles and guards where necessary;
- f. Alarms;
- g. Seatbelts.

Warning and instruction labels shall be conspicuously placed and easily readable (i.e., not covered with dirt or grease) on all equipment where applicable.

ADDING OR DELETING VENDORS AND PRODUCT

The County reserves the right to do the following:

As new products and vendors become available we may add them to the quote.

New products may be added to an existing vendors list through negotiation.

As we find more products that we can use we can add new vendors to the quote at anytime using negotiation.

TRAINING

Upon request by Lee County personnel, the awarded vendor shall provide fundamental training in the basic and safe operation of the rented equipment. There shall be no extra charge for this training.

SERVICING OF EQUIPMENT

All servicing of equipment, during and at the end of the rental period, shall be the vendor's responsibility.

PLEASE STATE THE NUMBER OF SERVICE TRUCKS AND FIELD SHOP PERSONNEL YOU HAVE WHICH ARE DEDICATED SOLELY TO THE LEE COUNTY AREA.

SERVICE TRUCKS: _____

FIELD SHOP PERSONNEL: _____

PREVENTATIVE MAINTENANCE – LEE COUNTY’S RESPONSIBILITY

Lee County will be responsible for performing, and purchasing the necessary supplies for, the following preventative maintenance items:

- a. Fuel for the equipment;
- b. Vital fluid level checks (i.e., oil) on a timetable as specified by the renting agency;
- c. General lubrication (i.e., greasing) on a timetable as specified by the renting agency.

PREVENTATIVE MAINTENANCE – VENDORS RESPONSIBILITY

If requested, the vendor shall provide County personnel with a walk-through of preventative maintenance procedures. Further, all instructional labels covering these procedures affixed to the equipment shall be clean (i.e., not covered with dirt or grease) and easily readable.

It shall be the awarded vendor's responsibility to inform appropriate County personnel of the preventative maintenance required for each piece of equipment when the County takes possession of the unit(s).

The following preventative services should be done by the vendor unless otherwise agreed upon by the vendor and a County representative:

oil & filter changes
air filter changes
any other filter changes etc.

NORMAL WEAR AND TEAR

For the purposes of this quote, "normal wear and tear" shall be defined as that which would be expected to result from the use of the equipment under normal circumstances, provided the equipment is properly maintained and serviced.

Lee County will not pay for normal wear and tear on any rented equipment (i.e., normal wear on track equipment)

EQUIPMENT REPAIRS

Lee County will be responsible for repairs to rented equipment only when repairs are necessary due to either obvious abuse or physical accident (where the County is found at fault).

NOTE: Any charges (i.e., for repairs) in addition to the normal rental rate shall be documented and submitted to Lee County within five (5) working days following the return of the equipment.

EQUIPMENT PICK UP AND RETURN

Unless otherwise requested, Lee County departments and divisions will pick up and return all rented equipment.

If the equipment needs to be picked up and delivered and the cost will exceed the quoted price due to size of the equipment, delivery location etc. the County can negotiate the delivery terms with the vendor.

EQUIPMENT FAILURE

In the event a piece of rented equipment fails at the job site, it shall be the vendor's responsibility to, at his expense, either perform on-site repairs or deliver to the site an equal replacement and remove the failed unit.

The length of the equipment downtime shall be deducted from the total rental charge for the unit. Downtime shall be measured in hours, and fractions thereof. For the purposes of this quote, downtime shall begin when the County notifies the vendor of a problem with the equipment, and end when repairs are successfully completed or a replacement unit is in place at the job site.

Should the awarded vendor be unable to either repair or replace the failed equipment within two (2) hours after notification, Lee County reserves the right to rent the equipment elsewhere.

DESIGNATED CONTACT

The awarded vendor shall appoint a person or persons to act as a primary contact with Lee County. This person or backup shall be readily available during normal work hours by phone or in person, and shall be knowledgeable of the terms and procedures involved.

RENTAL AGREEMENTS

For the purposes of this quote, the purchase order shall serve as the only contract/rental agreement for the rental of any and all equipment. (All terms and conditions as stated in these specifications shall also apply.)

ESTIMATED DOLLAR VOLUME

The estimated expenditure for equipment rental in the next 12 months is approximately \$190,000, however, no guarantees are expressed or implied.

MAJOR BREAKDOWNS/NATURAL DISASTERS

Lee County requires that the awarded vendor(s) provide the names of two contact personal and phone numbers which will afford Lee County access twenty-four hours per day, 365 days per year, to provide rental equipment in the event of major breakdowns or natural disasters.

In the event of a natural disaster the County has the right to reserve equipment for a period of one week from date of initial notification, at no charge to the County. The County will then decide if the equipment is needed and either cancel the equipment or proceed with the normal rental procedure. If equipment cannot be provided locally and you are affiliated with a national company we would expect you to bring in equipment from one of your other locations to meet the needs of the County during the disaster.

DESIGNATED CONTACT

The awarded vendor shall appoint a person or persons to act as a primary contact for all County departments. This person or back-up shall be readily available during normal work hours by phone or in person, and shall be knowledgeable of the terms and procedures involved.
