which allows a firm certified as a Drug-Free Workplace to have precedence. When evaluation of Contractor responses to solicitations results in identical offers, with regards to bids or quotations, or identical ranking with regards to proposals, from two or more Contractors, the County shall determine the order of award using the following criteria in order of preference listed below (from highest priority to lowest priority):

- a. For tie bids, quotations or proposals, priority shall be given to the Contractor certifying that he/she is a Drug-Free Workplace as defined within 287.087, Fla. Stat., as amended from time to time;
- b. In the event that a tie still exists after progressing through a, the decision shall be made by lot or coin toss. The drawing of lots or coin toss shall be conducted in the presence of the effected Contractors if they elect to be present.

56. **CONTRACTOR COMPLAINTS AND DISPUTES:** Brevard County encourages prompt and fair handling of all complaints and disputes with the business community. In order to resolve disputed matters in an equitable manner, the following procedures are adopted:

a. **POSTING OF AWARD NOTICES**

FORMAL SEALED BIDS: No later than three business days after a bid opening the Purchasing Manager or his/her designee shall post a tabulation of competitive sealed bids to the [VendorLink](#) website. The apparent responsive low contractor will be the intended award recommendation. If after posting the tabulation, the apparent low contractor is found to be non-responsive to the specifications, a revised tabulation will be posted indicating that the low contractor is non-responsive, and that the next lowest contractor is the intended awardee. The time for filing a protest will begin the date of the later posting.

b. **PROCEEDINGS**

Any vendor or contractor who is allegedly aggrieved in connection with the solicitation or intended award recommendation of a solicitation must file a written protest with the Purchasing Manager no later than 5:00 p.m. on the 5th full business day after the intended award was posted.

The written protest shall reference the bid, quote, proposal, or qualification number, identify the protestor, and contain a factual summary upon which the protest is based, including full details of adverse effects and the relief sought.

Within seven (7) business days of receipt of the written protest, the Purchasing Manager will meet with the protester to attempt to resolve the protest. The Purchasing Manager will issue a written decision to the protester on the merits of the protest.

The protester may appeal the Purchasing Manager's decision, in writing, within five (5) business days after the date of the written decision by the Purchasing Manager. This appeal by the protester elevates the matter to a formal Protest Committee.

Within seven (7) business days after receipt of the protester's appeal to the Purchasing Manager's decision, the Purchasing Manager will arrange a meeting of the Protest Committee and the protester. The Protest Committee shall consist of two (2) Department Directors or designees, both of whom must be from an organizational group which the user department or group is not assigned; and one (1) Assistant County Manager, who must be from an organizational group which the user department or group is not assigned under.

The Purchasing Manager shall act as a non-voting Hearing Coordinator and the County Attorney or designee may be requested to attend as a non-voting member. Public meeting notices will be posted.

The Purchasing Analyst will record the meeting and provide any information as the Committee may request. The purpose of the meeting of the Protest Committee is to provide an opportunity to: review the basis of the protest, evaluate the facts and merits of the protest and, if possible, to reach a resolution of the protest. For the purpose of the Protest Committee hearing, resolution shall mean the protestor finds the decision of the Protest Committee acceptable. Protestor shall notify the Purchasing Manager no later than 5:00 p.m. on the third business day following the Protest Committee.

In the event the matter is not resolved with the protestor's acceptance of the Protest Committee's decision, the Central Services Director will schedule the recommended award including the details of the protest and the Protest Committee's recommendation before the Board of County Commissioners via Board agenda. The County Manager, prior to approval and placement on the Board agenda, may elect to resolve the matter before presentation to the Board. If the County Manager cannot bring the matter to resolution, a copy of the Agenda Report will be furnished immediately to all affected parties. The affected

parties may appear before the Board of County Commissioners as a final means of administrative remedy.

STAY OF PROCUREMENTS DURING PROTESTS

Failure to observe any or all of the above procedures shall constitute a waiver the right to protest a contract award. In the event of a timely protest under the procedure, the County shall not proceed further with solicitation or with the award until a recommendation is made by the Committee, or a written determination is made by the County Manager that the award must be made immediately in order to protect the public interest. Invoice disputes between an awarded Contractor and user agency will follow the guidelines set forth in AO-33, *Prompt Payment of Invoices*.

- 57. Federal Emergency Management Agency (FEMA) Contract Requirements:** During a hurricane, civil disturbance, or other County declared emergency, the Contractor will be required to begin response within one hour after notification and be on site no later than two hours after notification unless due to circumstances beyond control of the Contractor (roadway damage, etc.). Cost of the service will be at the non-standard working hours. If State of Florida declares a State of Emergency, Contractor agrees to the terms outlined in the Federal Emergency Management Agency (FEMA) Contract Requirements (Attachment A).
- 58.** Unless otherwise specified in this solicitation, all contracts are non-exclusive and the County may employ other professional or technical personnel to furnish services for the County, as the County, in its sole discretion, finds is in the public interest. The County reserved the right to assign such work to the Contractors as it may approve in the sole discretion of the County.
- 59.** Section 286.101 of Florida Statutes requires all prospective contractors and grant recipients seeking to contract with the County, or receive a grant from the County, where said

contract or grant has a value of \$100,000 or more must disclose to the County (1) any current or prior interest of,

The disclosure is specified below. Within one year before applying for any grant or proposing any Contract, such entity must provide a copy of such disclosure to the Department of Financial Services. An interest in an entity means any direct or indirect investment in or loan to the entity valued at 5 percent or more of the entity's net worth or any form of direct or indirect control exerting similar or greater influence on the governance of the entity.

- 60.** Pursuant to Florida Statutes § 287.05701, the County shall not consider, give preference based upon, or request documentation regarding a vendor's social, political, or ideological interests when determining the vendor's qualifications.
