### MISCELLANEOUS CHARGES

All miscellaneous charges (e.g., Environmental Charge, battery disposal fees, etc.) shall be clearly stated on all invoices.

### RE-FUELING OF CARTS

If the County returns to the Vendor a gasoline powered cart that does not have a full tank of gas, the Vendor shall re-fuel the cart at the current prevailing average pump price for regular unleaded gasoline (Fort Myers/Lee County area) in effect at the time. Under no circumstances shall an "up charge" or premium be applied to fuel used to re-fuel carts rented under this Agreement.

### PRICE ESCALATION/DE-ESCALATION

No price increases will be authorized for 365 calendar days after the effective date of this Agreement. Upward price adjustments may be permitted only at the end of this period and only where verified to the satisfaction of the County's Procurement Management Department as provided herein. However, "across the board" price decreases are subject to implementation at any time and shall be immediately conveyed to the County.

The Vendor shall not give less than 30 days' advance written notice of a price increase to the the County's Procurement Management Department. Any approved price change will be effective only at the beginning of the calendar month following the end of the full 30-day notification period. The Vendor shall document the amount and proposed effective date of the change in price. The price change must affect all accounts serviced by the Vendor. Documentation shall be supplied with Vendor's request for increase which will: (1) verify that the requested price increase is general in scope and not applicable just to the County; and (2) verify the amount or percentage of increase which is being passed on to the vendor by others not under the control of the vendor. Failure by the vendor to supply the aforementioned verification with the request for price increase will result in delay of the effective date of such increase. The County's Procurement Management Department may make such verification as deemed adequate. However, an increase, which the County's Procurement Management Department determines is excessive, regardless of any documentation supplied by the vendor, may be cause for cancellation of the Agreement by the County. The County will notify using agencies and Vendor in writing of the effective date of any increase, which is approved. However, the Vendor shall fill all purchase orders received prior to the effective date of the price adjustment at the old contract prices. Price decreases that affect the cost of materials, labor, and transportation are required to be passed on to the County immediately. Failure to do so will result in action to recoup such amounts.
