FREIGHT

All orders are shipped FOB factory/warehouse, except as expressly provided below. When delivered to the Transportation Company, the Purchaser assumes the risk of loss or damage in transit.

Customer orders with net product value in excess of $12,000.00 will be shipped prepaid by Corbin Russwin's carrier of choice to a single destination point in the United States.

For orders with net product value greater than $400.00 and less than $12,000.00, freight charges will be calculated as a percentage fo the net invoice value and will be added to Customer's invoice. The percentage is based on the National U.S. Average On Highway Diesel Fuel Prices as reported by the US Department of Energy in effect at the beginning of each quarter. Packing – Corbin Russwin will pack, mark and ship the products according to its standard procedures for shipment, unless the parties agree, in writing, that Corbin Russwin will comply with any special instructions provided by the customer. Special instructions must be submitted, in writing, at time of order placement. Compliance with special instructions may result in an increased price.

MINIMUM ORDER

Minimum order value for complete product is $250.00 net product value. The minimum order value for parts orders is $100.00 net product value. In the event that the net product value does not meet the required net minimum, Corbin Russwin may, at its sole discretion (a) apply a minimium order charge, (b) reject the order or (c) waive the minimum requirement provided that the waiver of the requirement for one order shall not constitute a waiver of the requirement for any future orders.

The following products are exempt from this policy: Cut (bitted) Keys of any type, Master Keyed Cylinders, Master Keyed Padlocks and Factory Generated Bitting Lists.

QUOTATIONS

If Corbin Russwin elects to offer a quote, such quote will be valid until the expiration date on that quote. Complete shipment of the order must be accepted by Purchaser within standard manufacturing lead times. The quote number must be referenced on the order. Any invoiced order that has the incorrect discount applied to it and did not have the quote number written on the order will have a service fee of $100.00 net DEDUCTED from any sales credit issued for the difference in discount. The quote is null and void if the Purchase Order does not include ALL product lines listed on the quote or if the quantities for any item covered by the quote deviate by 10% or more. With the issuance and acceptance of a quote for the purchase of products, the Purchaser agrees that products so purchased will not be resold or transferred to any Distributor not authorized by Corbin Russwin to sell its products. This would be inclusive of branches of the quoted Distributor. Failure to abide by this restriction may result in the Distributor's ineligibility for Quotations, or other actions in Corbin Russwin's discretion Corbin Russwin and its sales representatives reserve the right, in their sole discretion and for any reason, to refuse a Distributor's request to quote a price other than Corbin Russwin's standard list price and regardless of whether Corbin Russwin or its sales representatives have previously quoted discounted prices to the Distributor on some or all of its orders.

NON-CATALOGED PRODUCTS

Products not cataloged or listed in this price book will be considered as special products, and will not be manufactured without prior written approval from Corbin Russwin. A minimum special handling charge of $50.00 will be added for non-cataloged product. Any additional labor or material required will be charged accordingly. Special products require special handling, and therefore standard lead times may not apply. Please consult with your Sales Representative for further details.

CHANGES/CANCELLATION OF ORDERS

Changes or cancellations to an order will result in a charge of costs for material and labor expenses that have been incurred prior to notification from Customer. If products have already been made and/or are located in the shipping room, the 45% change/cancellation fee will apply. Handling charges are billed on Customer's original order. All Non-Cataloged Goods and Corbin Russwin Quick Ship Orders may not be changed or canceled.

All change requests for goods, other than for the reasons stated above, must be submitted in writing to Customer Service within two (2) business days of receipt of acknowledgment of the order.

ADD-ON ORDERS TO QUOTE

Any new order requesting special pricing to match an existing quote number, which has already been ordered, will be accepted up to sixty (60) days after the acknowledgment of the original order. All add-on orders must reference the original factory order number, and the corresponding quote number to receive the quoted pricing discount. Add-on orders for stock will not be accepted.

PACKAGING

Many items are defined as to Case Lot Packaging or Minimum Order. The Case Lot policy does not apply to hardware to be used on a specific hardware project.

DELIVERY

Orders will be acknowledged and given a scheduled delivery date based on estimated manufacturing lead times. Complete information is required to process all orders. Orders with insufficient information for processing (i.e. keying information, door sizes, handing, etc.) may be subject to extended lead times which are relative to the time required in obtaining the necessary information for order processing. Manufacturing lead time will begin once all information is received to process an order. Corbin Russwin will use reasonable efforts to deliver products as estimated, but makes no guarantees as to delivery dates. Corbin Russwin will not be liable for back charges incurred based on availability of product or as a result of delays in delivery caused by insufficient information required to process an order. Corbin Russwin will not be held responsible for delays in delivery caused by strikes, fires, floods or any other causes beyond our control, including the delivery of material to us. Under no circumstances shall Corbin Russwin be liable or accountable for consequential damages due to failure of delivery.

(6) Approved Reseller's trade name must be more predominant on Approved Reseller's advertising than the ASSA ABLOY Marks;
