NEW SMARTair® i-locker

SMARTair® i-locker is a standalone locker lock with radio-frequency technology, battery-powered, and compatible with MIFARE Classic technology.

The lock is designed for use in dry areas; if it is to be used in humid areas, it must be fitted with a rubber gasket.

Properties and features

By using the marking of the holes and the existing fixings, the lock can be retrofitted with only one additional hole for the upper screw. The lock can be installed in either a vertical or horizontal position.

The lock spindle is available in two lengths:

- For installation on doors with a thickness of 1 to 15 mm
- For installation on doors with a thickness of 15 to 23 mm

The lock emits sound and light to enhance user satisfaction.

The lock credentials have 3 levels:

- User Credential
- Staff and concierge Credential
- Master Credential

The lock is equipped with a USB connection, which can function as an emergency power supply in case the batteries run out.

It is compatible with standard Mul-T-Lock™ cams.

The lock includes a coupling function with built-in overload protection integrated into the knob.

Operation

The lock has two operating modes, as follows:

- **Private mode**
The lock is opened using previously registered credential.
- **Public mode**
The lock can be locked with any compatible credential. Once unlocked, the lock becomes available for the next user.

To facilitate the use of multiple credentials in either of the two modes above, a quick configuration mode is available.

Additional functions can be easily added or removed using specific programming credentials.

CYLINDERS

Mortise Cylinders
How to Order:

Mortise Cylinder part #'s will define size and cam type with which it is supplied.

* MT5+® & Interactive® is available only through special order. Minimum Order Quantity (MOQ) applies for some items
* Classic cylinders follow MTL™600 pricing
* Integrator cylinders follow MTL™600 pricing

Additional Part # Information

Sub-Assembled

If product is MTL™600 Sub-Assembled, then the MTL™600 Disc combination will be replaced with an "X". This is done because there are no keys or plug pins included with the product, so there is no pin stack in the MTL™600 chamber. Since this is the case "S", "B", and "G" are not relevant.

Example

When entering an order for Mortise Cylinders in Bright Brass, Sub-Assembled, the part # will be:

- Instead of 206-MOR1C02-05-S, use 206XP-MOR1C02-05-S

MTL™600 Part Numbers

MTL™600 part numbers will contain a "P" after the "X", "S", "B", or "G" in the keyway portion of the part number.

Example

Compare the part numbers for an Interactive® Mortise Cylinder and an MTL™600 one below:

- 206X-MOR2C03-05-S = 206 Interactive® keyway, sub-assembled, Mortise 1 1/4" with cam # 3, in 605 finish
- 206XP-MOR2C03-05-S = 206 MTL™600 keyway, sub-assembled, Mortise 1 1/4" with cam # 3 in 605 finish

Gate Latch Locks

Gate Latch Locks are available as single cylinder with thumb turn, or double cylinder with key on both sides. Part #'s will define the function. Latches are not

GLL_U_

To order latches separately for Gate Latch Locks, there are 2 part #'s needed:

PLK-ADAPT-PLLAT & PLK-GLLAT-2U_-- - indicate backset size: U8 for 2 3/8" and U4 for 2 3/4" - and finish: 05 for bright brass and 25 for silver.

Additional Part # Information

Sub-Assembled

If product is MTL™600 Sub-Assembled, then the MTL™600 Disc combination will be replaced with an "X". This is done because there are no keys or plug pins included with the product, so there is no pin stack in the MTL™600 chamber. Since this is the case "S", "B", and "G" are not relevant.

Example

When entering an order for Hercular® Deadbolt in Bright Brass, Sub-Assembled, the part # will be:

- Instead of 206-HD1-05-S, use 206XP-HD1-05-S

MTL™600 Part Numbers

MTL™600 part numbers will contain a "P" after the "X", "S", "B", or "G" in the keyway portion of the part number.

Example

Compare the part numbers for an Interactive® Hercular® deadbolt and an MTL™600 one below:

- 206X-HD1-05-S = 206 Interactive® keyway, sub-assembled, single Hercular® in 605 finish
- 206XP-HD1-05-S = 206 MTL™600 keyway, sub-assembled single Hercular® in 605 finish

How to Order:

Padlocks

Padlock part #'s will define the series, size, shackle length, and options of the product.

Additional Part # Information

Sub-Assembled

If product is MTL™ 600 Sub-Assembled, then the MTL™ 600 Disc combination will be replaced with an "X". This is done because there are no keys or plug pins included with the product, so there is no pin stack in the MTL™ 600 chamber. Since this is the case "S", "B", and "G" are not relevant.

Example

When entering an order for Hercular® Deadbolt in Bright Brass, Sub-Assembled, the part # will be:

- Instead of 206-HD1-05-S, use 206XP-HD1-05-S

MTL™ 600 Part Numbers

MTL™ 600 part numbers will contain a "P" after the "X", "S", "B", or "G" in the keyway portion of the part number.

Example

Compare the part numbers for an Interactive® Hercular® deadbolt and an MTL™ 600 one below:

- 206X-HD1-05-S = 206 Interactive® keyway, sub-assembled, single Hercular® in 605 finish
- 206XP-HD1-05-S = 206 MTL™ 600 keyway, sub-assembled single Hercular® in 605 finish

MUL-T-LOCK® MASTER KEYING

Mul-T-Lock® offers a quick and reliable solution to your master keying needs.
Below is a list of terms and procedures to be used when requesting a Master Key System.

» TERMS

GM - GRAND MASTER
M... - SUB-MASTER OR CHANGE KEYS

Change or individual keys determine the sub-group or complete system level number.

For Instance:

A 2-Level System with 10 Change Keys

Example:

GM

M1 thru M10

A 3-Level System with 2 Subs and 5 Changes Under Each

Example:

GM

M1

M2

M1.1 thru M1.5

M2.1 thru M2.5

» PROCEDURES

A Hierarchical (or tree) system is the most common Master Key System design.

To request a standard tree Master key system, please contact your local Territory Manager or our Customer Service for assistance.

A Matrix System is utilized when cross-keying needs to occur.

The Matrix chart will help you and your customer in the design of a Matrix system.

Begin by labeling the doors in one column and key holders in the other, then check the corresponding boxes to show authorizations. **See Page 105.**

Once this chart is filled out, email it to orders@mul-t-lockusa.com with the subject line "Master Key System Request", and one of our technicians will work on the solution for you.

MUL-T-LOCK® KEY & CYLINDER MAINTENANCE

In order to retain warranty eligibility, please review, implement and communicate to all users the proper maintenance procedures below to ensure continued proper function of Mul-T-Lock's high security keys and cylinders.

MUL-T-LOCK® KEYS (Pertains to all Mul-T-Lock® keys)

- Mul-T-Lock® keys must be kept clean and must retain a straight blade – do not use keys for anything other than their intended duty – to lock/unlock your lock cylinders (keys may not be used as a tool such as a knife, screwdriver, etc.)
- Additional Mul-T-Lock® keys may be obtained only from authorized Mul-T-Lock® dealers. Only genuine Mul-T-Lock® keys may be used to operate Mul-T-Lock® lock cylinders.
- Remember that the cuts of your keys contain personal information about your lock cylinder combination and must be treated like any other confidential information you have.

MUL-T-LOCK® CLIQ® SMART KEYS

(Additional care instructions for CLIQ® keys)

CLIQ® keys must be kept dry and be free of moisture, dirt and debris before insertion into a CLIQ® cylinder. Should CLIQ® keys come into contact with any liquid, allow keys to dry completely before attempting to insert it into a CLIQ® e-cylinder.

MUL-T-LOCK® KEY & CYLINDER MAINTENANCE

In order to retain warranty eligibility, please review, implement and communicate to all users the proper maintenance procedures below to ensure continued proper function of Mul-T-Lock's high security keys and cylinders.

MUL-T-LOCK® MECHANICAL AND E-CYLINDERS

- Mul-T-Lock® cylinders must be installed correctly into freely operating locks. A misaligned door or poorly installed lock will cause an unnecessary load and friction that can damage cylinders.
- Never paint any external or internal part of a cylinder, and do not hose or chemical wash.
- MECHANICAL Mul-T-Lock® Cylinders must be frequently lubricated with Mul-T-Lock® liquid lubricant. The frequency of lubrication required will depend upon weather, environment, cylinder usage and location. All cylinders must be lubricated at least twice per year. However, cylinders in particular conditions (such as those used on external doors must be lubricated at least four times per year and whenever users experience difficulty in turning or inserting keys.

Use only Mul-T-Lock® special lubricant. Please note that separate rules for lubrication apply to Mul-T-Lock's® CLIQ® e-cylinders.

MUL-T-LOCK® KEYS & CYLINDERS IN A MASTER KEY SYSTEM

When Mul-T-Lock® keys and cylinders are part of a master key system, extra care is needed.

All Mul-T-Lock® keys related to a master key system must carry a designation marking, and may only be used in the cylinder for which it is intended. If a Mul-T-Lock® key fails to operate the cylinder(s) it is intended to open, the first action should be verification of key designation to ensure that the appropriate key has in fact been used. When in doubt, contact your authorized Mul-T-Lock® dealer.

- Mul-T-Lock® Keys related to a master key system must be carefully distributed to the appropriate key holders. Accurate and up-to-date records of key distribution should be maintained at all times by the end user to ensure that master key system owners know exactly how many of each key for their system is in circulation and who is in possession of each one.
- Cylinders must be frequently lubricated (See Mul-T-Lock® Cylinders section above).
- Additional Mul-T-Lock® master key system keys may be obtained only from the original authorized Mul-T-Lock® dealer that originally installed the master key system. If a change in the authorized Mul-T-Lock® dealer selected to maintain your master key system is needed, contact Mul-T-Lock® USA, Inc. for proper procedure instructions.

Failure to follow these procedures will void any warranty.

Limited Warranty and Conditions of Sale refer to Mul-T-Lock USA, Inc. as "Mul-T-Lock"; a genuine Mul-T-Lock branded product(s) or offerings by Mul-T-Lock USA, Inc. as "Product" or "Products"; authorized Mul-T-Lock dealer, wholesaler or other direct buyer as "Authorized Dealer"; the end user where Mul-T-Lock Product is installed as "End User"; Limited Warranty as "Warranty".

LIMITED WARRANTY

Mul-T-Lock warrants to the original purchaser of a Mul-T-Lock branded lock, lock cylinder, or key hardware product (referred to collectively as "Product") to be free of defects in material and/or workmanship for a period of two (2) years from the date of original purchase & invoice for use (unless otherwise noted.).

Mul-T-Lock hereby warrants Product to be free of defects in material and/or workmanship for a period of *One (1) year for SMARTair, SMARTair iLocker, Traka 21 (not including fobs or seals), Code Handle, Electric Strikes, Unistrikes, eCLIQ® and CLIQ®, from the date of original purchase & invoice for use, subject to the terms and conditions indicated below.

For additional Warranty information or Warranty claim service, contact Mul-T-Lock Customer Service at (973) 778-3320. In the event of a defect in material or workmanship during the Warranty period, Mul-T-Lock will repair or replace (at its option) the Product under the conditions of this Warranty, this action being the sole remedy available under this expressed Warranty.

In order to initiate a review for eligibility of Warranty claim, End User must first return the Product to Mul-T-Lock, through the Authorized Dealer from whom the Product was purchased. This return must follow Return Procedures as outlined on page 109-110 and be accompanied by proof of initial purchase from the Authorized Dealer. All shipping, handling, travel, service call and/or other incidental and/or related charges are payable by End User or Authorized Dealer only and are not included in this limited warranty.

LIMITATIONS, EXCLUSIONS AND OTHER RIGHTS:

- Mul-T-Lock disclaims liability for implied warranties, including but not limited to those of merchantability or fitness for any particular purpose.
- Mul-T-Lock disclaims liability for indirect, incidental or consequential damage at any time.
- Mul-T-Lock key blanks are made from a special nickel silver alloy. Mul-T-Lock warrants its mechanical keys against defects in workmanship or breakage for the life of the Product.
- Bitted Mul-T-Lock keys must be precisely cut to exact depths. This Warranty shall be void and Mul-T-Lock disclaims liability of any kind in the event any key other than a genuine Mul-T-Lock key has been used with the Product or that the key has been cut on any machine other than a Mul-T-Lock key cutting machine.
- Improper activity shall render this limited warranty void. "Improper Activity" includes any and all of the following: damage arising from, in its sole judgment, improper installation; use/ operation/ maintenance other than in accordance with Mul-T-Lock's instructions; extreme environmental conditions; use rates in excess of the industry standards defined for the type of product; repair or alteration by anyone other than the Authorized Dealer; and the use of keys, key blanks, key cutting machines, cylinders, locks, accessories, lubricants and/or other components that are not suitable and genuine Mul-T-Lock Products.
- Unless otherwise specified by separate warranty, finishes are warranted for a period of two years following purchase for use. This finish Warranty shall be considered void after installation if, in the sole judgement of Mul-T-Lock, the damage to the finish is the direct result of climatic conditions, chemical or abrasive actions.
- This Warranty does not grant any other rights or give rise to any other obligation, or absolve both Authorized Dealer and End User of the responsibility to employ any other suitable measures, by whatever means, including insurance, against the risk of personal injury or damage to property. This Warranty relates to Product's defects only. Mul-T-Lock shall not be Liable, in any event, for labor costs associated with the Product and its installation process.

Basic Instructions for correct use of the Product are on page 107. Failure to adhere to these instructions shall render this Warranty void.

MUL-T-LOCK® YOUR KEY TO HIGH SECURITY

Basic Instructions and Requirements for Correct Use of Mul-T-Lock® Products

KEYS:

- Keys must be used only for their intended purpose of operating their corresponding cylinder in normal use.
- Keys must be kept clean and must retain a straight blade.
- Genuine Mul-T-Lock® key blanks must be used.
- Keys must be inspected periodically and must be replaced when they show physical wear.

CYLINDERS:

- Installation must be performed by an authorized Mul-T-Lock® Dealer and/or a licensed locksmith only.
- A Cylinder is a mechanical device which requires regular preventive maintenance.
- Cylinders **MUST NOT** be submerged in water, or exposed to any chemical wash, or be painted.
- Protect the cylinder from dirt and dust.
- Protect your cylinder from exposure to extreme temperatures (-20C to +80C)
- CLIQ® cylinders utilized on any exterior door and/or any other outdoor application must be purchased with rain guard options (sold separately). Failure to specify the nature of the product's application and the need for rain guard option at the time of product purchase shall void the warranty.
- The cylinder's keyway must be lubricated with Mul-T-Lock® approved lubricant at least twice a year as normal maintenance. In heavy use environments and extreme weather conditions, lubrication must be performed every three months. Increased usage and exposure generally necessitate more frequent lubrication.

CONDITIONS OF SALE

All activities made or negotiated between Mul-T-Lock® USA, Inc. ("Mul-T-Lock") and the Buyer shall be subject to the terms and conditions set forth herein, which may be added to, modified or otherwise altered only in writing, signed by the President of Mul-T-Lock®. The Failure of Mul-T-Lock® to object to any provisions in any form of purchase document shall not be constructed as a waiver of these terms and conditions or an acceptance of any such provision. In some cases, forms need to be filled out to place an order for special order items.

SHIPPING & DELIVERY

Unless otherwise agreed to in writing, all Products are shipped F.O.B. origin. Shipping dates provided by Mul-T-Lock® are estimates only. Mul-T-Lock® reserves the right to make partial deliveries and backorders. If complete shipment is required, the request must be in writing at the time of order placement.

CHOICE OF CARRIER

Mul-T-Lock® will ship by carrier of its choice to any freight point within the United States.

SHIPPING CHARGES, TAXES

Shipping and handling are additional and will be shown on the invoice. Buyer pays for all shipment charges. Free standard ground shipping is available for orders that meet the minimum threshold for free shipping. Buyer is responsible for taxes associated with the purchase.

ORDERS

Mul-T-Lock® reserves the right to refuse any order through notice to Buyer.

SPECIAL ORDERS

Mul-T-Lock® reserves the right to define and/or redefine any product as a "special order" item (including both those that are listed in this book and those that are not). If an item is deemed by Mul-T-Lock® as a special order item, additional charges and minimum order amount requirements will apply.

CHANGES & CANCELLATIONS

Changes or cancellations to an order can only be made if the order has not yet been processed by operations. Changes can delay the scheduled delivery date. Additions to orders can be entered as a separate order. Special order items cannot be changed or canceled.

PRICING

The price shall be Mul-T-Lock's® prevailing price at the time the order was accepted by Mul-T-Lock®. Payment on the order needs to be made within the Buyer's payment terms for the pricing to remain in place. Mul-T-Lock® price lists are for general information only, and do not constitute a binding open offer by Mul-T-Lock® for the sale of Products. Mul-T-Lock® reserves the right to make modifications or changes at any time without prior notice. All Products listed, which include a Mul-T-Lock® mechanical cylinder are priced as Keyed Random within their respective platforms, with 2 Nylon Head Cut Keys*, and 1 Key Order Card per Combination. Certain keyways are supplied only with Metal Head Keys. Additional charges for Metal Head key conversions will apply. Sub Assembled products do not include any keys or cards. E-cylinders are provided without keys (keys may be purchased separately). Buyer discount for all electronic and electromechanical Products and keys will vary from Buyer's normal discount structure (contact Mul-T-Lock® for pricing on these items).

We make every effort to provide the most accurate, up-to-date price book. In the event a product is listed at an incorrect price, Mul-T-Lock® has the right to refuse or cancel any orders placed at the incorrect price. If this occurs, the Buyer will be notified of the price error and order cancellation and will have an opportunity to purchase the item at the correct price.

PAYMENT

Unless otherwise agreed in writing, terms are pre-paid. Net 30 payment terms can be offered if certain qualifications are met. If payments are not made when due, Buyer will pay, in addition to the overdue payment, a late charge equal to the lesser of 1.5% per month or the highest applicable rate allowed by law. Overdue accounts will be assigned to the credit department for all transactions. Once an account has been assigned to the credit department, no order may be taken, entered or shipped without approval from the credit manager. The Buyer is responsible for all legal costs associated with collection of past due accounts.

CLAIMS

All discrepancies (shortages, incorrect shipments, damages etc.) must be claimed within two (2) days after receipt of material. All requests for returns must be submitted within ten (10) days of the invoice date. Price differences must be submitted for verification within five (5) days of the original invoice.

COLORS AND FINISHES

We make every effort to accurately display the colors and finishes of our Products. However, we cannot guarantee that the actual product's finish will be exactly as displayed in this price book.

GENERAL

Mul-T-Lock® will not be liable for delays that are due to causes beyond its reasonable control. Disputes arising in connection with Mul-T-Lock® terms and conditions of sale and service will be governed by the laws of the state of New Jersey, USA.

DEFAULT OF INFRINGEMENT

If the Buyer is in default of payment or infringing any of these terms, Mul-T-Lock® reserves the right to withhold delivery, cancel or terminate any order, and hold Buyer liable for any damage or expenses incurred by Mul-T-Lock®. In addition to the above, Mul-T-Lock® reserves the right to repossess any goods to which it has retained title as aforesaid and thereafter to sell the same without prejudice to any Mul-T-Lock® rights hereunder or otherwise. It is specifically agreed that any proceeds received by Buyer for sale of goods to a third party shall be held by Buyer in trust for Mul-T-Lock®, until final settlement with Mul-T-Lock®.

TRADEMARKS

The Mul-T-Lock® name and Muscleman Logo, and any other name, mark, or logo used by Mul-T-Lock® and marked by an ® or ™ sign are registered / pending trademarks of Mul-T-Lock Ltd. Mul-T-Lock® reserves the right to make any product improvements or modifications without prior notice.

The Buyer must submit to us for our prior written approval any proposed new use of the Trademarks, including but not limited to any new advertising and promotional material containing the Trademarks, prior to using such material and/or making such use of the Trademarks.

The Buyer must ensure that the Trademarks are always used with an ®, to indicate their worldwide registration, and that all the Products sold and all promotional material used for the Products bear only the Trademarks, and no other trademark, unless authorized in writing by us. The Buyer will not obscure or modify the Trademarks in any way, and not apply the Trademarks to any goods not manufactured or distributed by Mul-T-Lock®. The Buyer may use any advertising or promotional materials obtained from us containing the Trademarks to promote the Products in the Territory.

The Buyer must not do anything that may in any way jeopardize the Trademarks, or their ownership, and will not make any use of the Trademarks other than as expressly permitted. The Buyer must not use or register any trademark or trade name identical or similar to the Trademarks, or to any other name that MTL® may use to identify itself and/or its products, and you will not register a company and/or establish or run any business entity, domain name, URL, website and/or e-mail address with any similar or identical names. The Buyer must provide immediate, written notice of any misuse of the Trademarks to the responsible Mul-T-Lock® marketing manager.

The permission to use Trademarks under this Arrangement shall terminate once the Buyer ceases acquiring Products directly from MTL® or from any entity approved in advance and in writing by MTL®, or upon receipt of written notice by MTL® withdrawing this permission, whichever is earliest. Upon termination of this permission, the Buyer will immediately cease and abandon further use of the Trademarks.

RETURNS

Mul-T-Lock® USA, Inc., accepts returns if the product is defective from a manufacturing flaw. If you need to make a return, fill out the RGA form from page 110 and email it to: orders@mul-t-lockusa.com with the subject line: Return Request.

All requests for returns must be submitted and coordinated with Mul-T-Lock® customer service and must be accompanied by a valid RGA#, visible on the outside of any package returned to Mul-T-Lock®. A 50% handling/restocking fee applies to all merchandise returned or refused for reasons other than incorrect shipping, product defects, and product warranties. Any item returned for credit must be in resaleable condition.

Any return sent without prior authorization will be refused, and sent back to the Buyer, at the Buyer's expense. If shipping a key machine for repair, dealer must purchase insurance for Loss and Damage Protection.

All product defects under product warranties will be repaired or replaced with comparable product only. If product defect is found to be due to abuse, misuse or lack of proper maintenance, Mul-T-Lock® will inform the Buyer of the inspection details. Buyer will be quoted for the costs of the repair. If repair request is refused, then product will be returned to the Buyer along with an invoice for freight, and engineer inspection.

Non-refundable items include but are not limited to: SMARTair™, CLIQ® & eCLIQ® Cylinders, CLIQ® & eCLIQ® Keys, and all CLIQ® Software, Products which are Keyed Alike, and/or Master Keyed, Key Blanks which are personalized, stamped, or coined, Key Order Cards which are personalized, stamped, or embossed, products which are not in their original packaging and in saleable condition, all other Products which have been modified, and all special order Products.
