III. BACKGROUND AND IMPLICATIONS OF ACTION

The Lee Board of County Commissioners has delegated administration of indigent cremations to Human and Veteran Services through County Administrative Code 15-7, which was adopted February 10, 2004.

Florida Statute, Title XXIX, Chapter 406 outlines the definitions and requirements for disposal of unclaimed or indigent remains. Approval executes contracts with licensed and insured funeral establishments and ensures compliance with Florida Statute 406.50.

The Lee Board of County Commissioners is required by Florida Statute 406.52 to assume financial responsibility for the cremation of the remains of an indigent persons whose death occurred within the county. Payment for indigent cremation services is provided through General Funds: \$55,591 in fiscal year 2022, \$50,654 in fiscal year 2023, and \$49,715 in fiscal year 2024.

Beginning in fiscal year 2020, the process for procuring funeral establishments was changed to an annual invitation to participate. Funeral establishments receive an invitation, vendor application, and agreement via mail or email with a deadline to reply. Funeral establishments that reply and provide documentation of the licenses and insurance will be added to a monthly rotation list and remain in that rotation order for a period of one year, so long as they have insurance and licenses. Services are provided at the County established rate of \$389.00 per unclaimed or indigent remains.

A letter of invitation to participate was sent to current and interested licensed funeral establishments in Lee County. The letter invited each funeral establishment to submit a Lee County Vendor Application and current license and insurance documentation. Application packets were due to Human and Veteran Services staff on September 13, 2024.

The vendor rotation and rate for cremation services will be implemented immediately upon Board approval. Human and Veteran Services staff will administer the indigent cremation program in accordance with the State Statute and local policies.
