

**INSTRUCTIONS
COPIER PRICING SPREADSHEET**

This workbook contains five tabs (beyond the instruction tab). Each tab lists range of pages per minute (ppm) that the copier is capable of producing. There are five (5) tabs for Black & White Copiers and five (5) tabs for the Color Copier machines.

If you have multiple machines that meet all the specifications, please populate as many as appropriate under each tab.

The minimum information to be input on each tab should include the following:

- Supplier Name/Address/Contact Name/Business Telephone Number - Please enter this information at the top of each tab where you see - Supplier Name, Address, Contact, Business Telephone Number
- Make & Model Copy Machine (as many copiers that are capable of producing Pages Per Minute and meets all specifications shown in request for proposal scope)
- Monthly Base Price for Lease 36 months (based on number of machines being leased for the specific make/model)
- Monthly Base Price for Lease after the initial term (1-3 year optional extension)

*Please note that the only supply item that the Lee County Sheriff's Office (customer) expects to provide is copy paper.

All Maintenance, Installation, Setup, Training, Repair, Services and Supplies are to be included in the monthly base lease price (Travel, Freight, Material, Labor, Services). We will not accept any charges for maintaining equipment and services of leased products.

All consumable supplies should be included in the CPC Blanket price including: Toner, Developer, Fuser Oil, Staples and Data Encryption Kits (any supply that is required to operate or maintain the copier machines being leased).

We have listed Data Security Kits to be included under the consumable supplies - Please read the detail specifications in the proposal which describes the security requirements for the copier machine capability.
