- A) Board Action and Other History  
 The National Association of State Procurement Officers (NASPO) ValuePoint, a non-profit cooperative purchasing organization, solicited a Request for Proposal that went through the competitive procurement process and negotiations for a Tires, Tubes and Services. NASPO awarded three contractors (Bridgestone, Continental and Goodyear). The State of Florida submitted a Participating Addendum to utilize NASPO ValuePoint's agreement, which allows all political subdivisions in the State of Florida to utilize pricing off NASPO's agreement. The State of Florida awarded two contractors, Bridgestone Americas Tire Operations, LLC and Goodyear Tire & Rubber Company, via a Participating Addendum. Lee County previously utilized NASPO's Tires, Tubes and Services agreement for its needs and recommends the approval of the piggyback.
