II. ITEM SUMMARY

Approves the use of the State of Florida Contract to provide management and administration of the County purchasing card program from Bank of America, N.A., through the contract expiration date of January 4, 2021 and any renewals or extensions approved by the State of Florida. Lee County is receiving market rate for the rebates received under the proposed contract and will be able to continue service without interruption or changes to the current card program by utilizing the State of Florida contract. There are no out of pocket fees for the purchasing card program. The rebate earned for 2018 was \$38,281.35.

III. BACKGROUND AND IMPLICATIONS OF ACTION

A) Board Action and Other History.

The Florida Department of Management Services solicited an Invitation to Negotiate that went through the competitive procurement process and negotiations for purchasing card services in 2016. The State of Florida awarded to Bank of America, N.A., over three other responders. Lee County previously utilized Hillsborough County's Purchasing Card Program Services agreement for its purchasing card management and administration program. Hillsborough County is not renewing its contract and is moving its purchasing card program to the State of Florida local government contract.

The purchasing card program provides a rebate to the County based off annual purchases. Lee County will be able to continue service without interruption or changes to the current card program by utilizing the State of Florida contract.
