48. **MONITORING OF WORK:** The contractor shall provide the contract manager with every reasonable opportunity to ascertain whether or not the work, as performed, is in accordance with the requirements of the contract. The contractor shall designate, in writing, a person to serve as liaison between the contractor and the County.

49. **PROMPT PAYMENT:** For payment promptness, Brevard County shall remit payment in accordance with the Florida Prompt Payment Act, Section 218.70, Fla. Stat., et seq. Brevard County does not expect to be billed in excess of the ordered quantity and will not pay for any quantity above the ordered quantity. Any order placed as a result of this bid will be subject to Billing Instructions and Conditions on the back of the Brevard County Purchase Order form. Contractors may offer cash discounts for prompt payment but they will not be considered in determination of award. If a contractor offers a discount, it is understood that the discount time will be from the date of satisfactory delivery, at the place of acceptance, and receipt of correct invoice, at the office specified, whichever occurs last. Requests for final payment for any work or services for which a permit is required shall include a copy of all required permits and copies of all required inspection reports. Failure to provide proof of acquisition of all required permits and successful completion of all required inspections shall represent an incomplete invoice and will delay payment.
50. **RIGHT TO AUDIT RECORDS:** In performance of this Agreement, the Contractor shall keep books, records, and accounts of all activities related to the Agreement, in compliance with generally accepted accounting procedures. All documents, papers, books, records, and accounts made or received by the contractor in conjunction with the Agreement and the performance of this Agreement shall be open to inspection during regular business hours by an authorized representative of the office, and shall be retained by the contractor for a period of five (5) years after termination of this Agreement—unless such records are exempt from section 24(a) of Article I of the State Constitution and section 119.07(1), Fla. Stat.
51. **UNAUTHORIZED ALIEN WORKERS:** Brevard County will not accept bids from Contractors who knowingly employ unauthorized alien workers, constituting a violation of the employment provisions contained in 8 U.S. Code § 1324a(e) (Section 274A(e) of the Immigration and Nationality Act "INA"). The County shall consider a Contractor's intentional employment of unauthorized aliens as grounds for immediate termination of any awarded proposal. The CONSULTANT shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the CONSULTANT during the term of the Contract and shall expressly require any subcontractors performing work or providing services pursuant to the Contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the Contract term.
52. **FLORIDA PUBLIC RECORDS LAW:** Both parties understand that the County is subject to the Florida Public Records Law, Chapter 119, Fla. Stat. and all other applicable Florida Statutes. If the materials provided by the Contractor do not fall under a specific exemption, under Florida or federal law, materials provided by the Contractor to the County would have to be provided to anyone making a public records request. It will be the contractor's duty to identify the information, which it deems is exempt under Florida/federal law, and identify the statute by number, which exempts that information.

Should any person or entity make a public request of the County—which requires or would require the County to allow inspection or provide copies of records which the Contractor maintains are exempt from Public Records Law or are confidential—it shall be the Contractor's obligation to provide the County within 24 hours (not including weekends and legal holidays), of notification by the County to the Contractor of the request, of the specific exemption or confidentiality provision so the County will be able to comply with the requirements of Chapter 119, Fla. Stat.

Should the County face any kind of legal action to require or enforce inspection or production of any records provided by the Contractor to the County which the Contractor maintains are exempt or confidential from such inspection/production as a public record, then the Contractor shall hire and compensate attorney(s) who shall represent the interest

of the County as well as the Contractor in defending such action. The Contractor shall also pay any costs to defend such action and shall pay any costs and attorney fees, which may be awarded pursuant to 119.12, Fla. Stat.

All material submitted becomes the property of the County and may be returned only at the County's option. The County has the right to use any or all ideas presented in any reply to this ITB. Selection or rejection of any bid does not affect this right.

53. **PREFERENCE GIVEN TO COMMODITIES MANUFACTURED, GROWN, OR PRODUCED IN FLORIDA:** In accordance with 287.082, Fla. Stat., whenever two or more competitive sealed bids are received, one or more of which relates to commodities manufactured, grown, or produced within this State, and whenever all things stated in such received bids are equal with respect to price, quality, and service, the commodities manufactured, grown, or produced within this State shall be given preference.

54. **COUNTY SEAL:** Use of the County Seal without the express approval of the Board of County Commissioners is a violation of 165.043, Fla. Stat. punishable as a misdemeanor.

55. **TIE BIDS:** Award of all tie quotes/bids shall be made by the Purchasing Manager in accordance with State Statutes, which allows a firm certified as a Drug-Free Workplace to have precedence. When evaluation of Contractor responses to solicitations results in identical offers, with regards to bids or quotations, or identical ranking with regards to proposals, from two or more Contractors, the County shall determine the order of award using the following criteria in order of preference listed below (from highest priority to lowest priority):

- a. For tie bids, quotations or proposals, priority shall be given to the Contractor certifying that he/she is a Drug-Free Workplace as defined within 287.087, Fla. Stat.;
- b. In the event that a tie still exists after progressing through a–c, the decision shall be made by lot or coin toss. The drawing of lots or coin toss shall be conducted in the presence of the effected contractors if they elect to be present.

56. **CONTRACTOR COMPLAINTS AND DISPUTES:** Brevard County encourages prompt and fair handling of all complaints and disputes with the business community. In order to resolve disputed matters in an equitable manner, the following procedures are adopted:

a. **POSTING OF AWARD NOTICES**

FORMAL SEALED BIDS/QUOTES: No later than three (3) business days after a bid opening the Purchasing Manager, or his/her designee, shall post a tabulation of competitive sealed bids/quotes to the [www.demandstar.com](http://www.demandstar.com) and [VendorLink](#). The apparent, responsive low bid/quote will be the intended award recommendation. If after posting the tabulation, the apparent low bid/quote is found to be non-responsive to the specifications, the formal award evaluation will be posted. The time for filing a protest will begin the date of the later posting.

FORMAL SEALED PROPOSALS: No later than three (3) business days after the selection committee recommendations are finalized, the Purchasing Manager or his/her designee shall post the selection committee's rankings and recommended award for bids.

b. **PROCEEDINGS**

Any contractor, quoter, or proposer who is allegedly aggrieved in connection with the solicitation or pending award of a contract must file a formal written protest with the Purchasing Manager within five (5) business days of the posted award recommendation.

The formal written protest shall reference the bid/quote/proposal number, and shall state with particularity the facts and laws upon which the protest is based, including full details of adverse effects and the relief sought.

Within seven (7) calendar days of receipt of the formal written protest, the Purchasing Manager will arrange a meeting of the Protest Committee and the affected parties. The Protest Committee shall consist of two (2) Department Directors or designees, both of whom must be from an organizational group which the user department or group is not assigned; one (1) Assistant County Manager, who must be from an organizational group which the user department or group is not assigned under. The Purchasing Manager shall act as a non-voting Hearing Coordinator and the County Attorney or designee may be requested to attend as a non-voting member. The Purchasing Manager or designee record the meeting and provide any information as the committee may request. The purpose of the meeting of the Protest Committee is to provide an opportunity to: (1) review the basis of the protest, (2) evaluate the facts and merits of the bid protest, and (3) if possible, to reach a resolution of the protest that is acceptable to the affected parties. For the purpose of the Protest Committee hearing, resolution shall mean that the Protestor finds the decision of the Protest Committee acceptable.

In the event the matter is not resolved with the Protestor's acceptance of the Protest Committee's decision, the Purchasing Manager will schedule the recommended award including the details of the protest and the Protest Committee's recommendation before the Board of County Commissioners via Board Agenda. The County Manager, prior to approval and placement on the Board agenda, may elect to resolve the matter before presentation to the Board. In the event that the County Manager cannot bring the matter to resolution, a copy of the Agenda Report shall be furnished immediately to all affected parties. The affected parties may appear before the Board of County Commissioners as a final means of administrative remedy.

c. **STAY OF PROCUREMENTS DURING PROTESTS**

Failure to observe any or all of the above procedures shall constitute a waiver the right to protest a contract award. In the event of a timely protest under the procedure, the County shall not proceed further with solicitation or with the award until a recommendation is made by the Committee, or a written determination is made by the County Manager that the award must be made immediately in order to protect the public interest. Invoice disputes between an awarded Contractor and user agency will follow the guidelines set forth in AO-33, *Prompt Payment of Invoices*.

In addition to the above, Specialty Insurance policies covering specific risks of loss (including but not limited to, for example; Longshore coverage, Crane and Rigging, Inland Marine, etc.) may be required by Brevard County Insurance and Risk Management. Any additional specialty insurance coverage requirement will be dictated by the specific goods, products or services provided under the subject contract and insurance underwriting standards, practices, procedures or products available in the commercial insurance market at the time of the contract inception. Awarded Contractor shall certify that it and its subcontractors are not on the Scrutinized Companies that Boycott Israel List. Pursuant to Section 287.135, F.S. If the Agreement is for more than \$1,000,000 the Contractor further certifies that it and its subcontractors are also not on the Scrutinized Companies with Activities in Sudan, Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria as identified in Section 287.135, F.S.

For Contracts of any amount, if the County determines the Contractor submitted a false certification under Section 287.135(5) of the Florida Statutes, or if the Contractor has been placed on the Scrutinized Companies that Boycott Israel List, or is engaged in a boycott of Israel, the County shall either terminate the Contract after it has given the Contractor notice and an opportunity to demonstrate the County's determination of false certification was in error pursuant to Section 287.135(5)(a) of the Florida Statutes, or on a case-by-case basis the County may choose to maintain the Contract if the conditions of Section 287.135(4) of the Florida Statutes are met. For Contracts \$1,000,000 and greater, if the County determines the Contractor submitted a false certification under Section 287.135(5) of the Florida Statutes, or if the Contractor has been placed on the Scrutinized Companies with Activities in the Sudan List, or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, the County shall either terminate the Contract after it has given the Contractor notice and an opportunity to demonstrate the County's determination of false certification was in error pursuant to Section 287.135(5)(a) of the Florida Statutes, or on a case-by-case basis the County may choose to maintain the Contract if the conditions of Section 287.135(4) of the Florida Statutes are met.

**BREVARD COUNTY BOARD OF COUNTY COMMISSIONERS**  
**INDEMNIFICATION AND INSURANCE REQUIREMENTS**  
***Agricultural Equipment OEM Replacement Parts***  
***B-5-19-46***

**INDEMNIFICATION**

The County shall be held harmless against any and all claims for bodily injury, sickness, disease, death, personal injury, damage to property or loss of use of any property or assets resulting therefrom, arising out of or resulting from the performance of the products or from the services for which the County is contracting hereunder, provided such is caused in whole or in part by any negligent act or omission of the Vendor, or any subcontractor or any of their agents or employees, or arises from a job-related injury.

The vendor agrees to indemnify the County and pay the cost of the County's legal defenses, including fees of attorneys as may be selected by the County, for all claims described in the hold harmless clause herein. Such payment on behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

It is agreed by the parties hereto that the Vendor has received specific consideration under this agreement for this hold harmless/indemnification provision.

**INSURANCE REQUIREMENTS**

The vendor providing services under this agreement will be required to procure and maintain, at their own expense and without cost to the County, until final acceptance by the County of all products or services covered by the purchase order or contract, the following types of insurance. The policy limits required are to be considered minimum amounts:

General Liability Insurance policy with a \$1,000,000 combined single limit for each occurrence to include the following coverage: Operations, Products and Completed Operations, Personal Injury, Contractual Liability covering this contract, "X-C-U" hazards, and Errors & Omissions.

Auto Liability Insurance, which includes coverage for all owned, non-owned and rented vehicles with a \$1,000,000 combined single limit for each occurrence.

Workers' Compensation and Employers Liability Insurance covering all employees of the vendor and subcontractors, as required by law.

In the event that the contract involves professional or consulting services, in addition to the aforementioned insurance requirements, the vendor shall also be protected by a Professional Liability Insurance Policy in the amount of \$1,000,000 per claim.

In the event the contract involves services related to construction projects, the vendor shall also procure and maintain a Builders Risk Insurance Policy or Installation Floater with loss limits equal to the value of the construction project.

In addition to the above, Specialty Insurance policies covering specific risks of loss (including but not limited to, for example; Longshore coverage, Crane and Rigging, Inland Marine, etc.) may be required by Brevard County Insurance and Risk Management. Any additional specialty insurance coverage requirement will be dictated by the specific goods, products or services provided under the subject contract and insurance underwriting standards, practices, procedures or products available in the commercial insurance market at the time of the contract inception. The Vendor is required to procure and maintain all such specialty coverage in accordance with prudent business practices within the Vendors industry.

The awarded vendor shall have five (5) days to provide certificates of insurance to the County demonstrating that the aforementioned insurance requirements have been met prior to the commencement of work under this contract. **The certificate(s) of insurance (COI) shall indicate that the policies have been endorsed to cover the County as an additional insured (a waiver of subrogation in lieu of additional insured status on the workers' compensation policy is acceptable)** and that these policies may not be canceled or modified without thirty (30) days prior written notice to the County.

The insurance coverage enumerated above constitutes the minimum requirements and shall in no way lessen or limit the liability of the vendor under the terms of the contract. Sub-Contractor's insurance shall be the responsibility of the vendor.
