**RFP #041521**

**Toter, LLC's Price List - Effective 9/1/2022**

**EVR™ OPTIONS RESIDENTIAL PRICE LIST**

OPTION DESCRIPTION	UNIT PRICE				
<b>Cart Options</b>					
<b>EVR Green - The industry's first-ever 100% recycled cart body:</b> Rotational molding of Toter cart bodies optimizes EVR-Green's superior impact strength and performance, allowing the use of 100% recycled cart bodies. Carts must be Toter's #200 Black body and lid, minimum 50 carts per order (all carts same model, #200 Black, same markings and features). Additional lead time may apply. EVR Green is subject to material availability in the quality Toter requires, especially for orders over 1,500 carts).	\$2.00				
<b>Standard Solid Colors:</b> (#940) Green, (#705) Blue, (#125) Gray, (#270 Brown), (#200) Black.	No Charge				
<b>Standard Granite Colors:</b> Upscale Granite Bodies with (#200) Black Lids. Available Colors are (#968) Greenstone Granite, (#929) Toter Green Granite, (#760) Navy Blue Granite, (#709) Bluestone Granite, (#149) Dark Gray Granite, (#129) Graystone Granite, (#279) Browstone Granite, (#249) Sandstone Granite, (#209) Blackstone Granite.	\$1.00				
<b>Non-Standard Colors:</b> Additional non-standard colors are available and can be quoted as required. Toter's non-standard colors are: (145) Midnight Gray, (240) Tan, (390) Yellow, (715) Hawaiian Blue, (718) Waste Blue, (760) Navy Blue, (925) Waste Green, (930) Dark Green. Minimum quantity of 500 units required for non-standard colors. Pricing varies depending on color and quantity.	Price On Request				
<b>Specialty and Custom Colors:</b> Specialty and Custom Colors are available and can be quoted as required. Minimum quantity of 500 required for specialty or custom colors. Pricing varies depending on color and quantity.	Price On Request				
<b>Color Change Fee for Specialty and Custom Colors:</b> Fee per order for any Specialty or Custom Colors.	<table border="0"> <tr> <td align="right"><b>Bodies</b></td> <td align="center">\$300.00</td> </tr> <tr> <td align="right"><b>Lids</b></td> <td align="center">\$2,500.00</td> </tr> </table>	<b>Bodies</b>	\$300.00	<b>Lids</b>	\$2,500.00
<b>Bodies</b>	\$300.00				
<b>Lids</b>	\$2,500.00				
<b>Snap-On Sunburst Wheels:</b> 10" x 1.75" (nominal) with knobby treads and made from high density polyethylene. Minimum RMA load rating of 200 pounds per wheel. Wheels are retained by means of a center aligned axle journal claw which snaps into a groove that is a full weight bearing surface.	\$0.50				
<b>Quiet Cap Wheels:</b> 10" x 1.75" (nominal) - high density polyethylene injection hub with a rubber "Quiet Cap" tread. The quiet cap deadens noise and provides improved slip resistance on smooth services. Minimum RMA load rating of 200 pounds per wheel. Wheels are retained with galvanized steel drive on pal nuts.	\$3.00				
<b>Quiet Cap Snap-On Wheels:</b> 10" x 1.75" (nominal) - high density polyethylene hub with a rubber "Quiet Cap" tread. The quiet cap deadens noise and provides improved slip resistance on smooth services. Minimum RMA load rating of 200 pounds per wheel. Wheels are retained by means of a zinc plated steel pin with stainless steel spring which snaps onto a retaining ring on the axle.	\$3.70				
<b>Cotter Pin and Washer Wheel Attachment:</b> Wheels retained with galvanized washers and galvanized 1/8" cotter pins.	\$0.95				
<b>Aluminum Drive Rivet for EVR I Stop Bar:</b>	\$0.25				
<b>110 Degree Lid Stop:</b>	\$2.00				
<b>Lid Insert:</b> User name imprinted in raised letters on front of lid.	\$0.25				

OPTION DESCRIPTION	UNIT PRICE
<b>Lid Hot Stamp:</b> User name hot stamped on front or center of lid. Price is per hot stamp.	\$0.25
<b>Body Hot Stamp:</b> User name hot stamped in white on side of container body. Container can be hot stamped on both sides. Price is per hot stamp.	\$0.25
<b>Die Charge:</b> One time die charge on new graphics for Lid Inserts, Lid Hot Stamps, and Body Hot Stamps.	\$300.00
<b>Mold-In Lid Graphics:</b> 1-4 Colors. Minimum Order - 500 units. Price per graphic will vary depending on graphic detail, size, number of colors used, and quantity ordered. Contact Toter's Sales Service Department at (800) 424-0422 for a quote.	Price On Request
<b>Mold-In Lid Graphic Die Charge:</b> One time charge per graphic.	\$500.00
<b>Bar Code/Serial Number Label:</b> Minimum Order - 500 units. Consecutively numbered bar code labels affixed to the cart as an in-mold graphic, typically near the serial number on the front of the cart body. Pricing varies depending on specific requirements and quantity ordered.	Price On Request
<b>Bar Code Set Up Fee:</b> One time charge per bar code.	\$185.00
<b>Ultra High Frequency (UHF) RFID Tag:</b> Passive (No Battery), Read Only. Factory installed and embedded in handle of cart body.	\$1.00
<b>Lids Assembled:</b> Carts shipped lids factory installed. Only available for Models 79221, 79321, 79221, 79224, 79232, 79332, 79235, 79248, 79348, 79264, and 79296.	NO CHARGE
<b>Wheels Assembled:</b> Carts shipped with wheels or lids factory installed. Only available for Models 79232, 79332, 79248, 79348, 79264, and 79296.	\$1.00
<b>Ready-to-Roll (Fully Assembled):</b> Carts shipped completely assembled from factory. Only available for Models 79232, 79332, 79248, 79348, 79264, 79296.	\$1.50
<b>Model VRI20:</b> 20 Gallon Insert (Models 52532 and 76532 Only); Black	\$22.41
<b>Model VRI10:</b> 10 Gallon Insert (Model 79224 Only); Black	\$19.99
<b>Additional Resin Weight in Cart: (Price Per Additional Pound)</b>	\$1.73
<b>Water Testing for Carts</b>	Price on Request
<b>Document Slot:</b> 12" x 1" slot for documents cut in lid for easy deposit of paper/documents without opening lid. Ends of slot are radiused.	\$4.00
<b>Can Collar:</b> Can collar is 4½" diameter flexible rubber opening, securely mounted to the cart lid with a stainless steel mounting ring and stainless steel rivets. Designed for easy push through of beverage cans with raising lid.	\$12.00
<b>Rubber Strap Latch 5":</b> Attached to the lid, this latch hooks into the saddle to secure the lid in extreme winds and animal intrusions. For use with Models 76532 and 76564.	\$6.50
<b>Rubber Strap Latch 9":</b> Attached to the lid, this latch hooks into the saddle to secure the lid in extreme winds and animal intrusions. For use with Models 76596, 79296, and 76596.	\$7.50
<b>DuraLatch (Modified Plastic Snap Latch):</b> Attached to the lid to secure lid. For use with Models 79296, 79264, 79248, 79232, 79235, and 79224 (with Gen 2 lids only) in semi-automated and automated collection.	\$4.00
<b>Economy Lock:</b> Only fits Models 79296, 79264, 79248, 79232, and 76532 (with Gen 1 lids only). Lid is secured in the closed position by a high strength steel locking hasp. The hasp is permanently mounted on the cart and lid using steel rivets and washers. The hasp accepts standard, off the shelf padlocks.	\$12.65
<b>Gravity Latch:</b> Automatic release latch mechanism that allows cart lid to open when cart is tipped into dump position by the truck lift. Latch may also be triggered to open by the end user. Optional version is a key lock, best used in semi-automated collection. For use on Models 79296, 79264, 79248, and 79232. Will require additional lead time.	\$32.80

OPTION DESCRIPTION	UNIT PRICE
<b>Spare Parts:</b> 1% Spare Parts (Lids, Wheels, Stop Bars, and fasteners) shipped with each order.	\$0.20

**RFP #041521**

**Toter, LLC's Price List - Effective 9/1/2022**

**FULL SERVICE CART MAINTENANCE RESIDENTIAL PRICE LIST**

**This service is intended to ensure that all City-owned Toter Carts remain in complete working order and that the City can accurately budget its annual cart program cost.**

1. Toter must provide field repair or replacement of all City-owned Toter Carts requiring maintenance service and deliver new carts to new residences within five (5) business days of receiving an electronic written work order from the City.
2. Toter is responsible for all repair or replacement cost, regardless of the cause of the maintenance problem (except fire, loss, theft or vandalism), including the cost of parts and City approved replacement carts.
3. Should the City choose to allow a resident to request "swap" of the cart size at his residence, Toter will retrieve the old cart and deliver a new or approved used cart provided by the City. The cost for each cart swap will be billed to the City at the end of each month.
4. Toter will base its maintenance decisions on the following: 1) specifically excluded items under Toter's Limited Warranty; 2) expired warranty; or 3) fire/ vandalism/ lost/ stolen. Maintenance will be provided to the City using City provided parts/carts. Toter's decisions as they relate to maintenance regarding these items shall be final.
5. The City and Toter will coordinate the submittal of periodic reports as required by the City to monitor the performance of the service program. The City will, at no cost to Toter, make space available on its yard and one small office space for Toter to operate this service from.
6. The contract shall extend for a period of from 1 to 10 years, at the City's discretion, with the City paying the contractor, in arrears on the first day of each month, a fee for each cart in service. Maintenance service on an additional cart delivered after the first day of a new month will be billed to the City, beginning on the first day of the month following the delivery to a resident. The contract shall be renewable in one year increments by mutual agreement of the City and Toter.

**Plastic Refuse and Recycling Containers with Related Technology Solutions  
RFP #041521**

**Toter, LLC's Price List - Effective 9/1/2022**

**CART MAINTENANCE SERVICE FOR A FLEET OF MIXED CART BRANDS  
AND/OR EXISTING TOTER CARTS RESIDENTIAL PRICE LIST**

**This service is intended to provide high productivity cart maintenance and cart delivery/retrieval service at a predictable cost while insuring uninterrupted collection service to all city or county residents.**

1. Toter will provide Cart Maintenance Service (as defined below) up to the specified maximum number of work orders per calendar month for the fee indicated. Unused work orders do not carry forward at the end of the month. Work orders are defined as city or county (hereafter “the City”) requests for cart repair, replacement, washing, and/or delivery of carts and retrieval of carts no longer needed for service (“Cart Maintenance Service”). Cart washing service at homes and/or on the street is not included in Cart Maintenance Services.
2. Toter will bill the City the stated fee for each work order in excess of the maximum number of orders in a calendar month.
3. Should the buyer consistently experience a level of work orders well above the purchased level of service the buyer and Toter may mutually agree on permanently changing to a higher level of service from those offered below. Toter will inform the buyer of the time period necessary to implement the higher service level.
4. Toter will use its best efforts to complete all work orders within three (3) to four (4) business days after receipt of the City’s work order. In cases where the resident does not leave the cart accessible for service, Toter will log that exception and will attempt a second service call within two (2) business days.
5. Toter will use City provided hardware and software if it is an integral part of delivering service to the residents. The City will provide both at no cost to Toter and will train Toter staff on its usage. Should the City’s system fail to function or not function properly Toter will document work order completion in another format for reporting to the City until the system is operating satisfactorily.
6. The City will provide, at no cost to Toter, a fenced in or otherwise secured work site with access to a bathroom for Toter’s Cart Maintenance Service operation. The site will include a station for the washing of returned carts that complies with federal, state and local environmental protection and wastewater laws and regulations as well as to a continuous supply of water for such washing. The site shall be of sufficient size for the parking of trucks and trailers as well as parts inventory. A small office with electricity, heat and air conditioning and potable water shall also be made available to Toter at no charge.
7. Toter will supply, at no charge to the City, replacement parts for Toter carts that are within the stated Toter warranty period and fail under the Toter warranty’s stated coverage. All other parts for Toter and other cart brands will be supplied by the City to Toter at no cost to Toter. The City will maintain the necessary parts inventory to insure work orders can be carried out within the specified time period.
8. Should City parts inventory not be available to repair damaged carts Toter will remove damaged cart from the residence and replace it with a new Toter cart from the City’s inventory of new, purchased carts. The damaged cart will be stripped of usable parts which will be delivered to the City’s inventory for use on future work orders. Toter will also redeploy cleaned, used carts if so directed by the City.

9. The City will provide Toter with a written list of the types of damage, by brand of cart, that are not to be repaired. Instead, a new Toter cart from the City's purchased cart inventory will be delivered and the damaged cart removed.
10. Used carts that are still serviceable will, at the City's direction, be retrieved, washed and returned to the City's cart inventory for future redeployment. Carts damaged by graffiti will not be redeployed. Unrepairable/unusable carts will be prepared for recycling of the plastic components. Toter will arrange for the recycling of the unusable plastic and any revenue from that recycling will be shared equally by the City and Toter. Toter and the City will cooperate in locating a local recycler to accept steel components. The City will arrange for and provide, at no cost to Toter, a disposal container and the collection/disposal service for wheels and other waste materials that cannot be recycled.
11. The City will grant permission to Toter for its employees and authorized agents to service City owned carts left at the curb regardless of whether the cart is in a public right of way or on private property near the curb. Toter employees and its authorized agents will not enter garages, car ports, back yards, fenced or other non-public areas to retrieve carts for service without authorization.
12. Toter will submit periodic reports as required by the City to monitor the performance of the program.
13. The contract will extend for a mutually agreed upon period of from one (1) to ten (10) years and may be extended annually by mutual agreement, with the City paying Toter in arrears on the 10th day of the month following the delivery of service.
14. Either party may terminate the contract with six (6) months advance written notice.

**Service price for the stated MAXIMUM number of work orders per month. This service is not available for fewer than a maximum of 700 monthly work orders.**

<b>Number of Work Orders Per Month</b>	<b>Monthly Premium</b>	<b>Incremental Fee For Each Work Order Over the Maximum</b>
