Re: Contract Number FSA18-VEH16.0 Cabs & Chassis Trucks and Heavy Equipment

We are pleased to announce that the Florida Sheriffs Association Cooperative Purchasing Program has successfully completed its 16th nationwide cooperative bid for heavy duty trucks and equipment. This contract is in effect beginning October 1, 2018 through September 30, 2019.

This year's bid includes 83 specifications and 356 makes and models. It offers cab and chassis trucks, loaders, bulldozers, lawn mowers, generators and much more.

The competitive process for this award began in February 2018, when stakeholders were surveyed regarding procurement needs. Specifications were developed based on prior year activity and new additions were added based on survey results and the Fleet Advisory Committee's review of commodities.

On May 8, 2018, a direct notification was sent to 521 prospective bidders to register for qualification to participate in the bid process. An advertisement of the Invitation to Bid was placed within the Florida Administrative Weekly on May 14, 2018 and again on May 29, 2018. From this ITB, 121 bidders responded to the pre-bid meeting registration. Of these respondents, 86 submitted bids and 81 qualified, responsive bidders were awarded after a review by the FSA Fleet Advisory Committee.

The Florida Sheriffs Association Cooperative Purchasing Program has followed the Contract Terms and Conditions to procure this contract.

Contract prices are extended and guaranteed to any local government or political subdivision of the state, public educational institutions, other public agencies or authorities with the State of Florida, and entities approved by the manufacturer to participate in this contract.

Out of state sales are permitted under this contract. All purchasers are bound by their local governing purchasing ordinances, rules and regulations.

All awarded vendors are governed by their manufacturer agreements and the Contract Terms and Conditions.
