

CONTRACT RENEWAL

Contract Number: FSA18-VEH16.0

Contract Name: Cab & Chassis Trucks and Heavy Equipment

Renewal Period: October 1, 2019 – September 30, 2020

The Florida Sheriffs Association (FSA) has renewed, through mutual agreement with awarded vendors, select specifications within Contract FSA18-VEH16.0, Cab & Chassis Trucks and Heavy Equipment. This contract renewal is in accordance with Section 3.04 Option to Renew with Price Adjustment of the Contract Terms and Conditions. Awarded vendors on this list have executed agreements signed as Addendum #3, dated July 1, 2019.

The price increases associated with this contract renewal are based on the Producer Price Index (PPI) as published by the U.S. Department of Labor, Bureau of Labor Statistics. This extension authorizes a price adjustment for each product listed and applies to the published options. Option pricing must remain below MSRP. Price increases may not exceed the published percent. FSA has published a schedule listing the authorized PPI percent to each item (Contract Renewal PPI Schedule).

To utilize this contract renewal, simply refer to original contract for the product under Contract FSA18-VEH16.0, Cab & Chassis Trucks and Heavy Equipment. Contact the awarded vendor using the Vendor Directory. To calculate the contract renewal price, use the original contract price and the percent increase on the Contract Renewal PPI Schedule.

Quotes from the awarded vendor must not exceed the original price plus the authorized PPI percent listed on the Contract Renewal PPI Schedule document for each Group, Make, and Model.

Options awarded with the item and Non-Scheduled Options shall be below Manufacturer Suggested Retail Price (MSRP). Therefore, while options awarded with the item may be increased according to the PPI, the final price may not exceed MSRP. See sections 2.13 and 3.17 of the Contract Terms and Conditions.

The Terms and Conditions remain in effect for the extended period for these products.

Items not included in this list have been re-bid under Contract FSA19-VEH17.0 Heavy Trucks and Equipment, to be awarded October 1, 2019.
