23. RFP -- EVALUATION

- 23.1. **Ranking Method:** Lee County uses the Dense Ranking (1223” ranking). In Dense Ranking, items that compare equal, receive the same ranking number, and the next item(s) receive the immediately following ranking number. This ranking method is used for each individual committee member’s scores. Thus if A ranks ahead of B and C (which compare equal) which are both ranked ahead of D, then A is ranked number 1 (“first”), B is ranked number 2 (“joint second”), C is also ranked number 2 (“joint second”) and D is ranked number 3 (“third”).
 - 23.1.1. Each Ranking is derived by the individual committee member’s scores being totaled and then ranked with the highest “score” being “ranked” first with each following in the same manner. For example: a score of 100 would rank 1, a score of 75 would rank 2, and continue until all proposals have been ranked.
 - 23.1.2. Upon completion of this method for each individual committee member the individual rankings are then totaled for an “Over-all Ranking.” During the Over-all Ranking process the lowest total would be deemed the highest ranked (1). Example: Proposer A individual rankings totaled 5 and Proposer B individual rankings totaled 7 making “Over-all Ranking” order as Proposer A ranked 1, Proposer B ranked 2.
 - 23.1.3. In the event of a tie, please refer to the tiebreaker section of this solicitation.)
- 23.2. **Evaluation Meeting(s):**
 - 23.2.1. Evaluation 1: The first evaluation will rank Proposers based on the scores from the selection criteria point values.
 - 23.2.2. Evaluation 2: Following the initial evaluation process, the short-listed proposer(s) will be required to provide an on-site interview/presentation.
 - 23.2.2.1. Such subsequent evaluations will be accomplished by simply ranking the proposers. Proposers will be ranked in sequential order with one (1) being the highest ranking. Proposers’ rankings will then be totaled with the total lowest scores receiving final rank order starting with one (1) - the highest ranking.
 - 23.2.3. Proposed short-list and final selection meeting dates are posted on the Procurement Management web page: www.leegov.com/procurement (Projects, Award Pending.)

24. RFP – SELECTION PROCEDURE

- 24.1. The selection will be made in accordance with Lee County Procurement Policy. Some or all of the responding proposer(s) may be requested to provide interviews and/or presentations of their proposal, for the ranking process.
- 24.2. The recommendation to award, negotiated rates and agreement/contract(s) will be submitted to the Board of County Commissioners for approval.
- 24.3. If a satisfactory agreement/contract(s) cannot be negotiated, in a reasonable amount of time, the County, in its sole discretion, may terminate negotiations with the selected proposer(s) and begin agreement/contract negotiations with the next finalist.
- 24.4. The Procurement Management Director reserves the right to exercise their discretion to:
 - 24.4.1. Make award(s) to one or multiple proposers.
 - 24.4.2. Waive minor informalities in any response;
 - 24.4.3. Reject any and all proposals with or without cause;
 - 24.4.4. Accept the response that in its judgment will be in the best interest of Lee County

25. RFP – TIEBREAKER

- 25.1. In the event of a tie, two or more proposers that have the same ranking, the following steps will be taken to determine the highest ranked proposer. This method shall be used for all (RFP) ties.
 - 25.1.1. Step 1: The proposer that has the highest number of 1st place rankings shall be deemed the first ranked proposer. In the event a tie still exists the proposer with the highest number of 2nd, place rankings shall be the first ranked proposer. Should a tie still remain the method used above will continue with each ranking level, 3rd, then 4th, then 5th, etc. rank, will be counted until the tie is broken.

- 25.1.2. Step 2: At the conclusion of step 1, if all is equal, the proposer having a drug-free work place program, shall be deemed the first ranked proposer.
- 25.1.3. Step 3: In the event the tie exists then the highest ranked proposer from the first evaluation committee meeting, in which point values were applied, will win the award. One being the highest.
- 25.1.4. Step 4: At the conclusion of steps 1, 2, 3, if all are equal, the 1st place proposer shall be determined by the flip of a coin.
- 25.2. When the tiebreaker is determined the highest ranked proposer shall be awarded the contract or receive the first opportunity to negotiate, as applicable.
- 25.3. If an award or negotiation is unsuccessful with the highest ranked proposer, award or negotiations may commence with the next highest ranked proposer.

26. RFP – EVALUATION/ SELECTION COMMITTEE

- 26.1. The selection shall be by a Selection Committee consisting of staff representatives from the appropriate County Departments as approved by the Procurement Management Director or designee.

Withdrawal requests must be made in writing to the Procurement Management Director, who will approve or disapprove the request.
- 27.2. A proposer may withdraw a proposal any time prior to the opening of the solicitation.
- 27.3. After proposals are opened, but prior to award of the contract by the County Commission, the Procurement Management Director may allow the withdrawal of a proposal because of the mistake of the proposer in the preparation of the proposal document. In such circumstance, the decision of the Procurement Management Director to allow the proposal withdrawal, although discretionary, shall be based upon a finding that the proposer, by clear and convincing evidence, has met each of the following four tests:
 - 27.3.1. The proposer acted in good faith in submitting the proposal,
 - 27.3.2. The mistake in proposal preparation that was of such magnitude that to enforce compliance by the proposer would cause a severe hardship on the proposer,
 - 27.3.3. The mistake was not the result of gross negligence or willful inattention by the proposer; and
 - 27.3.4. The mistake was discovered and was communicated to the County prior to the County Commission having formally awarded the contract/agreement.

1. a corporate resolution by the Board of Directors, or
1. an extract of minutes, or
3. an extract of Vote by the Board of Directors

If the company's articles of incorporation identify additional positions that have the power to bind the corporation, we will accept the articles of incorporation with verification from the president that a certain individual serves in that role (e.g., the president confirms that John Doe is the CEO, and the articles of incorporation provide that the CEO has the power to bind the company).

With respect to an LLC, the authority to bind a limited liability company is controlled by Florida statutes. Managers or managing members have inherent authority to bind an LLC.

If the president of a corporation or a manager/managing member of an LLC delegates their authority, such delegation must be sent to us on company letterhead with the President's or manager's/managing member's original, wet signature.

2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those offices, directors, executives, partners, shareholders, employees, members and agents who are active in the management of the affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not fair market value under an arm's length agreement, shall be a facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

5. I understand that a "person" as defined in Paragraph 287.133(1) (c), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter a binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of the entity.

6. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting those sworn statement. (Please indicate which statement applies.)

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, member, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearing and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. (Attach a copy of the final order)

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IS FILED.
