2. INDIVIDUAL PROJECT AWARDS

- 2.1. Any CPA \$25,000.00 or less may be awarded to any firm holding a valid contract under this bid, and able to meet the required schedule.
- 2.2. Any CPA over \$25,000.01, but less than \$300,000.00, the County shall be quoted by all approved firms holding a valid contract under this Solicitation. If there are fewer than three (3) approved firms holding a valid contract under this Solicitation, then all of the firms shall quote the project/task. When quotes are requested, the Vendor’s submittal shall be based on the unit prices contracted, or lower prices. The quote shall not list any prices that are higher. Award of the project shall be made to the firm holding a valid contract under the Solicitation, with the lowest quoted price, able to meet the required project schedule.
- 2.3. The County retains the right to select any Vendor to whom a multiple-Vendor award has been made.
- 2.4. The County retains the right to bid separately and competitively any, and all job estimates greater than \$200,000.00.
- 2.5. The Vendor shall provide quotes for all products and services as requested by the County. The County’s request for a quote does not authorize or otherwise guarantee issuance of a CPA for the work.
- 2.6. The Vendor’s quote for each CPA negotiated shall provide, at a minimum:
- 2.6.1. Project Detailed Scope of Work
- 2.6.2. Itemized pricing

3. ADDITIONAL SERVICES

- 3.1. Vendor shall ensure that project site is restored to the satisfaction of the County, at its sole discretion, following all work completed under this Agreement. Following project specific needs, additional services unrelated to specified scope of work as described herein may be required to provide for full project completion. Such services may be requested under this Agreement on a project-by-project basis where the Vendor or County deem necessary and applicable
