EXHIBIT A DETAILED SPECIFICATIONS

DETAILED SPECIFICATIONS

1. GENERAL SCOPE OF PROJECT

- 1.1. Lee County Board of County Commissioners seeks to contract with a qualified Vendor to administer an Abandoned Property Registration Program.
- 1.2. The purpose of this project is to establish an electronic registration process to limit and reduce the deterioration of property located within unincorporated Lee County, as contemplated by Lee County Ordinance 13-18. The mortgagee of a distressed property is required to register the property with the County. A property is distressed if it is under mortgage default; under a notice of mortgagee's sale or pending sale has been the subject of a mortgage foreclosure sale where title is retained by the mortgagee; or title has been transferred to a mortgagee under deed-in-lieu of foreclosure sale, short sale, or any other legal means. This registration program is a mechanism to protect neighborhoods from becoming blighted through the lack of adequate maintenance, or through distressed and/or abandoned properties that are subject to mortgages in default.

2. BACKGROUND

- 2.1. The mortgage foreclosure crisis has precipitated negative implications for communities trying to manage the resulting property vacancies, decreases in property values, lack of maintenance and other public health and safety issues. Identifying and locating owners or foreclosing parties who can correct these negative impacts and maintain the properties that are in the foreclosure process or have been foreclosed is necessary to protect neighborhoods and prevent them from becoming blighted.

3. SCOPE OF WORK

- 3.1. The Abandoned Property Registration Program ordinance was adopted by the County Commission on September 24, 2013 and became effective on January 1, 2014.
- 3.2. The annual registration amount was set by the County Commission at \$150 per property annually and is to be paid by the mortgagee. Registration funds collected shall be split equally between the County and the Vendor. The annual fee is non-negotiable.
- 3.3. The Vendor shall provide administration of records related to abandoned, foreclosed and vacant properties within unincorporated Lee County. The Vendor shall also provide inspection and verification of property status to determine if a property is in violation of the ordinance.
- 3.4. The program requires mandatory annual registration of properties, tracking of these properties, correspondence with mortgagees and property management companies to ensure compliance with County's ordinances and the administration of registry fees. All these services shall be provided without additional cost to the County.
- 3.5. The Vendor awarded shall be subject to periodic County audits and requests for information to verify that the properties registered are appropriate according to the ordinance.
- 3.6. The ordinance applies only to distressed properties within unincorporated Lee County.
- 3.7. If a property is distressed, it is the responsibility of the lending institution to perform the following actions:
 - 3.7.1. Register the property with the Lee County Department of Community Development
 - 3.7.2. Designate and retain a local agent responsible for the security and maintenance of the property.
- 3.8. To relieve the County of the administrative burden and to bring additional expertise to this area of work, the County is now seeking the services of a Vendor to perform the additional work outlined below.

4. OBJECTIVE

- 4.1. The Vendor shall build and maintain a searchable electronic data base of property records meeting the ordinance criteria. The data base shall be compatible with the County's existing data base and readily available for use by County staff. The data base shall be a Public Record and shall be readily accessible for searches and reproducible information to comply with Florida law related to public record requests.
- 4.2. The Vendor shall work with Lee County staff to develop a Registration to create individual property records that capture, at a minimum, the following information below:
 - 4.2.1. Case Number
 - 4.2.2. Property Address; Lot #, Strap #, etc.
 - 4.2.3. Local Agent; name, contact, address, telephone, fax, email
 - 4.2.4. Mortgagee; name, contact, address, telephone, fax, email
 - 4.2.5. Property Management Company; name, contact, address, telephone, fax, email
 - 4.2.6. Owner of Record; name, contact, address, telephone, fax, email
 - 4.2.7. Mailing addresses may not be a Post Office Box.
- 4.3. The Vendor shall track and promptly report changes of information and all changes in status to the County in conjunction with updating the data base.
- 4.4. The Vendor shall be responsible for communicating the details and requirements of the Ordinance to the Real Estate Banking and Lending Communities, and all applicable interested parties.
- 4.5. The Vendor shall provide letters of notification to mortgagees of properties that come under the Ordinance and shall identify those properties in violation of the Ordinance. The costs associated with providing these notices shall be borne by Vendor selected to administer the program.
- 4.6. The Vendor, through research and information gathering, shall be responsible for identifying the names of mortgagees, agents, and owners of properties in violation of the Ordinance and shall work closely with County Staff in the areas of registration, fee collection and enforcement.
- 4.7. Registration fees shall be transmitted to the County on a weekly basis along with supporting documentation, in a reproducible electronic format, to substantiate the charges and the properties involved.
- 4.8. The Vendor shall provide monthly electronic reports to the County. The reports shall include at a minimum the number of registrations processed, the address and strap number for each processed property, and the amount collected.
- 4.9. The selected Vendor shall be required to assist the County as necessary to provide a timely response to public records requests. Any data, memos, letters, or records produced by the Vendor as a result of being awarded this contract are a public record and shall be made available upon request.

- 4.14. The selected Vendor may be required to work as part of a team and participate closely with other professionals and County Staff on an intermittent basis and without additional cost to the County.
- 4.15. The selected Vendor shall hold all State, Federal and County licenses required to perform the scope of work. The selected Vendor shall ensure compliance with all laws, rules, codes, ordinances, and licensing requirements that are applicable to the conduct of its business, including those of Federal, State and Local Agencies having jurisdiction and authority. The County expressly desires the selected Vendor to keep all the files and records that pertain to the projects and transmit the files electronically to the County monthly.
