# DETAILED SPECIFICATIONS

## 1. GENERAL SCOPE OF PROJECT

1.1 Lee County Board of County Commissioners seeks to contract with a highly professional, qualified firm to provide a broad range of services under its Community Development Block Grant Disaster Recovery (CDBG-DR) allocation for individual housing project implementation, including, but not limited to, outreach, case management, eligibility determination, construction oversight, activity closeout, and ongoing monitoring. Individual housing activities may include, but are not limited to, the rehabilitation, reconstruction and/or elevation of owner or renter occupied housing units, home purchase assistance, and voluntary residential buyout. Rehabilitation, reconstruction, and/or elevation of renter occupied housing for the purposes of the RFP will include only buildings with less than five (5) rental units.

## 2. BACKGROUND

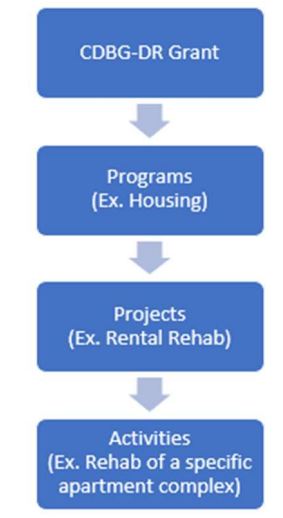

2.1 Hurricane Ian made landfall in Lee County on Sept. 28, 2022, as a Category 4 storm with a wind speed of 155 mph. It is the fifth largest storm in U.S. history. Assessments show Ian caused more than \$7.3 billion in damage to residential and commercial structures, with major impacts to infrastructure, businesses, and all of Lee County’s beaches and parks. The storm left more than 130,000 residents in need of housing assistance.

2.2 The U.S. Department of Housing and Urban Development (HUD) allocated approximately \$1.1 billion in CDBG-DR funds to support disaster relief, long-term recovery, restoration of infrastructure and housing, economic revitalization, and mitigation in Lee County ([see 88 FR 32046](#)). Lee County’s Office of Strategic Resources and Government Affairs (the County) is responsible for the management of the CDBG-DR funding, and implementation of projects under the CDBG-DR Action Plan.

## 3. DETAILED SCOPE / TECHNICAL SPECIFICATIONS

### 3.1 Terms Specific to CDBG-DR

3.1.1 Under the CDBG-DR grant, the funding is allocated into spending categories termed “programs.” Programs are the high-level eligible activities, like planning, infrastructure, etc. Under each program, the County designates “projects” to determine how the program money will be spent. Projects are specific funding opportunities under each program, like roadways, etc. When a subrecipient receives an award under a project, they are conducting an “activity.” Activities are unique undertakings, like construction on a specific roadway.

### 3.2 General Overview of Project

3.2.1 The Vendor shall provide project implementation, case management, and construction oversight of the County’s CDBG-DR individual housing assistance projects. Such activities shall be carried out in

full compliance with HUD requirements and under the general direction of the County. Each task shall be assigned through use of a Task Order that will authorize the work. No work is authorized under the contract until execution of a Task Order by both parties.

- 3.2.2 Under a separate RFP (RFP230391BAG CDBG-DR Program Management and Implementation Staff Augmentation), the County is soliciting a contract for a vendor to provide program management staff augmentation, grant compliance and monitoring activities, environmental reviews, project implementation, and administrative coordination and support (the “staff augmentation vendor”). The vendor awarded under this RFP and the staff augmentation vendor will be required to coordinate from time to time as further described throughout the tasks below.
- 3.2.3 The County anticipates that the first Task Order, which will include Task 1 staffing and activities, will be executed at the same time as the contract. The awarded vendor must have the ability to mobilize staff in accordance with the Task Order immediately after approval.
- 3.2.4 As part of regular management of its activities in delivery of services under the contract, the Vendor shall, in part:
  - 3.2.4.1 Provide all necessary equipment and supplies for its staff working under this contract.
  - 3.2.4.2 Establish a functional organization structure with proper administrative oversight.
  - 3.2.4.3 Submit monthly invoices including individual time sheets, if required, and evidence indicating the percent of work complete for each task order.
  - 3.2.4.4 Submit monthly activity reports indicating the status of projects. These reports shall include any areas of concern or needs identified by the Vendor.
  - 3.2.4.5 Meet at least one time weekly, potentially more frequently, with the County’s contract manager and cooperate with all County monitoring activities for contract oversight.
  - 3.2.4.6 The County will assume the responsibility for compliance monitoring during the affordability period beyond the term of the contract resulting from this solicitation. The County does not expect to contract for these services in the future, and the Vendor shall assist in the comprehensive transfer of data, documentation, and processes from Vendor to County at the end of the contract term, or Task Order term, whichever applies.

### **3.3 Vendor’s Personnel**

- 3.3.1 After contract award and throughout the term of the contract, the Vendor shall provide and keep current an organizational chart and supervisory hierarchy to ensure adequate staffing levels, staff oversight, and accountability. The Vendor shall designate a primary manager who will maintain frequent communication with the County’s contract manager, which may include a standing weekly meeting.
- 3.3.2 Vendor shall not substitute key personnel assigned to the performance of this Contract without prior written approval by the County. Vendor shall notify the County’s contract manager of any desired substitution, including the name(s), resumes, and references of Vendor’s recommended substitute personnel. The County will approve or disapprove the requested substitution in a timely manner. The County may, in its sole discretion, direct the Vendor to terminate the services of any person providing services under the contract. Upon such termination, the County may request acceptable substitute personnel or terminate the contract services provided by such personnel.

### **3.4 Location of Work**

- 3.4.1 The Vendor must meet the County’s expectations for collaboration, staff oversight, hours of availability, productivity, and collaboration in all aspects of this project. Unless onsite work is

specifically required by the County, the Vendor may propose remote work for any staff provided, and the County may consider approval as part of a Task Order under the contract. The County expects that the hourly rate for remote work employees will be discounted as a result of reduced overhead costs. The pricing proposals will be scored based on the on-site hourly rate, but the Proposal Form allows proposers to provide the discounted hourly rates for remote work staff. Clear performance expectations, work hours, and a plan for oversight must be included in the Vendor’s request for remote work personnel.

3.4.2 On-site work will take place in County facilities within Lee County, Florida. Exact work locations are to be determined, and some staff positions may require travel within the County for meetings and program oversight. The County will not pay for relocation or housing of staff assigned but will reimburse expenses for travel that is necessary to complete objectives under the contract. Such travel will be considered on a case-by-case basis and in accordance with the County’s Travel Policy, as amended from time to time.

3.4.3 Generally, personnel provided by the Vendor shall work no more than 40 hours per week each, and work hours are limited to times between 7:00 a.m. to 6:00 p.m. Monday through Friday. Staff members must take meal breaks as required by law and no staff member may be scheduled to work more than 12 hours in one shift. Variations in these work hours may be approved by the County on a case-by-case basis.

If the company's articles of incorporation identify additional positions that have the power to bind the corporation, we will accept the articles of incorporation with verification from the president that a certain individual serves in that role (e.g., the president confirms that John Doe is the CEO, and the articles of incorporation provide that the CEO has the power to bind the company).

## Immigration Law Affidavit Certification

The Employment Eligibility Verification System (E-Verify) operated by the Department of Homeland Security (DHS) in partnership with the Social Security Administration (SSA), provides an Internet-based means of verifying employment eligibility of workers in the United States; it is not a substitute for any other employment eligibility verification requirements. The program will be used for Lee County formal Invitations to Bid (ITB) and Request for Proposals (RFP) including professional services and construction services.

Exceptions to the program:

- Commodity based procurement where no services are provided.

***Vendors / Bidders are required to enroll in the E-Verify program. Vendors are required to provide the Lee County Procurement Department an executed affidavit certifying they shall comply with the E-Verify Program. The affidavit is attached to the solicitation documents. (Please provide proof of E-verify Account)***

Additionally, vendors shall require all subcontracted vendors to use the E-Verify system for all purchases not covered under the "Exceptions to the program" clause above.

For additional information regarding the Employment Eligibility Verification System (E-Verify) program visit the following website: <http://www.dhs.gov/E-Verify>. It shall be the vendor's responsibility to familiarize themselves with all rules and regulations governing this program.

Vendor acknowledges, and without exception or stipulation, any firm(s) receiving an award shall be fully responsible for complying with the provisions of the Immigration Reform and Control Act of 1986 as located at 8 U.S.C. 1324, et seq. and regulations relating thereto, as either may be amended and with the provisions contained within this affidavit. Failure by the awarded firm(s) to comply with the laws referenced herein or the provisions of this affidavit shall constitute a breach of the award agreement and the County shall have the discretion to unilaterally terminate said agreement immediately.

The dollar amount specified for contract awards is based on total project costs and therefore all contracts involved in the project are subject to the provisions specified. The following contract provisions are required by HUD Regulations 24 CFR Part 75.

- A. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). - B. The parties to this contract agree to comply with HUD's regulations in 24 CFR Part 75, which implement Section 3 and the Final Rule. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 75 regulations.
- C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or worker's representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. This notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipate date the work shall begin.
- D. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 75, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations outline in 24 CFR Part 75. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of 24 CFR Part 75 regulations.
- E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed and (2) with persons other than those to whom the regulations of 24 CFR Part 75 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR Part 75.
