1. QUESTIONS/ANSWERS

1.	Would the County be open to negotiating a lower daily amount of the LDs? \$50,000/day is unusually high. Industry standards range from \$1,000 to \$10,000/day in other municipalities around the country.
Answer	The County will not negotiate a lower daily amount of the liquidated damages. See Special Conditions on page 17, section 3 of the solicitation documents. Within this section, the County has provided the reasoning, the formula and its calculations as to how it determined the established liquidated damages amount for this project.
2.	Is there a limit to the LDs?
Answer	See Special Conditions on page 17, section 3 of the solicitation documents. In accordance with the terms set forth in the Agreement, for each consecutive calendar day of delay in achieving Substantial Completion as set forth herein, the Contractor shall be liable to the County for liquidated damages in the amount of \$50,000 per calendar day.
3.	Would Lee County accept a Performance and Payment Bond on an AIA (American Institute of Architects) form?
Answer	No other Payment and Performance Bond forms will be accepted by the County. See Special Conditions on page 16, section 2.4. Only Lee County form(s) may be accepted. Forms are available at https://www.leegov.com/procurement/forms.
