This ranking method is used for each individual committee member’s scores. Thus if A ranks ahead of B and C (which compare equal) which are both ranked ahead of D, then A is ranked number 1(“first”), B is ranked number 2 (“joint second”), C is also ranked number 2 (“joint second”) and D is ranked number 3 (“third”).
- 23.2. **Evaluation Meeting(s):**
- 23.2.1. The first evaluation will rank Proposers based on the scores from the selection criteria point values.
- 23.2.2. Following the initial evaluation process, the short-listed proposer(s) may be required to provide an on-site interview/presentation.

Proposers will be ranked in sequential order with one (1) being the highest ranking. Proposers’ rankings will then be totaled with the total lowest scores receiving final rank order starting with one (1) that shall indicate the highest technically evaluated and most qualified Proposer by the evaluation committee.
- 23.2.4. Proposed short-list and final selection meeting dates are posted on the Procurement Management web page: [www.leegov.com/procurement](http://www.leegov.com/procurement) (Projects, Award Pending.)

- 24.4.4. Accept the response that in its judgment will be in the best interest of Lee County
25. RFP – TIEBREAKER
- 25.1. In the event of a tie, two or more proposers that have the same ranking, the following steps will be taken to determine the highest ranked proposer. This method shall be used for all (RFP) ties.
- 25.1.1. Step 1: The proposer that has the highest number of 1<sup>st</sup> place rankings shall be deemed the first ranked proposer. In the event a tie still exists the proposer with the highest number of 2<sup>nd</sup>, place rankings shall be the first ranked proposer. Should a tie still remain the method used above will continue with each ranking level, 3<sup>rd</sup>, then 4<sup>th</sup>, then 5<sup>th</sup>, etc. rank, will be counted until the tie is broken.
- 25.1.2. Step 2: In the event the tie exists then the highest ranked proposer from the first evaluation committee meeting, in which point values were applied, will win the award. One being the highest.
- 25.2. When the tiebreaker is determined the highest ranked proposer shall be awarded the contract or receive the first opportunity to negotiate, as applicable.
- 25.3. If an award or negotiation is unsuccessful with the highest ranked proposer, award or negotiations may commence with the next highest ranked proposer.
26. RFP – EVALUATION/ SELECTION COMMITTEE
- 26.1. The selection shall be by a Selection Committee consisting of staff representatives from the appropriate County Departments as approved by the Procurement Management Director or designee unless otherwise mandated by law.

- 26.2. The Selection Committee will receive and review written proposals in response to this Request for Proposal (RFP). - 26.3. The County reserves the right, where allowable and applicable, to begin negotiations with the top ranked firm(s) without hosting interviews/presentations.

- 27.2. A proposer may withdraw a proposal any time prior to the opening of the solicitation.
- 27.3. In such circumstance, the decision of the Procurement Management Director to allow the proposal withdrawal, although discretionary, shall be based upon a finding that the proposer, by clear and convincing evidence, has met each of the following four tests:
  - 27.3.1. The proposer acted in good faith in submitting the proposal,
  - 27.3.2. The mistake in proposal preparation that was of such magnitude that to enforce compliance by the proposer would cause a severe hardship on the proposer,
  - 27.3.3. The mistake was not the result of gross negligence or willful inattention by the proposer; and
  - 27.3.4. The mistake was discovered and was communicated to the County prior to the County Commission having formally awarded the contract/agreement.

## 28. PROTEST RIGHTS

#### IMPORTANT:

For corporations, ALL documents must be signed by the president of the company or an authorized individual. For any individual other than the president, we will need one of the following to confirm their authority to sign:

1. a corporate resolution by the Board of Directors, or
2. an extract of minutes, or
3. an extract of Vote by the Board of Directors

If the company's articles of incorporation identify additional positions that have the power to bind the corporation, we will accept the articles of incorporation with verification from the president that a certain individual serves in that role (e.g., the president confirms that John Doe is the CEO, and the articles of incorporation provide that the CEO has the power to bind the company).

With respect to an LLC, the authority to bind a limited liability company is controlled by Florida statutes. Managers or managing members have inherent authority to bind an LLC.

If the president of a corporation or a manager/managing member of an LLC delegates their authority, such delegation must be sent to us on company letterhead with the President's or manager's/managing member's original, wet signature.

## Vendors and Service Providers, and How They Function

Small businesses/merchants may come into contact with a number of payment vendors or services providers, and it is important for merchants to understand the type of vendor they are working with and ensure the vendor has taken appropriate steps to protect card data.

The table on page 2 describes the most common types of payment vendors and service providers and what merchants should look for with each vendor.

The table starting on page 3 provides merchants with questions they can ask their vendors or service providers to help them understand what the vendor's or service provider's role is in protecting card data.

# Questions

The table below contains a series of questions for merchants to ask their vendors/service providers to determine whether the proper controls are in place to protect card data.

QUESTION <i>Asked by the merchant to the vendor</i>	DESIRED ANSWER FROM VENDOR	RECOMMENDED ACTION <i>Based on the vendor's response</i>
<b>HOW SECURE IS YOUR SOLUTION OR PRODUCT?</b>		
<p><b>1.</b> Does your solution/product ensure the secure capture and transmission of cardholder data?</p>	<p><b>For face-to-face card-present payment transactions:</b>  <b>YES</b></p> <ul style="list-style-type: none"> <li>• Check here to see whether the payment terminal is PCI PTS approved:  <a href="#">List of PCI Approved PTS Devices</a></li> </ul> <p>AND/OR</p> <ul style="list-style-type: none"> <li>• Check here to see whether the payment application is PCI PA-DSS validated:  <a href="#">List of PCI PA-DSS of Validated Payment Applications</a></li> </ul> <p>OR</p> <ul style="list-style-type: none"> <li>• Check here to see whether the encryption solution is PCI P2PE validated:  <a href="#">List of PCI P2PE Validated Solutions</a></li> </ul> <hr/> <p><b>For card-not-present payment transactions (including e-commerce, mail order/telephone order):</b>  <b>YES</b></p> <ul style="list-style-type: none"> <li>• Check here to see whether the payment application is PCI PA-DSS validated:  <a href="#">List of PCI PA-DSS of Validated Payment Applications</a></li> </ul> <p>OR</p> <ul style="list-style-type: none"> <li>• Check here to see whether the service provider is a PCI DSS Compliant Service Provider:  <a href="#">MasterCard's List of Compliant Service Providers</a>  <a href="#">Visa's Global Registry of Service Providers</a>  <a href="#">Visa Europe's Registered Member Agents</a></li> </ul>	<p>If <b>NO</b>, ask Question 2.</p>

# Questions

QUESTION <i>Asked by the merchant to the vendor</i>	DESIRED ANSWER FROM VENDOR	RECOMMENDED ACTION <i>Based on the vendor's response</i>
<b>HOW SECURE IS YOUR SOLUTION OR PRODUCT?</b> <i>continued</i>		
<p><b>2.</b> Does our agreement with you (the vendor) include clauses that state that you will maintain PCI DSS compliance for your product/service (or become PCI DSS validated)?</p>	<p><b>YES</b></p> <p>Vendors with products/solutions that are or will become PCI DSS compliant should be willing to have that status included in a written agreement.</p> <p>For additional information on evidence to look for regarding PCI DSS compliant products/solutions, refer to Question 1 above.</p>	<p>If <b>NO</b>, consider another vendor or solution.</p>
<p><b>3.</b> Does your product/solution store payment card information locally (in my store/shop location)?</p>	<p><b>NO</b></p> <p>If it does, merchants can consider a tokenization or encryption solution to better secure card data. See the <a href="#">Guide to Safe Payments</a> for more information about encryption and tokenization.</p>	<p>If <b>YES</b>, merchant should confirm with vendor that the data is stored per PCI DSS requirements. If not, consider another vendor.</p>
<p><b>4.</b> Does your product/solution protect payment card information with strong encryption?</p>	<p><b>YES</b></p> <p>Encryption is a way of securing information so it is less likely to be stolen. If you can, select from the <a href="#">List of PCI P2PE Validated Solutions</a>, where card data is secured as soon as you receive it and is protected as it travels through your network.</p>	<p>If <b>NO</b>, consider another vendor or solution.</p>

# Questions

QUESTION <i>Asked by the merchant to the vendor</i>	DESIRED ANSWER FROM VENDOR	RECOMMENDED ACTION <i>Based on the vendor's response</i>
<b>HOW SECURE IS THE INSTALLATION OF MY PRODUCT?</b>		
<p><b>5.</b> If vendor is installing a payment application from the PCI Council's <a href="#">List of Validated Payment Applications</a>, ask:</p> <p>Are you a PCI Qualified Integrator or Reseller (QIR)?</p>	<p><b>YES</b></p> <p>A QIR is trained and qualified by the Council to install and integrate PA-DSS payment applications, and their installations provide confidence that the PA-DSS payment application has been implemented in a manner that supports your PCI DSS compliance.</p> <p>Check here to see whether the vendor is listed: <a href="#">List of PCI QIRs</a>.</p>	<p>If <b>NO</b>, ask follow-up questions at left.</p>
<p><b>Follow-up questions if response to above is NO:</b></p> <p>If the application the vendor is installing is not PCI SSC validated, or if the vendor is not a QIR, ask:</p> <ul style="list-style-type: none"> <li>• Do you provide support during installation to ensure our implementation meets PCI DSS requirements?</li> <li>• Do you provide an implementation guide?</li> <li>• Do you provide installation guidance on how to ensure card data is protected wherever it is stored, processed, or transmitted?</li> </ul>	<p><b>YES</b></p> <p>The vendor should have defined processes to assist you with installation of solution in compliance with PCI DSS requirements. Improper installation can make the solution vulnerable to data compromise.</p> <p>You are seeking a statement from the vendor that explains how they help you ensure PCI DSS requirements are or can be met for the product/solution.</p>	<p>If <b>NO</b>, consider another vendor.</p>

# Questions

QUESTION <i>Asked by the merchant to the vendor</i>	DESIRED ANSWER FROM VENDOR	RECOMMENDED ACTION <i>Based on the vendor's response</i>
<b>DO YOU PROVIDE ME WITH ONGOING SUPPORT AND MAINTENANCE FOR YOUR PRODUCT/SOLUTION? IF SO, HOW?</b>		
<p><b>6.</b> Is your product/solution installed on my network or systems?</p>	<p><b>YES</b></p> <p>The vendor should provide on-going maintenance and support for software updates and security patches. In addition, they should provide and offer support for future version releases.</p> <p>It is in your best interest to have vendors/suppliers that fully support their products and assist you with installations/patches to ensure any changes to the system align to PCI requirements.</p>	<p>If the response is <b>YES</b>, see follow-up questions at left.</p> <p>If <b>NO</b>, go to Question 7.</p>
<p><b>Follow-up questions if response to above is YES:</b></p> <ul style="list-style-type: none"> <li>• Do you install patches and updates to the system/solution?</li> <li>• Do you do this in a manner that aligns to PCI DSS requirements?</li> <li>• How do you notify me; how are patches made available; and what support do you provide?</li> </ul>	<p><b>YES</b></p> <p>If the solution is never updated, it may become vulnerable to future compromises.</p>	<p>If <b>NO</b>, consider another vendor.</p>
<p><b>7.</b> Is the solution installed on systems owned and maintained (hosted) by the service provider?</p>	<p><b>YES</b></p> <p>This is considered a Managed Service. If the service provider is hosting the solution, ask for their PCI DSS Attestation of Compliance and whether their assessment included the service you are using.</p>	<p>If <b>YES</b>, ask follow-up question at left.</p>
<p>Follow-up question if response to above is <b>YES</b>:</p> <p>Is the service provider's environment PCI DSS compliant?</p>	<p>Check that the service provider is on one of these lists:</p> <ul style="list-style-type: none"> <li><a href="#">MasterCard's List of Compliant Service Providers</a></li> <li><a href="#">Visa's Global Registry of Service Providers</a></li> <li><a href="#">Visa Europe's Registered Member Agents</a></li> </ul>	<p>If <b>NO</b>—if the managed service is not PCI DSS compliant—consider another solution.</p>

# Questions

QUESTION <i>Asked by the merchant to the vendor</i>	DESIRED ANSWER FROM VENDOR	RECOMMENDED ACTION <i>Based on the vendor's response</i>
<b>DO YOU PROVIDE ME WITH ONGOING SUPPORT AND MAINTENANCE FOR YOUR PRODUCT/SOLUTION?</b> <i>continued</i>		
<p><b>8.</b> Do you require remote access to my payment system/solution to support it?</p>	<p><b>NO</b></p> <p>Remote access is frequently exploited in payment-data breaches. Remote access functionality should be limited to brief periodic use, and disabled at all other times.</p>	<p>If <b>NO</b>, go to Question 9.</p> <p>If <b>YES</b>, ask follow-up questions at left.</p>
<p><b>Follow-up questions if response to above is YES:</b></p> <ul style="list-style-type: none"> <li>Do you require remote access to be always active?</li> </ul>	<p><b>NO</b></p> <p>Remote access functionality should be limited to brief periodic use, and disabled at all other times.</p>	<p>If <b>YES</b>—If remote access is required to be always active—consider another vendor or solution.</p>
<ul style="list-style-type: none"> <li>What steps do you take to secure remote access connections?</li> </ul>	<p><b>Your vendor should use multi-factor authentication AND a different username and password for each customer they access remotely.</b></p> <p>Remote access connections can be secured through use of unique user IDs and passwords for each person using the system. In addition, multiple ways of verifying the identity of the person accessing the system (multi-factor authentication) should be used.</p> <p>Vendors that use unique username/passwords for each of their customers prevent a compromise of one of their customers from resulting in a compromise of many or all of their other customers via use of a common username and password.</p>	<p>If the product/solution does not offer multi-factor authentication for remote access, consider another solution.</p>
<p><b>9.</b> Is the solution/product required to integrate with my other systems—for example, payment terminals, accounts receivable, or other systems that contain cardholder data?</p>	<p><b>NO</b></p> <p>A stand-alone payment terminal is simpler to secure than a more complex payment system that may have numerous connected systems.</p> <p>If the solution does require integration with other systems, does it simplify your processing environment, and/or how will it add value to your business? You should have a strong business need for integration, as using an integrated solution will increase PCI DSS scope because it makes your cardholder data environment larger and more complex.</p>	<p>If <b>YES</b>, consider another vendor or product unless there is a strong business requirement for having a more sophisticated solution with connections to other systems.</p>

# Questions

<b>QUESTION</b> <i>Asked by the merchant to the vendor</i>	<b>DESIRED ANSWER FROM VENDOR</b>	<b>RECOMMENDED ACTION</b> <i>Based on the vendor's response</i>
<b>WHAT HAPPENS IF THERE IS A DATA BREACH?</b>		
<b>10.</b> In the event that there is a data breach and your product/solution is involved: <ul style="list-style-type: none"> <li>• If I experience penalties, do you offer support and protection?</li> <li>• How and when do you notify me if there is a breach?</li> <li>• What monitoring for data breaches and suspicious activities do you provide?</li> </ul>	<b>YES</b> The vendor/service provider should provide support in the event of a cardholder data breach.  The vendor/service provider should agree to cooperate with a forensics investigator, if there are questions about the managed service or solution they provide.  The vendor/service provider should indemnify the merchant for fines incurred in the event there is a breach and it is determined that the vendor solution is the root cause.	If <b>NO</b> , consider another vendor or solution.
<b>11.</b> Does the vendor/service provider carry insurance to cover data breaches related to their product/solution?	<b>YES</b> Having insurance illustrates the vendor/service provider has thought through their responsibility and liability related to card data breaches.  If <b>YES</b> , ask about the scope of coverage and whether your implementation will be covered.	If <b>NO</b> —if the vendor does not have insurance or is not willing to self-insure—consider obtaining your own insurance or using another vendor.
<b>12.</b> Does the vendor/service provider assist with notification of my customers in the event of a data breach and your product solution is the root cause?  If <b>YES</b> , to what degree do you assist with notification? <ul style="list-style-type: none"> <li>• Do you cover the cost?</li> <li>• Do you send the notifications?</li> <li>• Do you provide credit monitoring for the customers impacted?</li> </ul>	<b>YES</b> Vendors/service provider should be willing to assist merchants with breach notification when their payment system is the root cause of the breach.	If <b>YES</b> , ask follow-up questions at left.  If <b>NO</b> —if the vendor does not assist with notification—you should develop a plan for notification and/or consider another vendor.

### Proposed Submission

Each Bidder/Offeror, as part of its submission, shall supply the following information:

1. A completed **DBE Utilization Form** (see below) that indicates the percentage and dollar value of the total bid/contract amount to be supplied by Disadvantaged Business Enterprises under this Contract.
2. A list of those qualified DBE's with whom the Bidder/Offeror intends to contract for the performance of portions of the work under the Contract, the agreed price to be paid to each DBE for work, the Contract items or parts to be performed by each DBE, a proposed timetable for the performance or delivery of the Contract item, and other information as required by the **DBE Participation Schedule** (see below). No work shall be included in the Schedule that the Bidder/Offeror has reason to believe the listed DBE will subcontract, at any tier, to other than another DBE. If awarded the Contract, the Bidder/Offeror may not deviate from the DBE Participation Schedule submitted in response to the bid. Any subsequent changes and/or substitutions of DBE firms will require review and written approval by the AGENCY.
3. An original **DBE Letter of Intent** (see below) from each DBE listed in the **DBE Participation Schedule**.

## LEE COUNTY TRANSIT GRANT-FUNDED PROCUREMENT GENERAL PROVISIONS

4. An original **DBE Affidavit** (See below) from each DBE stating that there has not been any change in its status since the date of its last certification.

### **Good Faith Efforts**

If the Bidder/Offeror is unable to meet the goal set forth above (DBE Participation Goal), the AGENCY will consider the Bidder/Offeror's documented good faith efforts to meet the goal in determining responsiveness. The types of actions that the AGENCY will consider as part of the Bidder/Offeror's good faith efforts include, but are not limited to, the following:

1. Documented communication with the AGENCY's DBE Coordinator (questions of IFB or RFP requirements, subcontracting opportunities, appropriate certification, will be addressed in a timely fashion);
2. Pre-bid meeting attendance. At the pre-bid meeting, the AGENCY generally informs potential Bidder/Offeror's of DBE subcontracting opportunities;
3. The Bidder/Offeror's own solicitations to obtain DBE involvement in general circulation media, trade association publication, minority-focus media and other reasonable and available means within sufficient time to allow DBEs to respond to the solicitation;
4. Written notification to DBE's encouraging participation in the proposed Contract; and
5. Efforts made to identify specific portions of the work that might be performed by DBE's.

The Bidder/Offeror shall provide the following details, at a minimum, of the specific efforts it made to negotiate in good faith with DBE's for elements of the Contract:

1. The names, addresses, and telephone numbers of DBE's that were contacted;
2. A description of the information provided to targeted DBE's regarding the specifications and bid proposals for portions of the work;
3. Efforts made to assist DBE's contacted in obtaining bonding or insurance required by the Bidder or the Authority.

Further, the documentation of good faith efforts must include copies of each DBE and non-DBE subcontractor quote submitted when a non-DBE subcontractor was selected over a DBE for work on the contract. 49 C.F.R. § 26.53(b) (2) (VI). In determining whether a Bidder has made good faith efforts, the Authority may take into account the performance of other Bidders in meeting the Contract goals. For example, if the apparent successful Bidder failed to meet the goal, but meets or exceeds the average DBE participation obtained by other Bidders, the Authority may view this as evidence of the Bidder having made good faith efforts.

### **Administrative Reconsideration**

Within five (5) business days of being informed by the AGENCY that it is not responsive or responsible because it has not documented sufficient good faith efforts, the Bidder/Offeror may request administrative reconsideration. The Bidder should make this request in writing to the AGENCY's [Contact Name]. The [Contact Name] will forward the Bidder/Offeror's request to a reconsideration official who will not have played any role in the original determination that the Bidder/Offeror did not document sufficient good faith efforts.

## LEE COUNTY TRANSIT GRANT-FUNDED PROCUREMENT GENERAL PROVISIONS

As part of this reconsideration, the Bidder/Offeror will have the opportunity to provide written documentation or argument concerning the issue of whether it met the goal or made adequate good faith efforts to do so. The Bidder/Offeror will have the opportunity to meet in person with the assigned reconsideration official to discuss the issue of whether it met the goal or made adequate good faith efforts to do so. The AGENCY will send the Bidder/Offeror a written decision on its reconsideration, explaining the basis for finding that the Bidder/Offeror did or did not meet the goal or make adequate good faith efforts to do so. The result of the reconsideration process is not administratively appealable to the Department of Transportation.

### **Termination of DBE Subcontractor**

The Contractor shall not terminate the DBE subcontractor(s) listed in the DBE Participation Schedule (see below) without the AGENCY's prior written consent. The AGENCY may provide such written consent only if the Contractor has good cause to terminate the DBE firm. Before transmitting a request to terminate, the Contractor shall give notice in writing to the DBE subcontractor of its intent to terminate and the reason for the request. The Contractor shall give the DBE five days to respond to the notice and advise of the reasons why it objects to the proposed termination. When a DBE subcontractor is terminated or fails to complete its work on the Contract for any reason, the Contractor shall make good faith efforts to find another DBE subcontractor to substitute for the original DBE and immediately notify the AGENCY in writing of its efforts to replace the original DBE. These good faith efforts shall be directed at finding another DBE to perform at least the same amount of work under the Contract as the DBE that was terminated, to the extent needed to meet the Contract goal established for this procurement. Failure to comply with these requirements will be in accordance with Section 8 below (Sanctions for Violations).

### **Continued Compliance**

The AGENCY shall monitor the Contractor's DBE compliance during the life of the Contract. In the event this procurement exceeds ninety (90) days, it will be the responsibility of the Contractor to submit quarterly written reports to the AGENCY that summarize the total DBE value for this Contract. These reports shall provide the following details:

- DBE utilization established for the Contract;
- Total value of expenditures with DBE firms for the quarter;
- The value of expenditures with each DBE firm for the quarter by race and gender;
- Total value of expenditures with DBE firms from inception of the Contract; and
- The value of expenditures with each DBE firm from the inception of the Contract by race and gender.

Reports and other correspondence must be submitted to the DBE Coordinator with copies provided to the [Agency Name] and [Agency Name2]. Reports shall continue to be submitted quarterly until final payment is issued or until DBE participation is completed.

The successful Bidder/Offeror shall permit:

- The AGENCY to have access to necessary records to examine information as the AGENCY deems appropriate for the purpose of investigating and determining compliance with this provision, including, but not limited to, records of expenditures, invoices, and contract between the successful Bidder/Offeror and other DBE parties entered into during the life of the Contract.
- The authorized representative(s) of the AGENCY, the U.S. Department of Transportation, the Comptroller General of the United States, to inspect and audit all data and record of the Contractor

- Suspension of any payment or part due the Contractor until such time as the issues concerning the Contractor's compliance are resolved; and

With respect to all construction contracts and subcontracts over two thousand dollars (\$2,000) at least partly financed by a loan or grant from the Federal Government, and including contracts for actual construction, alteration and/or repair, including painting and decorating, the following provisions shall apply.

1. **Minimum wages** – (i) All laborers and mechanics employed or working upon the site of the Work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 C.F.R. part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents

thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the Contractor and such laborers and mechanics.

Contributions made or costs reasonably anticipated for bona fide fringe benefits under section 1(b)(2) of the Davis - Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph (1)(iv) of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 C.F.R. Part 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein; provided, that the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classifications and wage rates conformed under paragraph (a)(ii) of this section) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the Contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

(ii)(A) The Contracting Officer shall require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the Contract shall be classified in conformance with the wage determination. The Contracting Officer shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

1. Except with respect to helpers as defined as 29 C.F.R. 5.2(n)(4), the work to be performed by the classification requested is not performed by a classification in the wage determination; and
2. The classification is utilized in the area by the construction industry; and
3. The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination; and
4. With respect to helpers as defined in 29 C.F.R. 5.2(n) (4), such a classification prevails in the area in which the work is performed.

(B) If the Contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the Contracting Officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the Contracting Officer to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the Contracting Officer or will notify the Contracting Officer within the 30-day period that additional time is necessary.

## LEE COUNTY TRANSIT GRANT-FUNDED PROCUREMENT GENERAL PROVISIONS

(C) In the event the Contractor, the laborers or mechanics to be employed in the classification or their representatives, and the Contracting Officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the Contracting Officer shall refer the questions, including the views of all interested parties and the recommendation of the Contracting Officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the Contracting Officer or will notify the Contracting Officer within the 30-day period that additional time is necessary.

(D) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs (a) (ii) (B) or (C) of this section, shall be paid to all workers performing Work in the classification under the Contract from the first day on which Work is performed in the classification.

2. **Withholding** - LCBOCC shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the Contractor under the Contract or any other Federal contract with the same prime Contractor, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime Contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the Contractor or any subcontractor the full amount of wages required by the Contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the Work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), all or part of the wages required by the Contract, LCBOCC may, after written notice to the Contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.
3. **Payrolls and basic records** - Payrolls and basic records relating thereto shall be maintained by the Contractor during the course of the Work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the Work (or under the United States Housing Act of 1937, or under the Housing Act of 1949, in the construction or development of the project). Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b) (2) (B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 C.F.R. 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the Contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

## LEE COUNTY TRANSIT GRANT-FUNDED PROCUREMENT GENERAL PROVISIONS

(ii) (A) The Contractor shall submit weekly for each week in which any Contract Work is performed a copy of all payrolls to LCBOCC for transmission to the Federal Transit Administration. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under section 5.5(a) (3) (i) of Regulations, 29 C.F.R. part 5. This information may be submitted in any form desired. (B) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the Contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the Contract and shall certify the following:

1. That the payroll for the payroll period contains the information required to be maintained under section 5.5(a)(3)(i) of Regulations, 29 C.F.R. part 5 and that such information is correct and complete;

3. That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of Work performed, as specified in the applicable wage determination incorporated into the Contract.

(C) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by paragraph (c) (i) (B) of this section.

(D) The falsification of any of the above certifications may subject the Contractor or subcontractor to civil or criminal prosecution under section 1001 of title 18 and section 231 of title 31 of the United States Code.

(iii) The Contractor or subcontractor shall make the records required under paragraph (a)(3)(i) of this section available for inspection, copying, or transcription by authorized representatives of the Federal Transit Administration or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the Contractor or subcontractor fails to submit the required records or to make them available, the Federal agency may, after written notice to the Contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 C.F.R. 5.12.

4. **Apprentices and trainees** – (i) Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the Work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Bureau of Apprenticeship and Training, or with a State Apprenticeship Agency recognized by the Bureau, or if a person is employed in his or

Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of Work actually performed. In addition, any apprentice performing Work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the Work actually performed. Where a Contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the Contractor's or subcontractors registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator of the Wage and Hour Division of the U.S. Department of Labor determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Bureau of Apprenticeship and Training, or a State Apprenticeship Agency recognized by the Bureau, withdraws approval of an apprenticeship program, the Contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the Work performed until an acceptable program is approved.

(II) Trainees - Except as provided in 29 C.F.R. 5.16, trainees will not be permitted to work at less than the predetermined rate for the Work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of Work actually performed. In addition, any trainee performing Work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the Work actually performed. ## **VIII. PROVISIONS APPLICABLE TO RESEARCH AND DEVELOPMENT CONTRACTS**

# LEE COUNTY TRANSIT GRANT-FUNDED PROCUREMENT GENERAL PROVISIONS

## A. Patent and Rights in Data

(2 C.F.R. part 200, Appendix II (F); 37 C.F.R. part 401)

The following requirements apply to each Contract involving experimental, developmental or research work:

### 1. Patent Rights

- a. General – If any invention, improvement, or discovery is conceived or first actually reduced to practice in the course of or under the Contract to which this section applies and that inventions, improvement, or discovery is patentable under the laws of the United States of America or any foreign county, LCBOCC and Contractor agree to take action necessary to provide immediate notice and a detailed report to the party at a higher tier until FTA is ultimately notified.
- b. Unless the Federal Government later make a contrary determination in writing, irrespective of the Contractor's status (a large business, small business, state government or state instrumentality, local government, nonprofit organization, institution of higher education, individually), LCBOCC and the Contractor agree to take the necessary actions to provide, through FTA, those rights in that invention due the Federal Government as described in U.S. Department of Commerce regulations, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government grants, Contracts and Cooperative Agreements," 37 CFR Part 401.
- c. The Contractor also agrees to include the requirements of this clause in each subcontract for experimental, developmental, or research Work financed in whole or in part with Federal assistance provided by FTA.

### 2. Rights in Data

- a. The term "subject data" used in this clause means recorded information, whether or not copyrighted, that is delivered or specified to be delivered under the Contract. The term includes graphic or pictorial delineation in media such as drawings or photographs; text in specifications or related performance or design-type documents; machine forms such as punched cards, magnetic tape, or computer memory printouts; and information retained in computer memory. Examples include, but are not limited to: computer software, engineering drawings and associated lists, specifications, standards, process sheets, manuals, technical reports, catalog item identifications, and related information. The term "subject data" does not include financial reports, cost analyses, and similar information incidental to contract administration.
- b. The following restrictions apply to all subject data first produced in the performance of the Contract to which this Section applies:
  - i. Except for its own internal use, LCBOCC or Contractor may not publish or reproduce subject data in whole or in part, or in any manner or form, nor may LCBOCC or Contractor authorize others to do so, without the written consent of the Federal Government, until such time as the Federal Government may have either released or approved the release of such data to the public; this restriction

## LEE COUNTY TRANSIT GRANT-FUNDED PROCUREMENT GENERAL PROVISIONS

on publication, however, does not apply to any contract with an academic institution.

- ii. In accordance with 49 CFR § 18.34 and 49 C.F.R. § 19.36, the Federal Government reserves a royalty-free, non-exclusive and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, for "Federal Government purposes," any subject data or copyright described in subsections (b)(ii)(A) and (b)(ii)(B) of this clause below. As used in the previous sentence, "for Federal Government purposes," means use only for the direct purposes of the Federal Government. Without the copyright owner's consent, the Federal Government may not extend its Federal license to any other party.
  - Any subject data developed under that contract, whether or not a copyright has been obtained; and
  - Any rights of copyright purchased by the Purchaser or Contractor using Federal assistance in whole or in part provided by FTA.
- iii. When FTA awards Federal assistance for experimental, developmental, or research work, it is FTA's general intention to increase transportation knowledge available to the public, rather than to restrict the benefits resulting from the Work to participants in that work. Therefore, unless FTA determines otherwise, LCBOCC and the Contractor performing experimental, developmental, or research Work required by the underlying Contract to which this Attachment is added agrees to permit FTA to make available to the public, either FTA's license in the copyright to any subject data developed in the course of that Contract, or a copy of the subject data first produced under the Contract for which a copyright has not been obtained. If the experimental, developmental, or research work, which is the subject of the underlying Contract, is not completed for any reason whatsoever, all data developed under that Contract shall become subject data as defined in subsection (i) of this clause and shall be delivered as the Federal Government may direct. This subsection (iii), however, does not apply to adaptations of automatic data processing equipment or programs for LCBOCC or Contractor's use whose costs are financed in whole or in part with Federal assistance provided by FTA for transportation capital projects.
- iv. Unless prohibited by state law, upon request by the Federal Government, LCBOCC, and the Contractor agree to indemnify, save, and hold harmless the Federal Government, its officers, agents, and employees acting within the scope of their official duties against any liability, including costs and expenses, resulting from any willful or intentional violation by LCBOCC or Contractor of proprietary rights, copyrights, or right of privacy, arising out of the publication, translation, reproduction, delivery, use, or disposition of any data furnished under that Contract. Neither LCBOCC nor the Contractor shall be required to indemnify the Federal Government for any such liability arising out of the wrongful act of any employee, official, or agents of the Federal Government.
- v. Nothing contained in this clause on rights in data shall imply a license to the Federal Government under any patent or be construed as affecting the scope of any license or other right otherwise granted to the Federal Government under any patent.

## LEE COUNTY TRANSIT GRANT-FUNDED PROCUREMENT GENERAL PROVISIONS

- vi. Data developed by LCBOCC or Contractor and financed entirely without using Federal assistance provided by the Federal Government that has been incorporated into Work required by the underlying Contract to which this Section applies is exempt from the requirements of subsections (ii), (iii), and (iv) of this clause, provided that LCBOCC or Contractor identifies that data in writing at the time of delivery of the Contract work.
  - vii. Unless FTA determines otherwise, the Contractor agrees to include these requirements in each subcontract for experimental, developmental, or research Work financed in whole or in part with Federal assistance provided by FTA.
- c. Unless the Federal Government later makes a contrary determination in writing, irrespective of the Contractor's status (i.e., a large business, small business, state government or state instrumentality, local government, nonprofit organization, institution of higher education, individual, etc.), LCBOCC and the Contractor agree to take the necessary actions to provide, through FTA, those rights in that invention due the Federal Government as described in U.S. Department of Commerce regulations, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," 37 C.F.R. Part 401.
- d. The Contractor also agrees to include these requirements in each subcontract for experimental, developmental, or research Work financed in whole or in part with Federal assistance provided by FTA.
