The description of services intended for purchase from a sole source is posted in accordance with section 287.057(3)(c), Florida Statutes and will be posted for a minimum of 15 business days.

**Commodity or Service Required:**

Purchase of Altec Original Equipment Manufacturer (OEM) Parts & Services

**Description:**

Lee County Fleet Management is seeking to execute a sole source purchase for Altec Original Equipment Manufacturer (OEM) parts and services. This purchase includes an Altec Service Technician coming to our facility to complete required Die-Electric Testing, and the use of advanced technology & scanning tools. For services, not performed in-house Lee County staff takes the bucket trucks to Altec Industries facility for the needed services.

**Intended Sole Source:**

Altec Industries, Inc.

**Justification for Sole Source Acquisition:**

Altec Industries, Inc. is the sole source provider for Altec OEM parts, accessories and warranty work. There is no other retailer or dealer authorized to distribute Altec OEM parts, therefore purchasing Altec parts from another source will void the warranty supported by Altec Industries, Inc.

**Recommended Procurement Approach:**

For the reasons stated above, Lee County Procurement Management intends to utilize the Sole Source Procurement method to contract with Altec Industries, Inc. for supplying the above.

**Respond to:**
