The description of services intended for purchase from a sole source is posted in accordance with section 287.057(3)(c), Florida Statutes and will be posted for a minimum of 15 business days.

**Commodity or Service Required:**

Purchase for the Maintenance of the 9-1-1 Database and MIS Management System

**Description:**

Lee County Public Safety is seeking to execute a single source for the maintenance of the Essential Management Solutions 9IMS currently in place. The 9IMS system is a proprietary system that includes modules that monitor tower locations and call routing; identify issues with ANI/ALI data anomalies; generate ESRI layers to represent E911 data; and provide call statistics that satisfy state compliance and reporting requirements specific to F.S. 365.171 and FAC 60FF-6.005.

**Intended Single Source:**

Essential Management Solutions, LLC.

**Justification for Single Source Acquisition:**

The justification is based on Essential Management Solutions provides the proprietary 9IMS system & maintenance.

**Recommended Procurement Approach:**

For the reasons stated above, Lee County Procurement Management intends to utilize the Single Source Procurement method to contract with Essential Management Solutions for supplying the maintenance for the 9IMS system.

**Respond to:**

If your firm feels they have the ability to supply the above, please contact Mary Patterson, Lee County Procurement Management at [mpatterson@leegov.com](mailto:mpatterson@leegov.com).
