The description of services intended for purchase from a single source is posted in accordance with section 3.9, Procurement Ordinance 23-21 and will be posted for a minimum of 15 business days.

Commodity or Service Required:
SCADA Pack Telemetry Installation, Repairs, and Services

Description:
Lee County Utilities is seeking to execute a single source for Schneider Electric Systems USA manufactured SCADA Pack telemetry equipment, support, and service. SCADA Pack is used to monitor and control many of our lift stations and remote sites. This includes the GeoSCADA software that manages the remote SCADA Pack units.

Intended Single Source:
Power RICH Systems LLC

Justification for Single Source Acquisition:
Power RICH Systems, LLC is the sole authorized representative for Schneider Electric Systems USA, Inc. within the State of Florida, except for the Panhandle region.

Recommended Procurement Approach:
For the reason(s) stated above, Lee County Procurement Management intends to utilize the Single Source Procurement method to purchase from Power RICH Systems LLC for supplying the above.

Respond to:
If your firm feels they have the ability to supply the above, please contact Jennifer Brewer-Dano, Lee County Procurement Management at jbrewer-dano@leegov.com for review.
