Commodity or Service Required:

Purchase of Altec OEM Parts and Repair Services

Description:

Lee County Fleet Management is seeking to execute a sole source for the purchase of parts and repair services for 14 Altec bucket trucks by our local authorized Altec dealer. These parts and repairs are used for maintaining the fleet in proper operating condition and allow for safe and efficient performance.

Intended Sole Source:

Altec Industries, Inc.

Justification for Sole Source Acquisition:

Altec Industries Inc. is the exclusive authorized dealer in Lee County. While there are aftermarket suppliers in the area, they are not all-inclusive dealers and cannot provide the OEM parts required to maintain the integrity of our fleet. Altec Inc. is the only source capable of supplying all the necessary OEM parts for the Altec bucket trucks in our fleet.

Recommended Procurement Approach:

For the reason(s) stated above, Lee County Procurement Management intends to utilize the Sole Source Procurement method to purchase from Altec Industries, Inc. for supplying the above.
