The description of services intended for purchase from a single source is posted in accordance with section 3.9, Procurement Ordinance 23-21 and will be posted for a minimum of 15 business days.

Commodity or Service Required:

Purchase of VESTA 9-1-1 New Hardware, Software, and Service Package

Description:

Lee County Public Safety Department is seeking to execute a single source for new hardware, software, and service package by Motorola Solutions, Inc. This hardware and software is used to support the new Public Safety Center's 911 call processing operations.

Intended Single Source:

Motorola Solutions, Inc.

Justification for Single/Sole Source Acquisition:

Motorola Solutions, Inc. is the manufacturer and producer of VESTA 9-1-1 hardware and software and can provide the licensing, warranties, system components, and engineering specific to the VESTA 9-1-1 solution and is the only company authorized to provide engineering and initial system configuration of the VESTA 9-1-1 solution. The VESTA system was awarded a contract in 2019 and we will be adding six new positions to those currently used to support the new Public Safety Center's 911 call processing operations.

Recommended Procurement Approach:

For the reason(s) stated above, Lee County Procurement Management intends to utilize the Single Source Procurement method to purchase from Motorola Solutions, Inc. for supplying the above.

Respond to:

If your firm feels they have the ability to supply the above, please contact Kevin Walker, Lee County Procurement Management at KWalker2@leegov.com for review.
