The description of services intended for purchase from a single source is posted in accordance with section 3.9, Procurement Ordinance 23-21 and will be posted for a minimum of 15 business days.

Commodity or Service Required:
Renewal of Existing VESTA 9-1-1 Service Package

Description:
Lee County Public Safety is seeking to execute a single source for the renewal of the service package on existing VESTA 9-1-1 system software by Motorola Solutions, Inc. This service package is used to maintain the software and firmware and keep the system functioning properly.

Intended Single Source:
Motorola Solutions, Inc.

Justification for Single Source Acquisition:
Motorola Solutions, Inc. is the sole manufacturer and producer of the VESTA 9-1-1 solution and the only company that can provide the licensing, warranties, and inclusive software and firmware maintenance service packages.

Recommended Procurement Approach:
For the reason(s) stated above, Lee County Procurement Management intends to utilize the Single Source Procurement method to purchase from Motorola Solutions, Inc. for supplying the above.

Respond to:
If your firm feels they have the ability to supply the above, please contact Kevin Walker, Lee County Procurement Management at KWalker2@leegov.com for review.
