The description of services intended for purchase from a single source is posted in accordance with section 3.9, Procurement Ordinance 23-21 and will be posted for a minimum of 15 business days.

Commodity or Service Required:

Purchase of **Essential Management Solutions - 9IMS Maintenance**

Description:

Lee County Public Safety seeks to execute a single source procurement for annual maintenance of the 9IMS system; 9-1-1 database and MIS management systems maintenance including modules that monitor tower locations and call routing by Essential Management Solutions LLC. This product identifies issues with ANI/ALI data anomalies, generates ESRI layers to represent E911 data, and provides call statistics that satisfy state reporting requirements.

Intended Single Source:

Essential Management Solutions LLC

Justification for Single Source Acquisition:

Essential Management Solutions LLC is the sole provider of the 9IMS system and the only company that can provide the maintenance and service for our current system.

Recommended Procurement Approach:

For the reason(s) stated above, Lee County Procurement Management intends to utilize the Single Source Procurement method to purchase from Essential Management Solutions LLC for supplying the above.

Respond to:
