DATE: December 17, 2015

REMINDER: This Addendum must be acknowledged, signed and returned with your bid submittal. Failure to comply may result in disqualification of your bid submittal.

You are hereby notified of the following: **Question/Answer/Clarification**

Q1. Bid due date can it be extended by ten (10) days until January 7, 2016? Since it is close to the year end?

A1. This is the second time that this invitation to bid has been released, and all vendors were notified with ample time. At this time we will not extend the due date.

Clarification:

Q2. E7 Group Description (pages 14 – 16): (b) Group 2: ASTM D4956-07 should be replaced with ASTM D4956-13 which is the newest version of ASTM D4956.

A2. Please replace pages 14 – 16 with ASTM D4956-13.

Q3. Group 3: (c) Type IV should be used in place of Type X?

A3. Please replace Type X with Type IV.

Q4. Group 4: "3M Engineering Grade Prismatic Series 3924" should be stated as 3M Diamond Grade Prismatic Series 3924. 3924 is not Engineering Grade retro-reflective sheeting.

A4. Please replace "3M Diamond Grade Prismatic Series 3924s" should be used in place of 3M Engineering Grade Prismatic Series 3924.

Q5. Group 6: (f) This is restrictive. The County should remove this item from a competitive bid. Group 6 and 8 do not belong to a competitive bid. We request the County to move them into a separate category and award separately, since no competition exists for these items.

A5. This contract can be awarded either by an overall bid, or by a split award of line items. Not bidding a price on group 6 and 8 will not affect awarding of this contract.

Q6. Group 8: (h) This is a sole source product. There is no competition here.

A6. This contract can be awarded either by an overall bid, or by a split award of line items. Not bidding a price on group 6 and 8 will not affect awarding of this contract.

Q7. Group 10 and 11: (j) and (k): Both are prismatic EG. What is the difference between the two? What are the thickness (film caliper) of 7930 and 3430? Durability of the two (outdoors, vertical south facing)? Are these both digitally printable?

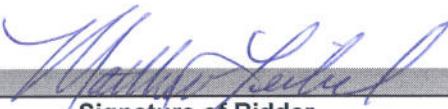

A7. For sheeting thickness 3M specifications would need to be referenced. 7030 and 3430 both have a 7 year warranty on the material. Neither 7930 nor 3430 sheeting are to be used in a digitally printing scenario.

This addendum supersedes any verbal or other instructions given to any bidder qualified to respond pursuant to the requirements set forth in the Bid document. All other parts of the Bid have been maintained as originally distributed.

The County also reserves the right to reject the bid from a Bidder who has previously failed to perform properly, or complete on time contracts of a similar nature, or who investigation shows is not in a position to perform the contract. The cost of submittal of this bid is considered an operational cost of the Bidder and shall not be passed on to or be borne by the County.
- D5. Should a certified Osceola County LSBE bid on a solicitation issued by the County and submit a bid that is within 5% of the lowest bid, whether or not that bidder is the next lowest bidder, the LSBE may be deemed the lowest bidder if the LSBE bidder agrees to reduce its bid to match the bid or quote of the lowest bidder.

If the bid is a lump sum bid, the LSBE will be requested to match the lowest lump sum bid. If the bid is a line item bid, the LSBE will be asked to reduce individual line items' bid prices so that the total bid price matches the lowest total bid. The LSBE will not be able to increase some line item bid prices while reducing other line item bid prices on their revised bid.

The LSBE will have three (3) business days to respond in writing to the County's match request. If the lowest LSBE does not elect to reduce its bid, then the next lowest LSBE will be given the opportunity to match the bid or quote using the process stated above, providing that bidder is also within five percent (5%) of the lowest bid or quote.

No contract awarded to an LSBE under this section shall be assigned or subcontracted in any manner that permits more than fifty percent (50%) of the dollar value of the contract to be performed by an entity or entities that are not Osceola County LSBE as defined in Chapter 3 of the Administrative Code.

Bidders must include a list of subcontractors by completing Attachment "G", Proposed Schedule Of Subcontractors Participation (with MWBE, SDVBE and LSBE designation), which identifies which firms are LSBE and the proposed percentage of the dollar value of the contract to be performed by each firm.

For application of the LSBE preference, the vendor must be certified by Osceola County as an Osceola County LSBE prior to the bid or quote due date and a copy of the certification must be included in the bid or quote submittal. The LSBE Certification process can normally be completed within 15 business days once all required documentation has been submitted.

For additional information relating to the qualifications, eligibility and exceptions to this program, please refer to the Osceola County Administrative Code, Chapter 3, Section 3.30 or call the Procurement Services Office at 407-742-0900.

- D9. Whenever the County is considering two (2) or more bids, proposals, or responses to a solicitation for the procurement of goods, services and/or construction, which are equal with respect to price, quality and services where at least one (1) response is from a certified SDVBE, the County shall award the agreement to the SDVBE.

Bidders must include a list of subcontractors by completing Exhibit "G", Proposed Schedule Of Subcontractors Participation (with MWBE, SDVBE and LSBE designation), which identifies which firms are MWBE and SDVBE and the proposed percentage and the dollar value of the contract to be performed by each firm.

Osceola County
Board of County Commissioners
Attn: Ivette Santiago
Bid Title: Sign Materials – Reflective Sheeting
Bid Number: AR-16-5644-IS

Qualifications and Explanations

Invitation to Bid, Page 1, Occupational Licenses & Applicable Licensing, Page 6, Item B10a

Upon award, the 3M Company will establish the required "Local Business Tax Receipt" as stated in the contract. 3M presently holds an active Business License for the State of Florida – License #810402.

Indemnification, Page 6, Item B13

3M will agree to indemnify the County for third party claims arising directly from 3M's performance of this Contract and caused by 3M's negligence.

Public Entity Crimes, Page 7, Item B22 & Public Entity Crimes Statement Form, Pages 26-27

Please note 3M's limit to the company's officers and directors; the deleted sections would be irrelevant to public traded companies.

Conflict of Interest, Page 7, Item B25 & Conflict of Interest Statement Form, Page 28

3M Company is a global, publicly traded company with annual sales in 2014 of approximately \$32B and over 89,000 employees worldwide. Because of 3M's size, 3M limits this qualification as to its officers and directors only. 3M is unaware of any of its officers or directors who are also officers or employees of Osceola County. Moreover because 3M is a publicly traded company, 3M cannot state with certainty whether any County officer or employee has a direct or indirect financial interest in 3M. That said, with a market cap of approximately \$92B no individual has a significant interest in 3M or a financial interest in 3M in excess of 10%

Most Favored Customer, Page 10, Item C24

The pricing offered by 3M in this contract is based on the contract's other terms (such as length and number of products), competition for and size of the sales opportunity, and many other market factors. During this contract's term, this contract's pricing will be competitive based on these factors. Because local governments generally impose significantly different contract terms and such terms and conditions are not comparable to each other or to 3M's commercial terms, 3M cannot guarantee the lowest pricing in all instances.

Bid Price Schedule, Page 17

To clarify 3M's group totals, the group totals do not include the square foot price for "custom sizes (standard other than listed)". Additionally, the Total Bid Price Group 1-11 does not include the above mentioned square foot price for custom sizes.

Bid Price Schedule, Page 19, Group 7b

To clarify, 3M provides the requested 8519 Luster Overlamine in a 48.5" width rather than the noted the 48". Pricing for this item is based on the 48.5"x50yd size.

Experience of Bidder, Page 30, Section 3, "Value of work now under contract"

As noted on the above form, 3M had annual sales of \$32B in 2014. As a publicly traded company, 3M will provide annual sales for 2015 approximately mid-February in compliance with SEC regulations.

Experience of Bidder, Page 30, Section 3, "Pending Judgement claims..."

Generally, with regard to government investigations, legal proceedings, violations of OSHA or similar acts, 3M Company provides an overview of these investigations, legal proceedings, OSHA violations or actions from other regulatory agencies that are deemed material, and any subsequent action resulting there from, in its annual reports. At 3M Company, given our size and diversity, government oversight is a routine occurrence. None of 3M's pending litigation will impact 3M's performance of this contract, if awarded.

Experience of Bidder, Page 31, Section 4, Safety

3M Company limits the Safety Section of the Experience of Bidder Form to the below listed 3M Manufacturing Sites. To the best of 3M's knowledge, there have been no job related fatalities within the last five years. However, 3M did have an OSHA Fine (\$495.00) assessed on August 8, 2014 at the manufacturing site of Guin, AL, for operator training which has been settled. In the event that any changes occur

with regards to Safety Section of the Contract Document (OHSA Fines and fatalities) at the identified sites, 3M will notify the County within 30-days.

- Brownwood, Texas
- Nevada, Missouri
- Guin, Alabama.

Experience of Bidder, Page 31, Section 5, Insurance

3M has significant bonding capacity but does not track the total amount of work that is currently bonded. As a publicly traded company with a market cap of approximately \$92B, 3M has the financial capacity to support the performance of its businesses.
