Subject: Q-110236 Motorcraft price adjustment for Lee County Fleet

Good Morning Patrick,

It was good of you to get back to me so promptly this morning. As I stated in our phone conversation, we at Uniselect Auto Plus Ft. Myers store 657 would like to pass on a deeper discount for your Motorcraft parts **Line code MTC. The discount right now is "50% off our list price", and after doing some current price calculations, we have decided to extend a "65% off our list price" discount. This will also affect other government accounts that have piggy backed on this bid. If there are any forms to fill out, please send them to me and I will complete them and return them to you asap so you may use the discount as soon as possible.**

Thank you

Dave Gibboney
