Subject: RE: Rate Plan Analysis and zero access report./ Pricing

Hi Jim,

Here is the pricing base on the new rate analysis. Please let me know if you have any question.

Master Voice units account:	\$ 31,815.56
Air Cards Accounts:	\$ 3,420.10
Total:	\$422,576.72

Estimated 12 months savings from current bill invoice: \$60,088.56

Current Monthly access \$36,822.94 cell and \$3,420.10 air cards

Propose new monthly access \$31,815.56 cell, and \$3,420.10 air cards

This recommendation doesn't take into consideration the monthly telecom service recovery charges of approximately \$1,000.00

Total cellular units: 824
Total air cards: 90

Thank You,

Delroy Gooden
