**2. QUESTIONS/ANSWERS**

1.	I saw that it says 8 days prior to bid due date. Does the 8 days include weekends and holidays. For example, the bid date for this is Jan 09, 2023 would that make the question due date Jan 01, 2023?
Answer	<b>Per Addendum 4 posted on January 5, 2023, the bid due date has been revised from January 9, 2023, to January 23, 2023 at 2:30 PM. The question deadline is based on calendar days, not business days, and has a question deadline of January 15, 2023.</b>
2.	On Page 27, Section 1.2 it states that "Submittal package may not exceed 15 pages printed single sided: page restrictions excludes required forms found herein and dividers." With the significant increase in the required information, especially Tab 5: Disposal Plan; will the County consider increasing the number of pages to not exceed for the submittal package?
Answer	<b>The submittal package may not exceed 15 pages as stated on page 27, Section 1.2. However, the page restriction excludes any required forms, licenses, and/or required plans. The Disposal, Marketing, and Beneficial Reuse Plan is excluded from the 15-page restriction.</b>
