Lee County Domestic Animal Services pet pantry set for Saturday

Lee County Domestic Animal Services will open its doors from 10 a.m. - 2 p.m. Saturday, Sept. 16, as a pet pantry location, thanks to a generous donation provided by the ASPCA. The pantry is intended to help those affected by Hurricane Irma by providing pet food and supplies at no cost. Pet food, bowls, waste pads, towels, and more will be available. The ASPCA has been onsite aiding Animal Services with its recovery effort with staffing and additional supplies.

Animal Services is at 5600 Banner Drive next to the Lee County Sheriff's Office. The pantry will be based at the lost and found department in the orange building.
