### **Florida Department of Health in Lee County is offering free private well testing**

The Florida Department of Health in Lee County will be offering free bacteriological testing for private wells through Thursday, September 28 in response to Hurricane Irma.

Free bacteriological tests are limited to one well sample per household. Additional samples are \$20.00 each.

You may take your samples to:  
**Florida Department of Health in Lee County – Environmental Engineering**  
**60 South Danley Drive, Unit 1**  
**Fort Myers, 33907**

Dates and Hours for dropping off water samples are:  
**Friday, September 22 from 8:00am to 2:00pm.**  
**Monday, September 25 through Thursday, September 28 from 8:00am – 3:00pm.**

For further information, go to <http://www.floridahealth.gov>  
or contact DOH-Lee at (239) 274-2200.

### **About the Florida Department of Health**

The department, nationally accredited by the [Public Health Accreditation Board](#), works to protect, promote and improve the health of all people in Florida through integrated state, county and community efforts.
