

Germain Arena is Safe Shelter

Sunday, September 10, 2017

Inaccuracies reported by a national media outlet are leading to some unrest in one of our shelters. The outlet falsely reported that Germain Arena is not a safe shelter to be in.

Germain Arena is a hardened building that is structurally sound and a safe place for people to be. During blue-sky times, Lee County works with its public-private partners to harden facilities. We also work with shelter managers to ensure everyone's safety.
