

Lee County Drawbridges to be Locked Down

All Lee County DOT-operated drawbridges will be locked down tomorrow (Saturday) beginning at 9:00 a.m. The lockdown will affect boaters only. Motorists driving over the bridges will not be affected.

The drawbridges that will be locked down include the Alva drawbridge, Big Carlos Pass drawbridge and Matlacha drawbridge. The Gasparilla Island (Boca Grande drawbridge) is privately operated and any decision regarding that bridge will be made by its operator.
