Lee County expands mandatory evacuations

Lee County Emergency Management has announced additional mandatory evacuations effectively immediately for Evacuation Zone B south of the Caloosahatchee in Fort Myers and Zone B south of Pine Island Road in Cape Coral.

For a current evacuation map and list of shelters available, visit www.leeeoc.com.

A previous announcement put in place mandatory evacuations of Evacuation Zone A and portions of the Imperial River basin between East Terry, Bonita Beach Road and Interstate 75. That includes:

- All of the barrier islands (Boca Grande/Gasparilla, Cayo Costa, Useppa, Cabbage Key, North Captiva, Captiva, Sanibel, Fort Myers Beach, San Carlos Island, Bonita Beach)
- Cape Coral west of Burnt Store Road and south of Cape Coral Parkway, east of Del Prado Boulevard to Viscaya Parkway
- North Fort Myers south of Bay Shore Road from Moody Road to State Road 31 and areas south of North River Road from State Road 31 to Fichters Creek.
- Areas of Iona south of Maple Drive, west of U.S. 41
- San Carlos Park west of U.S. 41,
- Estero west of U.S. 41, north of the Estero River
- Bonita Springs communities along Estero Bay and the Imperial River Basin.
